July 28, 2020

The Marshall County Board of Education met in special called session on Monday, July 28, 2020, at 6:00 p.m., in the Board Conference Room at Jones School.

Members present were John Daniel Allen, William Bell, Julie Keny Cathey, Kristen Gold, Susan Hunter, Harvey Jones, Heidi McElhane, Robert Warf, and Andy Woodard. No members were absent.

Before beginning discussions on reopening schools, Director Sorrells asked that the rules be suspended to allow Human Resource Supervisor Jennie Carroll, Support Services Supervisor Tres Beasley, Student Services Supervisor Ginger Tepedino, and Coordinated School Health Coordinator/Lead Nurse Veronica Davenport to assist him as he made his presentation. Mr. Sorrells was granted the suspension.

Mr. Sorrells told the board that the State Board of Education approved the system's required Consolidated Learning Plan (CLP).

TSSAA has voted to allow virtual students to participate in athletics. The governor has now issued an executive order to continue contact sports as normal. Therefore, "no extracurricular" will be removed from the school system's virtual contract.

Lunch will be provided to virtual students.

Cornersville Elementary School and Cornersville High School share a nurse, as does Chapel Hill Elementary School and Delk-Henson Intermediate School. Mr. Sorrells feels like every school needs a fulltime nurse during these unusual times. Three open teacher positions are in the budget, so Mr. Sorrells is going to use two of those positions to hire nurses; this will allow each school in the county to have a fulltime nurse

Virtual enrollment deadline was extended to Monday, July 17. As of meeting day, the enrollment numbers for the virtual program are 1,060 out of roughly 5,400 students.

The 2020-2021 school year will begin on Monday, August 3, as approved by the board November 11, 2019.

Mr. Sorrells explained the health rubric the system will be following when a staff member/student is exposed with no symptoms, diagnosed but no symptoms, and diagnosed with symptoms.

Dr. Bell made a motion, with a second by Mr. Jones, to name the Marshall County School System a critical infrastructure workplace. The motion passed 9-0.

The meeting adjourned at 6:52 p.m.

Respectfully Submitted,

Julie Keny Cathey, Chair

Monitoring: Review: Annually, in April	Descriptor Term: <h2 style="text-align: center;">Student Solicitations/Fundraising Activities</h2>	Descriptor Code: 2.601	Issued Date: 12/12/16
		Rescinds:	Issued:

1 The schools shall avoid exploiting students, whether by advertising or otherwise promoting products or
 2 services, soliciting funds or information, or securing participation in non-school related activities and
 3 functions. At the same time, schools shall inform and assist students in learning about programs,
 4 activities or information which may be of help or service to them. To attempt a fair balance, the following
 5 general guidelines will apply:

- 6 1. Fundraising activities are permitted in the individual schools and each activity shall be for the
 7 purpose of supplementing funds for established school programs and not for supplanting funds
 8 which are the responsibility of the public.

- 9 2. No fundraising activities will be conducted without the approval of the director of schools or
 10 his/her designee. No teacher or coach shall be contacted by salesmen during school hours,
 11 without prearrangement through the principal. Student organizations will not conduct fundraising
 12 campaigns without first the approval of the principal, then the director of schools or his/her
 13 designee. Fundraising activities must be requested on a form provided by the director of schools
 14 at least 60 days prior to the proposed fundraiser.

- 15 3. Any commission payable by companies shall be paid in the form of reduced prices to the students
 16 or paid into the activity fund of the school for use by the school. No school employee shall
 17 personally benefit from any fundraising activity.

- 18 4. The principal must obtain written approval from the director of schools or designee for all
 19 fundraising activities, including online fundraising activities, that involve the participation of the
 20 general student population in the marketing process of the fundraising effort. All other
 21 fundraising activities, including online fundraising activities, must have written approval from
 22 the principal and comply with all administrative procedures issued by the director of schools.
 23 The authorization request shall contain the following information:¹
 - 24 1) The proposed fundraising activity(ies);
 - 25 2) Purpose of the fundraising activity;
 - 26 3) Proposed uses of funds raised;
 - 27 4) Expected student involvement in fundraising activity (school-wide or individual class or
 28 club); and
 - 29 5) Margin of profit and how it is to be paid to the school.

- 30 5. The director of schools shall determine whether or not the activity will benefit the school,
 31 contribute to the welfare of the student body and supplement, not replace, funds necessary to
 32 fulfill the board's required contributions.

- 1 6. Students will not be excused from class to participate in a fundraising activity. No grade in a
2 subject or course will be affected by a student's participation in a fundraising activity.
- 3 7. No quotas will be imposed on students involved and their efforts will be voluntary. Students who
