Monitoring: <b>Review: Annually, in September</b>	Descriptor Term:  <b>Agendas</b>	Descriptor Code: <b>1.403</b>	Issued Date: <b>07/12/21</b>
		Rescinds: <b>1.403</b>	Issued: <b>11/09/20</b>

The Executive Committee of the Board shall be responsible for developing an agenda for each board meeting. Any board member may recommend items to be placed on the agenda for discussion. The particular order may vary from meeting to meeting in keeping with the business at hand.

The agenda (which shall include the consent agenda), together with supporting materials, shall be given to board members at least one (1) day prior to the scheduled date of the meeting. The agenda shall be available for public inspection when it is distributed to the board members. At the beginning of each meeting the Board shall, by a majority vote, approve changes in the agenda for the meeting, which may involve the addition to or deletion of items previously included on the agenda. The Board, however, may not revise board policies or adopt new ones, unless such action has been scheduled.

Staff members or citizens of the district may suggest items for the agenda by presenting proposed items to the director of schools or the chairman of the Board.

For items to be considered on the agenda, they must be received in the director of schools' office at least seven (7) business days prior to the scheduled date of the meeting. The person(s) requesting an item on the agenda shall forward any background information to the director of schools' office so that the material will be included in the delivery to the board members prior to the meeting.

Citizens wishing to address the Board must follow guidelines set forth in policy *Appeals to and Appearances Before the Board* (1.404)

## **CONSENT AGENDA**

While developing the agenda, the chair and director of schools shall identify routine or non-controversial items to be placed on the consent agenda, which shall become a part of the regular agenda. If any member objects to including an item on the consent agenda, that item shall be moved to the regular agenda as an action item requiring discussion. The remaining consent items may be adopted in a single vote without discussion.

		Rescinds: <b>1.404</b>	Issued: <b>10/08/12</b>

## 1 APPEALS TO THE BOARD

2 Any matter relating to the operation of the school system may be appealed to the Board. However, the  
3 Board desires that all matters be settled at the lowest level of responsibility and will not hear complaints  
4 or concerns which have not advanced through the proper administrative procedure from the point of  
5 origin.

6 If all administrative channels have been pursued and there is still a desire to appeal to the Board, the  
7 matter shall be referred in writing and the Board shall determine whether to hear the appeal.

## 8 APPEARING BEFORE THE BOARD

9 The executive committee may place individuals on the agenda. Other individuals desiring to appear  
10 before the Board must submit a written request with descriptive materials to the office of the director of  
11 schools seven (7) business days before the meeting. If the request is approved by the Executive  
12 Committee, the item will be placed on the agenda. Individuals placed on the agenda will be recognized  
13 at the meeting and given three minutes to speak. The public may address the board about any concerns  
14 except personnel matters, which are the responsibility of the director of schools.

15 The Board may, at its discretion, waive the seven day rule in case of a situation which makes such notice  
16 impractical or impossible.

17 Delegations must select only one individual to speak on their behalf unless otherwise determined by the  
18 Board.

19 Guidelines for individuals who address the Board:

- 20 1. Those requesting to speak to the Board must have documented evidence that they have followed  
21 the chain of command in addressing this issue.
  - 22 2. Each person speaking shall state his/her name, address, and subject of remarks.
  - 23 3. Individuals speaking to the Board will address their remarks to the chair.
  - 24 4. Individuals may address the Board only on items that the Board can take action on.
  - 25 5. No response is necessary by the Board or any board member.
  - 26 6. If appropriate, the Board or the director of schools will respond at a later date.
  - 27 7. Time is not transferable to another individual.
  - 28 8. Name calling, personal attacks, profanity, threats, verbal abuse, or disruption of the orderly  
29 meeting process will result in the individual or group being asked to leave the meeting.
-

1 Individuals desiring additional information about any item on the agenda shall direct such inquiries to  
 2 the office of the director of schools.

3 Public Comment Period <sup>2</sup>

4 There shall be a public comment period for each meeting with actionable items on the agenda, with the  
 5 exception of teacher disciplinary hearings. Comments shall be limited to topics listed on the agenda.  
 6 The total public comment period shall be for no more than ten (10) minutes. If an individual wishes to  
 7 address the Board during the public comment period, he/she must contact the director the Wednesday  
 8 prior to the school board meeting. If Wednesday is a holiday, then sign-ups will be Thursday prior to  
 9 the meeting. Each speaker shall be given no more than two (2) minutes. Delegations shall select only  
 10 one (1) individual to speak on their behalf unless otherwise determined by the Board.

Here are the buses we would like to get rid of as well as 2 of the maintenance trucks.

They all have major engine problems. Engines would need to be replaced and we don't believe the buses themselves are worth a 35,000 engine.

		Rescinds: <b>2.601</b>	Issued: <b>12/12/16</b>

1 The schools shall avoid exploiting students, whether by advertising or otherwise promoting products or  
 2 services, soliciting funds or information, or securing participation in non-school related activities and  
 3 functions. At the same time, schools shall inform and assist students in learning about programs,  
 4 activities or information which may be of help or service to them. To attempt a fair balance, the following  
 5 general guidelines will apply:<sup>1</sup>

- 6       1. Fundraising activities are permitted in the individual schools and each activity shall be for the  
 7       purpose of supplementing funds for established school programs and not for supplanting funds  
 8       which are the responsibility of the public.
  
- 9       2. No fundraising activities will be conducted without the approval of the director of schools or  
 10       his/her designee. No teacher or coach shall be contacted by salesmen during school hours,  
 11       without prearrangement through the principal. Student organizations will not conduct fundraising  
 12       campaigns without first the approval of the principal, then the director of schools or his/her  
 13       designee. Fundraising activities must be requested on a form provided by the director of schools  
 14       at least 60 days prior to the proposed fundraiser.
  
- 15       3. Any commission payable by companies shall be paid in the form of reduced prices to the students  
 16       or paid into the activity fund of the school for use by the school. No school employee shall  
 17       personally benefit from any fundraising activity.
  
- 18       4. The principal must obtain written approval from the director of schools or designee for all  
 19       fundraising activities, including online fundraising activities that involve the participation of the  
 20       general student population in the marketing process of the fundraising effort. All other  
 21       fundraising activities, including online fundraising activities, must have written approval from  
 22       the principal and comply with all administrative procedures issued by the director of schools.  
 23       The authorization request shall contain the following information:<sup>2</sup>
  - 24           1) The proposed fundraising activity(ies);
  - 25           2) Purpose of the fundraising activity;
  - 26           3) Proposed uses of funds raised;
  - 27           4) Expected student involvement in fundraising activity (school-wide or individual class or  
 28           club); and
  - 29           5) Margin of profit and how it is to be paid to the school.
  
- 30       5. The director of schools shall determine whether or not the activity will benefit the school,  
 31       contribute to the welfare of the student body and supplement, not replace, funds necessary to  
 32       fulfill the board's required contributions.

- 1        6. Students will not be excused from class to participate in a fundraising activity. No grade in a  
2        subject or course will be affected by a student's participation in a fundraising activity.
- 3        7. No quotas will be imposed on students involved and their efforts will be voluntary. Students who  
4        do not participate in fundraising activities will not be punished or discriminated against in any  
5        way.
- 6        8. Community Service Projects: The Board wishes to encourage the involvement of students in  
7        civic and charitable endeavors for the betterment of our community. Therefore, community  
8        service projects are permitted if they are student PTO/PTA/Booster club led. The principal must  
9        approve all community service projects initiated. Some examples of these might be Angel Tree,  
10       can drives, blood drives, environmental community projects, etc.
- 11       9. Dismissal from school for participation in fundraisers is not allowed.
- 12       10. The Marshall County Board of Education does not endorse door-to-door solicitations.

13 This policy shall not be construed as preventing a teacher from using instructional or informational  
14 materials even though the materials might include reference to a brand, product or a service.

#### 15 **LOTTERIES**

16 No fundraising activity shall be conducted which distributes prizes or makes awards to winners from  
17 among purchasers of chances by means of tickets or otherwise through a random drawing or other  
18 random selection process.<sup>3</sup>

#### 19 **ONLINE FUNDRAISING**

20 Individual schools may establish school-wide online fundraising accounts. The accounts must meet all  
21 fundraising requirements established by the board and the *Internal School Uniform Accounting Policy*  
22 *Manual*. The principal/designee of each school shall have access to the established fundraising account  
23 to ensure all funds are properly accounted for, and the information is recorded in the school's accounting  
24 records by the designated personnel. Online fundraising shall not be used on behalf and for the benefit  
25 of an outside party.

26 Employees shall not engage in online fundraising in their official capacity as district employees nor make  
27 any reference to non-school sponsored fundraisers, online or otherwise, that would lead another to  
28 believe such activity is an approved school fundraiser.

#### 29 **FUNDRAISING FOR NONEDUCATIONAL PURPOSES<sup>4</sup>**

30 On approval of the principal, an employee may be authorized to raise and use funds for the following  
31 noneducational purposes:

- 32        1. Bereavement support;
- 33        2. Award recognition;
- 34        3. Employee morale;
- 35        4. Banquets; or

- 1           5. Other situations at the principal's discretion.
- 2   These funds shall be derived from vending machine revenue, donations or employee-staffed concession
- 3   stands.
- 4   The Director of Schools shall develop administrative procedures regarding the receipt, disbursement,
- 5   accounting, and auditing of these noneducational funds. The Director of Schools shall ensure that the
- 6   procedures are consistent with board policy and state law and disseminate them to all employees.

Monitoring: <b>Review: Annually, in November</b>	Descriptor Term:  <b>Field Trips and Excursions</b>	Descriptor Code: <b>4.302</b>	Issued Date: <b>11/09/20</b>
		Rescinds: <b>4.302</b>	Issued: <b>01/11/00</b>

1 Field trips designed to stimulate student interest and inquiry and to provide opportunities for social  
2 growth and development are considered appropriate extensions of the classroom.

3 To be educationally beneficial, a field trip requires thoughtful selection, careful advance preparation of  
4 the class, and opportunities for students to summarize the experience at the conclusion of the trip. To  
5 this end, teachers and principals will be expected to consider the following factors in selecting field trips:

- 6 1. Relationship of the field trip activity to a particular aspect of classroom instruction;
- 7 2. Distance traveled in terms of the age level of the students;
- 8 3. Mode and availability of transportation; and
- 9 4. Cost.

10 The following guidelines shall be followed in planning and conducting field trips and excursions:

- 11 1. Any teacher desiring to take a group of students on an educational field trip must obtain advance  
12 approval of the principal;
- 13 2. The trip must have a definite purpose and reflect careful planning. Students should be prepared by  
14 general class discussion and/or research;
- 15 3. If bus transportation is required, the principal or his/her designee shall make the necessary  
16 arrangements. A fee will be charged to the school for mileage when school system buses are used;
- 17 4. Signed parental permission forms must be obtained for every student making an off-campus trip  
18 beyond the immediate vicinity of the school. The principal shall ensure that these forms are kept on  
19 file for the remainder of the school year. The form for parental permission must include: purpose,  
20 date, time of departure and return, travel plans, destination, number of chaperones, personal expense  
21 involved, rules of conduct and penalties for violation, and other facts necessary for parents to be fully  
22 informed. This information is to be completed by the school before the form is signed by the parent;
- 23 5. Overnight educational trips and chaperones must be approved by the principal and the director of  
24 schools in advance. These groups must be accompanied by at least one regular staff member and  
25 others from the school who are appropriate for adequate supervision and shall be responsible for  
26 student conduct while away. Whenever possible, a group should be accompanied by at least one  
27 female and one male chaperone if the trip is for a mixed group;

- 1 6. Students shall not be penalized for participating in approved school-sponsored trips and activities.  
2 Teachers shall permit students to make up class assignments missed because of a trip or activity.
- 3 7. All accidents that occur on a school-sponsored trip must be reported by the teacher to the principal  
4 immediately upon returning to school. Serious accidents involving personal injury must be reported  
5 immediately to the principal and/or director of schools. An emergency shall be dealt with promptly  
6 by the teacher or other members of the school staff by taking appropriate action, including sending  
7 the student to the hospital or summoning medical aid or ambulance. In cases where it is necessary to  
8 send the student to the hospital, reasonable effort must be made to notify the parents.
- 9 8. Any school-sponsored trip not meeting the “educationally beneficial” criteria as defined in this  
10 section must have prior approval of the director of schools or his/her designee;
- 11 9. Any school-sponsored trip which is both out-of-state and overnight must have prior approval by the  
12 Board.

### 13 **INDEPENDENTLY PLANNED TRIPS**

14 Trips privately planned by school district employees, acting outside the scope of their employment, are  
15 not authorized by the school district.

16 These trips are not approved by the Board and are not considered a part of the curriculum. Total  
17 responsibility for privately planned trips rests with the chaperone(s) as well as with the  
18 parent(s)/guardian(s) of the students participating in the trip. The following restrictions shall apply:

- 19 1. Board funds or resources shall not be used;  
20 2. School district materials shall not be used;  
21 3. The Board shall not assume any liability;  
22 4. Employees are not authorized to act on behalf of the school district;  
23 5. Recruitment efforts made by an employee shall not occur during the instruction school day; and  
24 6. Absences caused by participation in privately planned trips shall be considered unexcused.
