Stone Elementary School
August 2023

Ella England is a 5th grader at Stone Elementary that is giving back to her community while carrying on her late grandmother's love of reading. Ella's Granny Dot helped instill a love of reading in her. To honor her, Ella, with the help of her parents, is building Little Free Libraries. These Little Free Libraries allow children and families of all ages throughout Cumberland County to take a book and leave a book. Ella wants other children to grow to have a love of reading in the same way she does. She wants them to be able to travel and experience all things which are possible through reading.

Her first Little Free Library was established on July 24, 2022 in the Homestead area on Glenwood Circle near her home. You will find other Little Free Libraries on Rose Street, the Roane State Community College campus, Shelter Insurance, and at Synergy Medical. In the spring of last year, Ella asked if she could place one at Stone Elementary so her school community could have this opportunity. There are plans for three more to be added in the community very soon. Ella's Little Free Libraries are registered with littlefreelibrary.org, which is a database that shows the location of registered libraries across the country. Ella's goal is to establish 87 Little Free Libraries because that was the age of her grandmother when she passed away.

9. Acknowledgement of Elected Officials - Boston advised, I would like to welcome everyone here. Mrs. Mall, I think you're our only elected official and we certainly appreciate you taking your time to join us. Thank you, Mrs. Mall does a great job on the commission.
10. Community Comments - Boston advised, next on the agenda is the community comments and I think we have a couple of young ladies who would like to address the board.

Name - Carrie Houston - Senior at Stone Memorial High School
Subject: Stone Memorial High School Tennis Courts concerns.

Name - Stephanie Turner - Senior at Cumberland County High School
Subject: Cumberland County High School Tennis Courts concerns.

11. School Board Reports - Boston continued, next on the agenda is our School Board Reports. First is the TLN Report, Mrs. Shannon Stout.

11.A. TLN Report - Ms. Shannon Stout - Stout advised, well I don't have a real long one, because we all just went to the Legislative in Law Summer Session with TSBA. A couple reminders I wanted to bring to everybody's attention. The USDA ahead of the school season starting came out with a couple of things that I think are going to be helpful to our district here. One of them is some additional monies to help defer the supply chain changes and rising food costs and I pulled up our information for the state of Tennessee and it looks like the state of Tennessee is just getting a little over 25 million dollars in addition to the funds that we had coming in already for our food programs. So how that's dispersed? We'll have to see, but hopefully it'll help Mrs. Hamby and her folks and the kids. Then another change that they were looking at is making the free meals more accessible to students and they haven't finalized everything yet. But what they're looking at doing is lowering the minimum threshold for school districts eligibility. Right now it's 40% for the CEP eligible and they're looking at doing 25%. So it looks like we might get a little more relief with that too. So hopefully some good information to come with that. Just a reminder, if the board wanted to work on any resolutions to turn into TSBA for this upcoming legislative session. Our resolution deadline is September 19th. The Department of Education Safety Grant deadline, which that was a new safety grant. That came out with the new laws this year, is the 29th of September. So hopefully we're rolling on that for the safety grant monies. Then we have our new Commissioner of Education, Ms. Reynolds, that was sworn in and took office on the 1st of July.

12. Board Member(s) Report from Training(s) - Boston advised, I know that the majority of the board just got back from our Law Institute. Would anyone like to speak on that? Boston continued, we all had a great time, lots of information obviously. Some that we will be visiting and some that you just go oh gosh. Nichols advised, I was glad our board attorney sat next to me. I asked a lot of questions. It was good. Boston replied, he is very helpful.

13. Legal Report - Mr. Earl Patton - Boston advised, Mr. Patton your Legal Report. Mr. Patton, would you like to give us our legal report? Patton replied, yes ma'am. There are a couple matters of pending litigation that the board has. The one against the board is the Kirkman versus Cumberland County Board of Education case. I spoke with Ken Williams on that matter earlier in the month. They're still conducting discovery and I've marked it on my calendar to follow up with him in October. I think we'll know a little bit more at that point. It's just one of those situations where the wheels of justice turn slow, but we'll know a little bit more in a few months on that case. The other matter is the JUUL Litigation. I've been waiting to hear an update on that from the last time that I updated the board. I have not heard anything recently, but I will reach out to the firm involved in that and I'll have something over to the board next week. Another matter on my legal report are the results of the Board Self-Evaluation and the Superintendent Evaluation from last month.

Patton read and explained in detail the Board Self-Evaluation and the Superintendent Evaluation scoring subject and results. (See Exhibit #3)

14. Director's Report- Mr. William Stepp - Boston advised, next on the agenda is our Director's report.

14.A. *Canopy for Transportation Department Gas Pumps (See exhibit #4) Stepp advised, okay the first thing on the report is I got a communication from Mayor Foster. The County Commission was looking at possibly adding a canopy over the gas pumps at the transportation center. They have an estimated cost. Now this is a work in progress. This isn't a done deal, but they did want to know if the board would support that and I think the normal split between the county and the school system is 60-40. Boston asked, we pay 60? Stepp replied, no we pay 40. That's my understanding. That's

what I was told. Nichols advised, Mrs. Bray is nodding. Stepp continued, that's been traditionally what has happened. Bray advised, 40, 40 and 20. Boston asked, okay so who pays 20? Bray replied, the other departments in the county. It's 40 us, 40 I think the highway department and all of the other departments pay 20%. Boston asked, does everybody get gas there? Bray replied, yes. Boston continued, okay so the Maintenance Department for the county would pay part of that 20%. Bray replied, yes. Sheriff's Department, emergency services, everybody. Stepp advised, so they're interested to see if you're willing to be a partner in that. Boston asked, so our portion would only be 40% of \$42,000. Bray replied, about \$17,000. Stout asked, Mr. Stepp have we gotten feedback from our bus staff departments? Stepp replied, it's needed. It's been talked about since I've been here. That's just a wide open scenario right now. Rain, snow whatever, so the canopy is a good feature to put out there for our employees. Nichols advised, I've seen bus drivers out there getting doused and the policemen and the EMS. It's like there's no way you can't get away from it. You can't hold an umbrella, because the wind goes right straight through there. Boston replied, well this has been in discussion for several years. They just never kind of proposed it to us before. It's always been a, what do you think? You know we really need this and if you've ever watched an officer filling their vehicles up and it's pouring the rain, whatever. I would certainly make a motion that Mr. Stepp be given the authority to negotiate this up to what, \$20,000. Wouldn't you think I would cover it? Stepp replied, my understanding the County Commission collected all the estimates. The things that you have and sent that to me. So I haven't done research. I've just spoken to Mr. Foster and they feel pretty confident that this is really close to what the cost would be. Boston replied, I would make a motion that we give you the authority up to \$20,000 to go ahead and proceed and work with County officials to see if we can make this happen. Have I worded that right? I like it. Stout replied, I'll second that. Boston asked, any discussion? Safdie asked, yeah. Where's the money going to come from? Boston replied, it would have to come from Fund Balance or either transportation. Safdie asked, Mrs. Bray do you have any thoughts on where the money would come from? Bray replied, well I thought Mrs. Boston said, it would have come from Fund Balance or somewhere in the transportation budget. Now, obviously it's not budgeted, because I was not aware of this during the budgeting process, but I think it would be well worth it. It's been talked about ever since I've been here by all departments. Nichols advised, it's a need, not a want. Boston advised, and since we are only responsible for 40% of it, that's not a huge investment and I think our employees that utilize that pump station would be grateful. Mr. Safdie? Safdie replied, I'm fine. Boston replied, your fine. Hale asked, Mrs. Bray, do you feel like we have the money somewhere? Bray replied, I think we can find \$17,000. I think it's a solid investment for the county. Nichols advised, and we've got other people willing to do their shares. So I think it's good. A Roll Call Vote was taken.

Motion to give you (Mr. Stepp) the authority up to \$20,000 to go ahead and proceed and work with County officials to see if we can make this happen.

VOICE VOTE: (mover-yes) Boston

(seconder-yes) Stout

Yes: 7, No: 0

MOTION: Motion Carried

14.B. *Approval of District Testing Coordinator (See exhibit #5) Stepp advised, okay the next item is I'm requesting your approval to appoint Dr. Farley as our District Testing Coordinator again for this

year. She was last year. Boston advised, I'll make a motion. Hale advised, I'll second it. Boston asked, any discussion? No one responded. A Voice Vote was taken.

Motion to appoint Dr. Farley as our District Testing Coordinator.

VOICE VOTE: (mover-yes) Boston

(seconder-yes) Hale

Yes: 7, No: 0

MOTION: Motion Carried

14.C. *Approval of Disciplinary Hearing Authority Board (See exhibit #6) Stepp advised, next is also something we do every year. Just getting your approval on those that'll serve on the Disciplinary Hearing Authority Committee for the county; my designees. Boston asked, they only sit three at a time right? Stepp replied, correct it rotates. So we try to get as many with experience on that board so they can rotate who's available. Stout advised, motion to approve the board. Nichols advised, second it. Boston replied, we have the first and second. Any discussion? No one responded. A Voice Vote was taken.

Motion to approve the Disciplinary Hearing Authority Committee as presented.

VOICE VOTE: (mover-yes) Stout

(seconder-yes) Nichols

Yes: 7, No: 0

MOTION: Motion Carried

14.D. *Water Rates Agreement with Uplands Village/West Cumberland UD (See exhibit #7) Stepp advised, next is the Uplands Sewer Contract. So what has happened and correct me if I'm wrong, Mrs. Bray, but the cost went up. So it requires a new contract. Patton advised, folks we had a contract that initially started in 2008. It was actually a four-year contract that automatically renewed for four years. So it technically expired in 2016, but they kept providing us water at the same rate that they had provided it for a number of years and so they gave us notice they were increasing the water rate, and so I drafted a contract that would just extend things for another period of time with the higher rate. I don't know how much negotiating there really is with the water rate they provided to us for a long time at the lower rate. So I did draft this contract. It says everything it needs to say. Boston advised, I'll make a motion we approve. Hale advised, second. Boston continued. We have a first and second. Discussion? Boston asked, Mrs. Bray, did we budget for this increase? Bray replied, yes. Boston asked again, we did budget for this increase? Bray replied, I think what I budgeted will accommodate this. Boston replied, okay, because it's a fairly substantial increase and with that being said. Bray replied, it only affects one location. Boston replied, right. Bray continued, so I mean in the big scheme of things we should be fine, because we did not receive increases anywhere else. Boston replied, okay, but you're saying it is in the 23-24 budget? Bray replied, yes. Boston replied, that's all the questions I had. Anyone else? Nichols asked, how much was the increase? Boston replied, it was substantial. It's gonna be about \$1,500 a

month. Patton replied, the current rate is \$15.21 per thousand gallons. Boston replied, it's going up to \$1,600 a month. Patton replied, that's correct. Boston continued, it has increased from \$4.50 for a thousand gallons to \$15.21 per thousand gallons. So about a \$9.00 increase per thousand gallons. Any further discussion? No one responded. A Voice Vote was taken.

Motion to approve as presented.

VOICE VOTE: (mover-yes) Boston

(seconder-yes) Hale

Yes: 7, No: 0

MOTION: Motion Carried

14.E. Annual Planning Calendar (See exhibit #8) Stepp advised, next item is what we do every meeting. Showing you the progress of the Annual Planning Calendar that we're currently working on.

14.F. FYI (See exhibit #9)

14.F.1. Attendance Report

14.F.2. Personnel Report- Stepp advised, next item is Personnel Reports. We do that each month also.

14.F.3. School Calendar of Events - Stepp advised, also our School Calendars that are in so far. High schools are already moving and shaking and everybody's getting ready for the beginning of the year. We had two freshman orientations this week. So, that was fun. We enjoyed that and I think that completes the Directors.

Boston asked, one question. Did I see correctly that we have hired 55 new teachers? Stepp replied, yeah I think I sent some pictures out to you guys. They met today, so it was a lot of fun. We had some new teacher training. So there are some new teachers, some veteran teachers, but new to Cumberland County. So it was great to get to know them today and they did a great job training with them and kicking off their year today. Stout asked, so do we have a number of open teaching positions? Stepp replied, yes we still have some open. We have some that we can't hire because we're waiting on the budget to be approved. So we're just in that process right now. Stout advised, but it sounds like we've gotten a good amount. Stepp replied, a good amount, but we've got some high school positions that are holes that we're having to adjust the master schedule with. So that we can cover those holes. They're just some positions, they're just not out there. Stout asked, do we have some folks in the pipeline for when we get budget approved? We can move forward with that. Stepp replied, we're trying. Schools have already started. Stout replied, it's hard to do after the start of the school year. Stepp replied, yeah but we're trying to line those up and get those allegiances set up so that they'll come. Boston advised, I know Putnam County posted they had 110 new teachers. Stepp replied, yeah a lot, but they still have more open positions than we do right now. Boston replied, they hired 110. I mean where'd these teachers come from? Stepp replied, a lot of it's you know people moving in. We got several veterans that have moved in to take positions from Alabama,

Georgia, Tennessee all over the place. Stout advised, since one of our top Strategic Plan items is attracting and retaining top talent.

15. School Board Committees - Boston advised, next on the agenda is School Board committee's.

15.A. Policy Committee - Ms. Rebecca Hamby

15.A.1. *Approval of First and Final Reading of Policies (See exhibit #10) Boston continued, Policy Committee chairman, Mrs. Hamby is not with us tonight. Mrs. Stull would you please. Stull replied, yes we have 25 policies that are for first and final reading that came out of Policy Committee and I make a motion to approve. Boston advised, and it does not require second, because it came out of committee. Is there any discussion on any of the policies? No one responded. Boston continued, and this is the approval of the first and final reading. A Voice Vote was taken.

Motion to approve the first and final reading of policies listed above.

VOICE VOTE: (mover-yes) Stull

Yes: 7, No: 0

MOTION: Motion Carried

15.A.2. *Policies for Deletion (See exhibit #11) Boston advised, next will be your policies for deletion. Stull replied, correct. We had two policies that were duplicate policies and those have also come out of committee. Do we need a second? Boston replied, no. Stull continued, so I'll make a motion to approve the deletion of these two policies. Boston advised, okay it does not require a second. Any discussion on deleting these policies? No one responded. A Voice Vote was taken.

Motion to approve the policies for deletion as presented.

VOICE VOTE: (mover-yes) Stull

Yes: 7, No: 0

MOTION: Motion Carried

15.B. Athletic Committee - Mr. Nick Davis - Boston advised, next on the agenda is the Athletic Committee. I think Mr. Davis is worn out from the Athletic Committee and he is not here tonight. So we'll bypass that.

15.C. Budget Committee Meeting - Ms. Teresa Boston - Boston advised, next is the Budget Committee. We've not had another meeting. We're waiting for the county to approve our budget and we're kind of on hold.

- 15.D. Building and Grounds Committee - Mr. Robert Safdie - Boston advised, next is Building and Grounds Committee, Mr Safdie. Safdie advised, we did not have a meeting this month, but we are planning to have a meeting next Monday, August 7th at 4:30pm.
- 15.E. Safety Committee - Ms. Rebecca Hamby - Boston advised, next is the Safety Committee and Mrs. Hamby is not here, but I don't recall having one yet. Stull and Nichols replied, we have not had one yet. Boston continued, so there's nothing to report.
- 15.F. Contract Committee - Ms. Teresa Boston - Boston advised, next is the Contract Committee. We've not had a meeting. So there is nothing to report.
16. Chief Financial Officer's Report - Boston advised, next on the agenda is the Chief Financial Officer's Report, Mrs. Bray.
- 16.A. Monthly Financial Report (See exhibit #12) Bray advised, well even though our year has closed, just keep in mind that this is not the final, final. I have submitted everything that I personally have, but there's some other accruals that will be made at the county level and they are working on that currently, but I feel there won't be anything huge or big adjustments. So actually I think we did quite well. We came in within our budget. There was nothing where we were really over. Revenue came in at about 97%, 98% of what we had budgeted. So I always think that's pretty well, because some of that's really not, really a crap shoot, but we don't really know. Like things on Sales Tax, Property Tax and things like that. So to come within that close, I think that's pretty good and we were at 94.4% of our expenditures. So I don't see anything radically that will change in this. So I think all in all we did a very good year. Boston asked, do we have any construction going on that money is still reflected in this budget? Bray replied, yes. We have what we allotted for our part of the project at CCHS, but ESSER will pay everything that they have money for first and then we will kick in at the very end, but yes that has been appropriated in the maintenance. Boston asked, and that's reflected? Bray replied, yes it is. It's been encumbered, because we have an open PO where nothing has been expended, but it has been encumbered.
- 16.B. Monthly Sales Tax Report (See exhibit #13) Bray continued, okay Sales Tax wise, I spoke with the County Finance Director. They're still working out his final accrual on that, but it does appear that we will come ahead of where he had budgeted. Not as much as we had originally hoped, but probably somewhere around a hundred thousand dollars. So we'll take it.
- 16.C. *142 Budget Amendments (See exhibit #14) Bray advised, we only have a couple of budget amendments and this is from the federal world. This is just some things that they needed to clean up. Kind of from last year, some things that happened after the fact. I was instructed by the County Finance Director. I know Mrs. Boston had requested me to make a budget amendment, which I will do, but since it had not been approved, he requested that we not amend a budget that wasn't approved yet. Boston advised, and I wondered about that. Bray replied, I had it prepared and he said let's just hold off because technically the dates would not work. Boston asked, do we need to go back and reapprove that? Bray replied, no. Boston continued, once our budget's committed or since we've already approved it at that time you can submit it? Bray replied, I'll submit it whenever the budget's approved. It's not a problem. He just said we didn't need to put a budget amendment through in NGP for a budget that technically had not been approved by the county. Boston replied, well, that was kind of my thoughts. Bray continued, these others are just on federal budgets and just some things that they have to clean up, because the federal world kind of operates in its own little world. I think CTE had a couple and then there was one to do with ESSER 3.0. I believe, but they're all federal. Boston asked, are they just to clean up? Bray replied, they are. I think we received some extra money. Eldridge replied, that one is new money. Both are new money. Boston

asked, is that the Perkins? Eldridge replied, yes. Bray replied, Leslie's always getting people to give her more money. She's good. Boston asked, so the Perkins were both new money, those resolutions. Am I correct? Stepp replied, yes. Bray replied, the ESSER is just to clean up for some things we need to do from prior year. Boston replied, I'll make a motion that we approve the 142 budget amendments. Nichols replied, I'll second it. Boston advised, so we have a first and a second. Any discussion? No one responded. A Roll Call Vote was taken.

Motion to approve the 142 budget amendments as presented.

VOICE VOTE: (mover-yes) Boston

(seconder-yes) Nichols

Yes: 7, No: 0

MOTION: Motion Carried

17. *Consent Agenda - (See Exhibit #15) Boston advised, next on the agenda is the consent agenda. Hale advised, I moved to accept the consent agenda. Boston replied, we have a first from Mrs. Hale. Stull advised, second. Boston replied, we have a second from Mrs. Stull. Boston asked, is there any discussion on the consent agenda? No one responded. A Voice Vote was taken.

Motion to approve the Consent Agenda.

Ms. Teresa Boston
Chairman
Cumberland County Board of Education
368 4th Street
Crossville, TN 38555

Dear Ms. Boston:

We are writing to follow-up to numerous discussions about the property adjacent to Brown Elementary (parcel 018161-01400) of approximately 41 acres. As you recall, The Frank Brown Family Trust ("Trust") contributed 31 acres to the Cumberland County Board of Education ("Board") in an agreement dated October 18, 2001 (Attachment A). The Trust essentially retained easements and sewer rights for the development of the remaining 41 acres.

Upon the passing of my grandmother, Jaunita Brown Gilbert in 2018, the clock for the liquidation of all assets began for the benefit of the Trust's heirs. Our due diligence considerations involved legal experts, engineering and master planning experts, mining and timber consultants, and local real estate consultants. Clearly, the least disruptive strategy for both parties is to reach a definitive agreement for the purchase of the remaining property on Dunbar Road.

The purpose of this letter is to set forth general terms for the Board's consideration. The justification for the investment is 1) long-range planning for the expansion needs for students of Brown Elementary, 2) Board retain complete control for the remaining property, 3) avoid controversy over development rights, 4) participate in the appreciation of Cumberland County/Lake Tansi property adjacent to University of Tennessee land.

Our proposal is as follows:

- A. Sales Price: \$650,000 for 36.5 acres
- B. Installment Sale (interest free)
 - 1. Earnest Money: \$50,000 in 2023
 - 2. Payment 1 due July 2024: \$200,000
 - 3. Payment 2 due July 2025: \$200,000
 - 4. Payment 3 due July 2026: \$200,000

Ms. Teresa Boston

- C. Board fund closing costs
- D. Board fund taxes (forest plan) beginning 2024
- E. Dissolve all prior agreements with Frank Brown Family, its heirs and assigns
- F. Transfer all engineering and site work product
- G. Remaining 4 acres separated by Bass Creek will create a conservation easement or acquired by University of Tennessee.

Our goal is to present a win-win solution for property valued at \$40,000 per development lot, or approximately \$2.0-\$2.4 million.

Our family has deep ties to Cumberland County and to public education in Tennessee. We look forward to addressing any questions and hearing your thoughts, ultimately seeking a final agreement between the Trust and the Board.

Sincerely,

Greg Cantrell

Memorandum of Understanding Between Cumberland County School System And Community Probation Drug Screening Services

This Memorandum of Understanding by and between the Cumberland County School System, hereinafter referred to as the "LEA" and Community Probation Drug Screening Services, hereinafter referred to as "Medical Review Officer" (MRO), is to document essential assurances, obligations, and related information pertaining to the Extracurricular Activity Drug Testing Policy and Procedure.

Scope of Services

The LEA is a local education agency or school system within the State of Tennessee, and has implemented the Extracurricular Activity Drug Testing Policy and Procedures for grades seven through twelve for the purpose of developing and maintaining a drug free educational and athletic environment. The drug-testing program is not punitive, but is designed to create a safe, drug-free environment for students involved in extracurricular activities and assist students in getting help when needed.

The screening sample will be a split sample, meaning each positive random drug screening will provide two samples. The initial laboratory test performed by the Agency shall be at LEA expense. Should additional testing be requested it shall be at parental expense. Said Agency shall collect such expense from the requesting parent.

Medical Review Officer

1. The director of schools will appoint a person to work with the drug-screening agency (MRO).
2. A predetermined and confidential random drug screening date will be established and agreed upon by the LEA and the MRO.
3. The MRO will report positive or negative test results within 48 hours, directly to the director of schools or designee.
4. A negative reading on said drug screening will result in no further action other than documentation by the Medical Review Officer.
5. Should the initial testing result in a positive reading Agency will contact the director of schools or designee who shall contact the student's parent/guardian or student if 18 or over, to confirm any prescription or other medications the student has legally taken. The Agency shall determine the validity of the test from such information in a report and pass said information to the director of schools or designee.
6. Should the first screening result be positive and medication verification is absent, the parent has two school days to request the split specimen to be sent to a certified independent laboratory.
7. The LEA will pay per student drug screening to the MRO.
8. MRO will report all results of said assessment within 48 hours to the director of schools/LEA or designee.

9. LEA and MRO will comply in accordance with guidelines, laws, regulations, and rules pertaining to the LEA's Policy and Procedures for Athletic and Extracurricular Activity Drug Testing.

10. MRO will adhere to the Terms and Conditions of this Memorandum of Understanding.

Terms and Conditions

This Memorandum of Understanding may be modified only by a written amendment executed by all parties hereto and approved by the appropriate program managers in accordance with applicable laws, rules, and regulations. This memorandum of understanding is automatically renewable unless conditions of this agreement were to change.

Liability

The MRO and the LEA shall have no liability except as specifically provided in this Memorandum of Understanding.

Completeness

This Memorandum is complete and contains the entire understanding between the parties relating to the subject matter contained herein, including all the terms and conditions of the parties' agreement. This Memorandum supersedes any and all prior understandings, representations, negotiations, and agreements between the parties relating hereto, whether written or oral. For purposes of monitoring & auditing & confidentiality under this Memorandum, the MRO and the LEA shall make available screening results only to the Cumberland County School Director and/or designee. All records shall be maintained in a secure Location with controlled access.

Safe Return to In-Person Instruction and Continuity of Services Plan Addendum

The Elementary and Secondary School Emergency Relief 3.0 (ESSER 3.0) Fund under the American Rescue Plan (ARP) Act of 2021, Public Law 117-2, was enacted on March 11, 2021. Funding provided to states and local educational agencies (LEAs) helps safely reopen and sustain the safe operation of schools and address the impact of the coronavirus pandemic on the nation's students.

In the fall of 2021, LEAs developed and made publicly available a Safe Return to In-Person Instruction and Continuity of Services Plan. All plans were developed with meaningful public consultation with stakeholder groups. LEAs are required to update the plan every six months through Sept. 30, 2023, and must seek public input on the plan and any revisions and must take such input into account. LEAs also must review and update their plans and ensure they align with any significant changes to CDC recommendations for K-12 schools. Like the development of the plan, all revisions must be informed by community input and reviewed and approved by the governing body prior to posting on the LEA's publicly available website.

The following information is intended to update stakeholders and address the requirement.

LEA Name: Cumberland County Schools

Date: August 20, 2023

1. Describe how the LEA has continued to engage in meaningful consultation with stakeholders in the development of the revised plan.

The Cumberland County School District has continued to provide ESSER Updates during monthly Board of Education meetings in addition to surveys, conferences, and phone calls. The feedback data summary from the initial Cumberland County Safe Return to In-person Instruction and Continuity of Services Plan indicated the following top five choices:

1. Facilities (additions and improvements)
2. HVAC/Ventilation
3. Additional Faculty and Staff
4. Instructional Programs
5. Build an auditorium at CCHS

August 2022

In an effort to solicit feedback from a variety of stakeholders, the Cumberland County School District has continued to engage with stakeholders by soliciting feedback from each school (administrators, teachers, students, attendance clerks, bookkeepers, receptionists, custodians, teacher assistants, school nurses), district-wide departments (bus drivers, technology workers, food service, and maintenance workers), our ESL parents/guardians, and the general community. Data from this continued engagement has been disaggregated separately based on the various stakeholder groups. The feedback data summary from the most recent collection in August 2022 indicated the following top five concerns across the stakeholder groups:

1. Additional Faculty and Staff Added to Schools
2. Capital Outlay Projects (renovations, updates, additions, and improvements to facilities)

3. Attendance Issues Related to COVID-19
4. Quality HVAC Units for Adequate Circulation
5. Proper Cleaning and Sanitizing of Facilities

February 2023

The findings from the most recent stakeholder survey conducted during the week of February 6, 2023, indicated little to no recommended changes from the August 2022 survey findings regarding the Safe Return to In-Person Instruction and Continuity of Services Plan. Stakeholders were given the opportunity in the February 2023 survey to review the information and offer suggestions and/or changes to the current Safe Return to In-Person Instruction and Continuity of Services Plan.

August 2023

The findings from the most recent stakeholder survey conducted during the week of August 7, 2023, indicated little to no recommended changes from the February 2023 survey findings regarding the Safe Return to In-Person Instruction and Continuity of Services Plan. Stakeholders were given the opportunity in the August 2023 survey to review the information and offer suggestions and/or changes to the current Safe Return to In-Person Instruction and Continuity of Services Plan. The survey was sent to all certified and classified school staff in the district; in addition, the survey was published on the Cumberland County Schools district website and social media platforms (Facebook & X [formerly Twitter]) in an effort to provide the opportunity for a variety of stakeholder input.

The findings from the most recent data collection will be presented to the local Board of Education for approval in August 2023.

2. Describe how the LEA engaged the health department in the development of the revised plan.

The Cumberland County Schools Nursing Supervisor has periodic communication with the local health department and disseminates information either electronically or in-person to school district leadership. The Cumberland County School District follows guidelines issued by CDC regarding student health and safety.

3. Provide the extent to which the LEA has updated adopted policies and a description of any such policies on each of the following health and safety strategies.

<i>Appropriate accommodations for children with disabilities with respect to health and safety policies</i>
<i>Students with disabilities will be provided accommodations as needed based on individual student needs and could be addressed within the Individualized Education Plan if that is determined to be the appropriate measure to be taken. Additional personal protective equipment is provided to classrooms to prevent the spread of disease.</i>
<i>Physical distancing (e.g., use of cohorts/podding)</i>
<i>There are currently no physical distancing guidelines implemented at the twelve schools in Cumberland County.</i>
<i>Hand washing and respiratory etiquette</i>
<i>Signage is posted near restrooms in schools about hygiene and proper hand-washing techniques. Teachers in the younger grades closely monitor student hand washing throughout the school day.</i>
<i>Cleaning and maintaining healthy facilities including improving ventilation</i>
<i>School custodians clean/disinfect frequently touched surfaces throughout the day. In addition, school custodians take steps to ensure all water fountains and water bottle filling stations are cleaned multiple times per day. The school district maintenance department is works to ensure proper ventilation in each classroom.</i>
<i>Contact tracing in combination with isolation and quarantine</i>
<i>The Cumberland County School District does not contact trace in combination with isolation and quarantine. Students or staff should follow the instructions of their Primary Care Provider or the Tennessee Department of Health recommendations.</i>
<i>Diagnostic and screening testing</i>
<i>The Cumberland County School District does not offer COVID-19 testing.</i>
<i>Efforts to provide vaccinations to educators, other staff, and students, if eligible</i>
<i>Relevant information about vaccinations are disseminated to educators, other staff, and students as available and appropriate.</i>
<i>Universal and correct wearing of masks</i>
<i>The wearing of masks in Cumberland County Schools remains optional.</i>

4. Provide a current description as to how the LEA is ensuring continuity of services including but not limited to services that address students’ academic needs and students’ and staff’s social, emotional, mental health, and other needs, which may include student health and food services.

The Elementary and Secondary School Emergency Relief 3.0 (ESSER 3.0) Fund under the American Rescue Plan (ARP) Act of 2021, Public Law 117-2, was enacted on March 11, 2021. Academics

1. Describe strategic allocations to accelerate **Academic Achievement**, including how allocations support the investments identified in the district’s needs assessment.

Tutoring

Intense tutoring opportunities will support the investment of federal funds and was a focus designated on the needs assessment. Interventionists at each school will be used to address learning loss and accelerate learning by looking at individual student needs. High intensity tutoring will also be based on individual student needs. With the allocation, the goal is increased academic student growth and achievement. This will be assessed by district benchmark assessments, state testing data, and this is a district match for TN All Corps Tutoring.

Summer Programs

Summer programming will address learning loss by providing intense interventions in skill deficit areas. Student acceleration will be addressed through enrichment opportunities for student learning. With the allocation, the goal is increased academic student growth and achievement. This will be assessed by the district’s universal screener (AIMSweb), district benchmark assessments (MasteryConnect), and state testing data.

[Cumberland County Foundational Literacy Skills](#)

Interventionists

Interventionists at each CCS school will be used to address learning loss and accelerate learning by looking at individual student needs.

2. Describe initiatives included in the “other” category.

Instructional supplies/materials and instructional software will be utilized in efforts to accelerate learning loss and improve academic achievement for all students across the district.

Student Readiness

1. Describe strategic allocations to support **Student Readiness** and the School-Related Supports necessary to access high-quality instruction, including how allocations support the investments identified in the district’s needs assessment.

N/A.

2. Describe initiatives included in the “other” category.

N/A.

Educators

1. Describe strategic allocations to **Recruit, Retain and Support Educators and School Personnel**, including how allocations support the investments identified in the district’s needs assessment.

N/A.

2. Describe initiatives included in the “other” category.

In-Service/Staff Development provides funding to furnish teachers and staff with much-needed and desired professional development (PD) supports resulting from the adverse impacts of COVID-19. This could include scheduling speakers, trainers, and the associated costs (travel, lodging, mileage, etc.) to bring training opportunities to the district to mitigate the numerous detrimental impacts of COVID-19. This may be accomplished through training including but not limited to: addressing instructional best practices, meeting students' academic and SEL needs, and how to best prepare students to meet the demands of the workforce. This funding may also support the implementation of Capturing Kids' Hearts Leadership Blueprint training for all administrators in the district to facilitate greater awareness of students' diverse needs resulting from the COVID-19 pandemic.

Foundations

1. Describe strategic allocations to **Strengthen Structural Expectations**, including how allocations support the investments identified in the district’s needs assessment.

This strategic allocation will provide much-needed structural space to allow for fine arts classes, provide a place to complete state testing, and allow for student assemblies in a safe manner to mitigate the spread of the virus. It also includes funding for monitoring, data collection, and reporting.

Academic Space (Facilities)

Including but not limited to the upgrade/replacement of HVAC units, climate monitoring controllers, school building additions, air quality monitoring devices, school building renovations, additional playground equipment, etc.

Auditing and Reporting

Salary and benefits of an ESSER bookkeeper for relief funding through the complete cycle of funding; stipend for ESSER Director through FY24.

2. Describe initiatives included in the “other” category.

Office supplies and materials, including but not limited to: binders, paper, ink, and toner to administer the ESSER program. This also includes any related travel expenses for the PreK-8 Supervisor serving as the CCS Learning Loss Coordinator. This category includes the indirect cost funds transferred to CCS general funds.

Monitoring, Auditing, and Reporting

1. Outline how the LEA is continuing to actively monitor allocations; conducting interim audits to ensure an appropriate application of funds; collecting and managing data elements required to be reported; and reporting this information to the community.

The necessary administrative activities may include, but not be limited to: serve as secretary to the Federal Programs Coordinator and the Chief Operations Officer performing routine secretarial duties such as: answering phone, handling correspondence, compiling and typing reports and forms used in federal programs; assist in the establishment of budgets for the varied federal relief grants; upload project budgets, application information, and reports into ePlan; process requisitions and purchase orders for all purchases; check purchases against the purchase orders when they are received in the Central Office and/or schools, check invoice against items received; forward invoices to the payroll clerks.

2. Describe how the LEA is meeting the requirements to spend 20 percent of **the total ESSER 3.0 allocation** on direct services to students to address learning loss, or indicate participation in TN ALL Corps.

The LEA is participating in TN ALL Corps for FY24. In addition, IXL is being provided district-wide to assist in addressing identified student deficits. Schools will work collaboratively in their capacities to address student learning loss and learning acceleration.

Family and Community Engagement

1. Describe how the LEA has continued to engage in meaningful consultation with stakeholders in the development of the revised plan.

A webpage dedicated to ESSER and other relief funds has been placed on Cumberland County Schools website. This webpage includes the posting of all plans and updates. Monthly reports as applicable will continue to be provided during the life of ESSER and other relief funds at BOE meetings by the Director of Schools.

2. Describe how the LEA engaged at minimum 10 percent of the total stakeholders engaged vs. responses received in the development of the revised plan.

A community survey was posted through social media (Facebook & X [formerly Twitter]) at the district and school levels. The survey was also prominently added to the Cumberland County Schools district

webpage. Additionally, the district reached out to our ESL families and conducted a survey via phone to gather their input.

The findings from the data collection and any revisions will be presented to the local Board of Education for approval in August 2023.

3. Describe how the LEA engaged a representation of a diverse population of stakeholders.

All CCS stakeholder groups (students, administrators, teachers, attendance clerks, bookkeepers, receptionists, teacher assistants, custodians, bus drivers, technology, school nurses, food service, maintenance workers, the ESL community, and the general community) were given the opportunity to provide input to the LEA.

4. Describe how the LEA used multiple modes of engagement (such as surveys, scheduled in-person or virtual meetings, and town halls) to gain input from stakeholders in the development of the revised plan.

Surveys and phone calls were the primary modes of engagement to gain input from stakeholders in the development of the revised plan.

Interquest Detection Canines®
(INTERQUEST)
(Cumberland County School, Tennessee)
(The District)

This shall serve as an agreement by and between Interquest Detection Canines® and the DISTRICT for substance awareness and detection services for the period of August 2023 through May 2024.

It is understood that the DISTRICT has established and communicated a policy clearly defining contraband as all drugs of abuse (in the broadest terms), alcoholic beverages, firearms and ammunition, prescription and over-the-counter medication, and that this policy has been disseminated to all campus locations. Violations are considered inimical to the welfare of students and contrary to the DISTRICT'S desire to foster an atmosphere conducive to safety and education.

INTERQUEST shall provide contraband inspection services utilizing non-aggressive contraband detection canines. Such inspections may be conducted on an unannounced basis under the auspices and direction of the DISTRICT administration with INTERQUEST acting as an agent of the DISTRICT while conducting such inspections. Communal areas, lockers, gym areas, parking lots (automobiles), grounds, and other select areas as directed by DISTRICT officials, shall be subject to inspection. Contraband detected on DISTRICT property is the responsibility of the DISTRICT. Suspected drugs of abuse may be field-tested to provide preliminary or presumptive identification of the drug.

INTERQUEST agrees to provide **20 full** day visits for the contract period (between August 2023 through May 2024). The DISTRICT may increase the total number of visits by notifying INTERQUEST in writing. Each full day visit will be **\$550.00**. Multiple canine teams will be charged on a per team basis. DA required court testimony on behalf of the DISTRICT will be charged at the same rate. INTERQUEST will invoice for service on a monthly basis at the conclusion of the service month. The DISTRICT agrees to pay for services within thirty (30) days of receipt of such invoice.

INTERQUEST will schedule DISTRICT visits in conjunction with days designated by the DISTRICT as appropriate for visits. The District will provide a school calendar with inappropriate dates for service noted. This calendar will serve as an addendum to the Agreement. All other dates will be considered acceptable for visits. DISTRICT will be responsible for payment for any visit made on any day other than those days noted as unacceptable on the attached school calendar.

Both parties shall indemnify and hold harmless each other against from any and all claims arising from either's actions or performance under the terms of this Agreement. Each shall indemnify and hold harmless the other against and from any and all claims arising from any acts, negligent or intentional, arising from the performance of this Agreement or by any officer, agent, employee, guest, or invitee of either party, and from all costs, attorneys' fees and liabilities incurred in or about the defense of any claim or any action or proceeding brought thereon.

INTERQUEST is licensed and registered by the U.S. Department of Justice, Drug Enforcement Administration, Texas Department of Public Safety and the Texas Commission on Private Security, c-05527 and other state regulatory agencies as required..

SOUTH CUMBERLAND

EVERY CHILD

EVERY DAY

WELCOME BACK

The South Cumberland faculty and staff have been hard at work getting everything ready for the return of their most favorite people, THE STUDENTS. With well over 500 students registering for the first time online, registration day was a bit different. The hard part was over, and parents and students alike were able to meet their teachers. The 2023 school year has much in store for everyone. New teachers, new schedules, new classes, and new friends await. One thing is for sure, the South Cumberland Rebels are building relationships and making sure the needs are met for EVERY CHILD, EVERY DAY!

With help from the SCES PTO, a wonderful, new LED sign was installed to better relay information to our parents. Thank You!

SCES is proud to offer multiple CTE classes to our 3rd-8th Grade. These classes include: STEM, Human Services, and Ag Science!

SCES has joined the Tennessee Middle School Athletic Association allowing Rebel students to compete in a multitude of sports against other middle schools in the state. Go Rebels!

August 2023

Welcome back to our Coyotes!

Online registration was a brand-new process for all of us. Besides spreading the word through our website and Facebook page, we opened our school building on July 26th and had staff volunteers available to assist parents in completing their child's registration.

August 3rd was the official first day of school. Students and their families came to meet teachers and say hello to friends. Some of us wanted to capture the moment with a first day photo.

And we're off! It's going to be a great year full of learning, growth, discovery, and fun. Buses are ready to transport students, kindergarteners are exploring their new school building, and classes are making memories to last. Happy 2023-2024 school year to all of us.

Monitoring: Review: Annually, in October	Descriptor Term: Service Animals in District Facilities	Descriptor Code: 3.218	Issued Date: 01/26/23
		Rescinds: 3.218	Issued: 02/25/16

1 In accordance with the provisions of the Americans with Disabilities Act, service dogs and trained
2 miniature horses¹ (hereinafter referred to as service animals) are permitted for use by individuals with
3 disabilities on district property and in district facilities provided the individuals and their animals meet
4 the requirements and responsibilities ~~covered in this policy~~, **per federal law.**

5 When an individual with a disability seeks to bring a service animal into a district facility, the district is
6 entitled to ask the individual if the animal is required because of a disability and what work or task the
7 animal has been trained to perform.² The district is not entitled to ask for documentation that the animal
8 has been properly trained, but the individual bringing the animal into a district facility will be held
9 accountable for the animal's behavior.

10 Any service animal brought into a district facility by an individual with a disability must have been
11 trained to do work or perform tasks for the individual. The work or tasks performed by the service animal
12 must be directly related to the **individual's handler's** disability. Examples of work or tasks include, but
13 are not limited to, assisting individuals who are blind or have low vision with navigation and other tasks,
14 alerting individuals who are deaf or hard of hearing to the presence of people or sounds, providing non-
15 violent protection, pulling a wheelchair, assisting an individual during a seizure, alerting individuals to
16 the presence of allergens, retrieving items such as medicine, providing physical support and assistance
17 with balance and stability to individuals with mobility disabilities, and helping persons with psychiatric
18 and neurological disabilities by preventing or interrupting impulsive or destructive behaviors.

19 ~~The crime deterrent effects of an animal's presence and the provision of emotional support, well-being,~~
20 ~~comfort, or companionship do not constitute work or tasks for the purposes of this policy.~~

21 Individuals with disabilities shall be permitted to be accompanied by their service animals in all areas of
22 a public entity's facilities where members of the public, participants in services, programs or activities,
23 or invitees, as relevant, are allowed to go.

24 A service animal shall be under the control of its handler. A service animal shall have a harness, leash,
25 or other tether, unless either the handler is unable because of a disability to use a harness, leash, or other
26 tether, or the use of a harness, leash, or other tether would interfere with the service animal's safe,
27 effective performance of work or tasks, in which case the service animal must be otherwise under the
28 handler's control by means of voice control, signals, or other effective means.

29 District staff may ask an individual with a disability to remove a service animal from the premises if:

30 (1) The animal is out of control and the animal's handler does not take effective action to control it; or

1 (2) The animal is not housebroken.

2 (3) The animal's presence would fundamentally alter the nature of the service, program or activity.³

3 If the district excludes a service animal due to the reasons listed above, the district shall give the
4 individual with a disability the opportunity to participate in the service, program, or activity without
5 having the service animal on the premises.

6 ~~The district and its staff are not responsible for the care or supervision of a service animal brought onto
7 district property or into district facilities by an individual with a disability.~~

8 The district shall not ask or require an individual with a disability to pay a surcharge, even if people
9 accompanied by pets are required to pay fees, or to comply with other requirements generally not
10 applicable to people without pets.

Monitoring: Review: Annually, in November	Descriptor Term: Library Materials	Descriptor Code: 4.403	Issued Date: 07/27/23
		Rescinds: 4.403	Issued: 08/25/22

1 *General*

2 The Director of Schools/Designee shall be responsible for library collection development. Library
3 materials shall be reviewed to ensure the content aligns with state law.¹ The library collection shall adhere
4 to the following criteria:

- 5 1. Materials shall be suitable for and consistent with the educational mission of the school;
6
- 7 2. Materials shall be appropriate for the age and maturity levels of the students who may access
8 them. The determining factor will be based on an assessment of any mature themes or content
9 (i.e., violence, sexual content, vulgar language, substance abuse);
10
- 11 3. Materials shall contain literary, historical, and/or artistic value and merit; and
12
- 13 4. The collection as a whole shall offer a variety of viewpoints.

14 **COMPLAINTS**

15 If a complaint is made by an employee, student, or parent/guardian, this process is to be followed:

- 16 1. Inform the complainant of the selection procedures and make no commitments.
17
- 18 2. Request the complainant to submit a Request for Reconsideration of Library Materials form.
19
- 20 3. Inform the principal (and other appropriate personnel).
21
- 22 4. Keep challenged materials available for use during the reconsideration process.
23
- 24 5. Upon receipt of the completed form, the principal shall notify the Director of Schools.
25
- 26 6. The principal may request review of the challenged materials by an ad hoc materials review
27 committee within ten (10) days. The review committee is appointed by the principal and
28 includes certified library media personnel, representatives from classroom teachers, one or
29 more parents, and may include one or more students. The principal will inform the Director of
30 Schools of the review committee's progress.
31
- 32 7. The review committee shall take the following steps after receiving the challenged materials:
33

- a. Read, view, or listen to the contested material in its entirety;
- b. Check general acceptance of the material by reading recognized and evaluative reviews;
- c. Determine the extent to which the material is appropriate for the age and maturity levels of the students who have access to the materials and whether the material is suitable for, and consistent with, the educational mission of the school;
- d. Complete the appropriate Checklist for Reconsideration of Library Materials, judging the material for its strength and value; and
- e. Present a recommendation to the Director of Schools ~~and the Board~~.

~~8. The Board shall review the recommendation presented by the review committee and make the determination whether the material is appropriate for the age and maturity levels of the students who have access to the materials and whether the material is suitable for, and consistent with, the educational mission of the school.~~

~~9. If it is determined that the material is not appropriate for the age and maturity levels of the students who have access to them or is not suitable for, and consistent with, the educational mission of the school, the Board shall require the school to remove the material from the library collection.~~

Tier Two

The complainant may appeal the principal's decision. The appeal shall be to the Director of Schools. He/she shall review the recommendation presented by the review committee along with the principal's recommendation and make the determination whether the material is appropriate for the age and maturity levels of the students who have access to the materials and whether the material is suitable for, and consistent with, the education mission of the school. [The DOS shall make a determination and notify the complainant.](#)

Tier Three

The complainant may appeal the decision of the Director of Schools. The Board shall evaluate the material to determine whether the material is appropriate for the age and maturity levels of the students who have access to the materials and whether the material is suitable for, and consistent with, the education mission of the school.

If, at any tier, it is determined that the material is not appropriate for the age and maturity levels of the students who have access to them or is not suitable for, and consistent with, the educational mission of the school, the material shall be removed from the library collection.

Monitoring: Date Last Received: 04/08/04	Descriptor Term: Staff Positions	Descriptor Code: 5.116	Issued Date: 05/25/23
		Rescinds: 5.116	Issued: 04/03/08

1 CREATION OF POSITION

2 All staff positions shall be approved through the budget process in accordance with an organizational
3 plan submitted by the Director of Schools.¹ Before an additional position is established, the Director of
4 Schools will present to the Board a job description, qualifications, performance responsibilities and the
5 method by which the performance of these responsibilities will be evaluated.

6 The Director of Schools may revise the organizational plan as long as budgetary amounts are not
7 exceeded and board policy is not violated. In the event of reorganization, the Director of Schools will
8 adhere to all applicable reduction in force guidelines and will inform, in a timely manner, each member
9 of the board of the change and include the change in the Director's report at the next board meeting. If
10 change in personnel creates additional encumbrance on a future budget, prior approval of the Board is
11 required.

12 REDUCTION IN FORCE

13 When it becomes necessary to reduce the number of positions in the system because of a decrease in
14 enrollment or for other good reasons, the Board shall abolish the positions. **The Board or the Director of**
15 **Schools, as appropriate, shall** ~~and~~ dismiss such employees as may be necessary.²

16 Licensed Personnel

17 Reductions in staff will be made according to which have the least detrimental effect on children. ~~In~~
18 ~~general, this objective dictates a staff reduction policy which:~~ **Reductions shall be made in accordance**
19 **with the following:**

- 20 1. Retains the most effective teachers;
- 21 2. Avoids undue increases in class size; and
- 22 3. Provides consideration for the exceptional teacher without exclusive emphasis on seniority.

23 The elimination of a position does not necessarily mean the person occupying the position will be
24 dismissed. When an employee is released, ~~it is the responsibility of the Director of Schools shall make~~
25 **the decision** ~~to make a recommendation to the Board about which employee shall be released and to~~
26 ~~justify the recommendation~~ based upon a composite of the following criteria:

- 27 1. Effectiveness in teaching and in related professional responsibilities evidenced by teacher
28 evaluation;
- 29 2. Adaptability to other assignments (academic and extracurricular);
- 30 3. Evidence of professional growth as well as specialized or advanced training;

- 1 4. Previous history of grade levels and subject areas taught; and
 2 5. Type, length and quality of service made to the teaching profession and the school system.

3 When a teacher is released because of reduction in staff, the teacher shall be given written notice of
 4 release explaining the circumstances or conditions making dismissal necessary.

5 **Non-Licensed Personnel**

6 When a non-licensed employee is released because of a reduction in the number of support positions,
 7 the Director of Schools shall give the employee written notice of dismissal explaining the circumstances
 8 or conditions making termination of employment necessary. ³

9 ~~The contract of each non-licensed employee shall contain a statement regarding the reduction in force~~
 10 ~~policy.~~

11 **RECALL**

12 The Director of Schools shall maintain a preferred re-employment list for tenured teachers whose
 13 position is abolished.³ The fitness of any teacher for re-employment shall be determined on the basis of
 14 the teacher's competence, compatibility and suitability to properly discharge the duties required by the
 15 position with consideration for the best interests of the students in the school where the vacancy exists.²

16 It shall be the responsibility of the separated teacher to notify the Director of Schools in writing of his/her
 17 availability and current address. A professional employee who is placed on the preferred re-employment
 18 list and subsequently refuses ~~the four (4) offers~~ of a comparable position ~~will~~ shall be removed from the
 19 preferred list.⁴

20 ~~Any teacher who has been on the preferred list for re-employment for two (2) consecutive years shall,~~
 21 ~~by April 1 of the second consecutive year, receive notice that the teacher's name shall be removed from~~
 22 ~~the list. The Director shall send the notice to the last known address of the teacher. A teacher who wishes~~
 23 ~~to remain on the preferred list for re-employment after the second year shall notify the Director of~~
 24 ~~Schools in writing by April 15 of the second year and each subsequent year of his or her desire to remain~~
 25 ~~on the preferred list for re-employment.~~⁴

26 Employees returning from layoff shall have all previously accrued sick leave and seniority reinstated,
 27 but shall not receive benefits for the period of the layoff.

Cumberland County Board of Education

Monitoring: Review: Annually, in April	Descriptor Term: Employee Social Media Policy	Descriptor Code: 5.613	Issued Date: 04/05/23
		Rescinds:	Issued:

1 Cumberland County School System (CCSS) respects the right of employees to use social media and networking
2 sites, message boards, and forums, as well as personal websites and blogs, but it is important that employees'
3 personal use of these sites does not damage the reputation of CCSS, its employees, its students, or their families.
4 Social media and networking sites must not be accessed through the CCSS network, with exceptions made for
5 maintaining CCSS-sponsored online communities. Personal usage of social media sites via CCSS devices or
6 personal devices is limited to duty-free breaks and lunch hours.

7 Employees should exercise care in setting appropriate boundaries between their personal and public online
8 behavior, understanding that what is private in the digital world often has the possibility of becoming public,
9 even without their knowledge or consent. CCSS strongly encourages all employees to carefully review the
10 privacy settings on any social media and networking sites they use and exercise care and good judgment when
11 posting content and information on such sites.

12 When posting on message boards or forums, including social media and networking sites, be honest about your
13 identity. If you are authorized to represent CCSS or your school in social media, say so. If you choose to post
14 about CCSS on your personal time, identify yourself as a CCSS employee. In personal posts, be clear that your
15 views are your own, not a representation of CCSS. A common practice among individuals who write about the
16 industry in which they work is to include a disclaimer on their site, usually on their "About Me" page. If you
17 discuss education or other matters relating to CCSS, you may include a sentence similar to this: "The views
18 expressed on this [blog, forum, website] are mine alone and do not necessarily reflect the views of CCSS."
19 Never pretend to be someone else and post about CCSS or a school. Tracking tools enable anonymous posts to
20 be traced back to their authors. There's no such thing as a "private" social media site. Search engines can turn
21 up posts years after the publication date. Comments can be forwarded or copied. Archival systems save
22 information even after posts have been deleted. If you make an error, correct it quickly and visibly. If you feel
23 angry or passionate about a subject, it's wise to delay posting until you are calm and clearheaded.

24 When using a social media site, an employee is strongly discouraged from including current, minor students as
25 "friends," "followers," or any other similar terminology used by various sites. If an employee maintains or
26 participates in a CCSS-sponsored online community that extends to persons who are parents, alumni, or other
27 constituents, s/he must exercise good judgment about any content that is shared on the site.

28 Additionally, employees should adhere to the following guidelines, which are consistent with CCSS' workplace
29 standards on harassment, student relationships, conduct, professional communication, and confidentiality: An
30 employee shall not make statements that would violate any of CCSS' policies, including its policies concerning
31 discrimination, harassment, or obscene material; The employee shall uphold CCSS' value of respect for the

1 individual and avoid making defamatory statements about CCSS, schools, employees, students, or a student's
2 family; An employee will not disclose any confidential information of the District or school or confidential
3 information obtained during the course of his/her employment, about any individuals or organizations,
4 including students and/or their families. If CCSS believes that an employee's activity on a social networking
5 site, blog, or personal website may violate CCSS' policies, CCSS may request that the employee cease such
6 activity. Depending on the severity of the incident, the employee may be subject to disciplinary action.

 3 school functions, as required by the Americans with Disabilities Act, 28 C.F.R. Part 35, subject to the
 4 following:

- 5 1. All requests for an individual with a disability to be accompanied by a service animal must be
 6 addressed in writing to the Director of Schools and must contain required documentation of
 7 vaccinations. This written request must be delivered to the Director of Schools' Office at least
 8 ten days prior to bringing the service animal to school or a school function.

- 9 2. The animal must be a dog or, in specific circumstances, a miniature horse. No other species of
 10 animals, whether wild or domestic, will be permitted in schools as a "service animal."

 13 be handled on a case-by-case basis, considering the type, size, and weight of the service animal
 14 and whether the facility can accommodate these features will be decided on a case-by-case
 15 basis.

 17 environment.

- 18 5. The animal must be "individual trained" to do work or a task for the individual with a
 19 disability.

- 20 6. Owners of service animals are liable for any harm or injury caused by the animal to other
 21 students, staff, visitors, and/or property.

- 22 7. All service animals must be in sufficient control by handler at all times.

- 23 8. A service animal must have a harness, leash, or other tether, unless either the handler is unable
 24 because of a disability to use a harness, leash, or other tether, or the use of a harness, leash, or
 25 other tether would interfere with the service animal's safe, effective performance of work or
 26 tasks, in which case the service animal must be otherwise under the handler's control.

- 27 9. All service animals must be housebroken.

- 28 10. All service animals must be treated for, and kept free of, fleas and ticks.

- 1 11. All service animals must be kept clean and groomed to avoid shedding and dander.

- 6 b. Students with service animals are expected to care and supervise their animal. In the
7 case of a young child or a student with disabilities who is unable to care for or supervise
8 his or her service animal, the parent/guardian is responsible for providing care and
9 supervision of the animal. Issues related to the care and supervision of service animals
10 will be addressed on a case-by-case basis at the discretion of the building administrator.
- 11 13. Owners of a service dog must provide annual proof of the following vaccinations: DHLPPC
12 (Distemper, Hepatitis, Leptospirosis, Parainfluenza, Parvovirus, Coronavirus), Bordetella, and
13 Rabies.
- 14 14. All service dogs must be spayed or neutered.
- 15 15. Owners of service miniature horses must provide annual proof the vaccinations: Equine
16 Infectious Anemia (Coggins Test), Rabies, Tetanus, Encephalomyelitis, Rhinopneumonitis,
17 Influenza, Strangles.
- 18 16. Removal of a Service Animal: A school administrator may ask an individual with a disability
19 or his/her parents/guardians to remove a service animal from a school building, a classroom, or
20 from a school function if any of the following circumstances occur:
- 21 a. The animal is out of control and the animal's handler does not take effective action to
22 control it; or
- 23 b. The animal is not housebroken.
- 24 c. The animal's presence would "fundamentally alter" the nature of the service, program,
25 or activity.
- 26 If a public entity properly excludes a service animal under Sec. 35.136(b), it shall give the individual
27 with a disability the opportunity to participate in the service, program, or activity without having the
28 service animal on the premises. 28 C.F.R. Sec. 35.136 (c).

Dear Director,

In addition to the 100 percent funding made available for State Pandemic Electronic Benefit Transfer (P-EBT) administrative costs under Section 4601 of the *Continuing Appropriations Act, 2021 and Other Extensions Act* (P.L. 116-159), Sec. 721 of the FY 2021 Omnibus and COVID Relief and Response Act (P.L. 116-260), allowed these funds to be sub-awarded to local entities, e.g., operators of the National School Lunch (NSLP), School Breakfast (SBP) Programs, and eligible child care facilities to assist with the administrative costs associated with P-EBT. Such entities may include, schools, local agencies of State, and other local units (i.e., subdivision of local government below the State level that have assisted with local P-EBT program delivery). Funds cannot be reimbursed directly to nonprofit or for-profit organizations; however, should one of these organizations enter a contract or other legal funding arrangement with a school, local agency of the State, or other local unit, funding may be provided accordingly, i.e., through the school, local agency of the State, or other local unit. With respect to eligible childcare facilities, this is expected to be a small population, primarily those facilities that are directly associated with schools or units of local government (e.g., school-based childcare).

General procurement standards: The Non-Federal entity must use its own documented procurement

procedures, which reflect applicable State and local laws and regulations provided that procurements conform to applicable Federal law and the standards identified in this section. The Grantee must maintain oversight over contractors to ensure performance in accordance with the terms, conditions and specifications of their contracts or purchase orders, including written performance standards of its employees engaged in the selection, award, and administration of contracts. The non-Federal entity must award contracts only to responsible contractors possessing the ability to perform successfully under the terms and conditions of a proposed procurement. In accordance with 2 CFR 200.318(j), the non-Federal entity may only use time and material type contracts after a determination that no other contract is suitable and if the contract includes a ceiling that the contractor exceeds at its own risk.

Competition: All procurement transactions must be conducted in a manner providing full and open competition consistent with 2 CFR 200.319.

Based on the state agency payment calculation, we are pleased to announce that **Cumberland County** has been awarded **\$3,256.00** from the State Pandemic Electronic Benefit Transfer (P-EBT) administrative cost grant for the 2023-24 school year. The award will be provided to the SFA via ePlan. Confirm with your trustee's/finance office receipt of these grant funds.

Records pertaining to this grant shall be retained by the Grantee for a period of three years as required under 7 CFR 253.5(h).

If you have any questions, please contact our office at (800) 354-3663. We look forward to working with you in creating ways to help students develop lifelong, healthy eating habits.

Sincerely,

Bill Byford, State Director of School Nutrition Program

7 authority over school system affairs only as they vote to take action at an official meeting of the Board.

9 of the Board at a legally constituted meeting of the Board and recorded in the official minutes of the
10 Board.³

11 In other instances, an individual board member, including the chairman, shall have power only when
12 specified by state law or when the Board, by vote, has delegated authority to him/her.

RE: Inventory Items for Retirement

DATE: August 10, 2023

Dear Mr. Stepp and B.O.E. Members:

Attached you will find a list of inventory items that are slated for retirement. Our SMHS Technology Technician and our School Inventory Auditor have inspected each item. The property no longer serves the staff or students of SMHS or would the property serve another Cumberland County student or employee. Please accept our proposal to retire the items and know that we will follow all proper protocols to dispose of them once approval is granted.

If you have any questions, please feel free to contact us. In an effort to ensure that our inventory is accurate and our school materials records are kept current with fidelity, Mrs. Moore is working diligently to collaborate with others, especially technology, special education, and CTE departments to maintain accuracy through TIP-Web IT.

Respectfully submitted,

Kelly Smith
