General Consent Agenda

1.4 New Facilities

Move to amend the motion adopted on July 23, 2026, regarding the proposed building project by increasing the authorized project funding from a maximum of \$250,00 annually to a maximum of \$500,000 annually for a period not to exceed five years, with financing to be provided through bonds issued by the City of Manchester, subject to all required legal approvals. It is the intent of this Board that the school system maintain a minimum unrestricted fund balance of \$3,000,000 throughout the term of the financing, and the annual appropriations for this project be made only if doing so will not reduce the unrestricted fund balance below that amount.

A motion was made by Dr. Powell to approve the above statement. Mrs. Lisa Gregory seconded the motion. Motion carried (Unanimously)

Adjournment

Dr. Powell made a motion to adjourn the meeting and seconded by Mrs. Susan Parsley.
