MISSION

Cultivate the knowledge and skills that empower our students to achieve their full potential as lifelong learners and contributing global citizens.

ABOUT GMSD

Germantown Municipal School District (GMSD) serves more than 5,800 students across seven schools in Germantown, Tennessee. Known for academic excellence, strong parent involvement, and a focus on the whole child, GMSD includes three elementary schools (K-5), one K-8 school, one middle school (6-8), one high school (9-12), and an online learning academy. Since launching in 2014, the district has consistently ranked among the top public school systems in the state.

INVESTED IN WHAT MATTERS

This year's budget represents more than operational needs—it's a commitment to the bold goals in our Strategic Plan, from narrowing achievement gaps to recruiting and retaining top talent.

Over 75% of our budget is invested in people—because research tells us an effective teacher is the most impactful factor in student success. This plan reflects that priority.

BUDGET HIGHLIGHTS

GENERAL FUND REVENUES OVERVIEW

The Germantown Municipal School District (GMSD) receives funding from several key sources. The three primary revenue streams are:

STATE EDUCATION FUNDING

The Tennessee Department of Education implemented a new K-12 funding model called the Tennessee Investment in Student Achievement (TISA), replacing the former Basic Education Program (BEP). For FY 2027, TISA funding is projected to increase by \$200,000 for GMSD.

COUNTY FUNDING

Shelby County provides education funds through two primary tax sources:

- Property Taxes: Allocated to school districts based on Weighted Full-Time Equivalent Average Daily Attendance (WFTEADA).
- Sales Taxes: Half of all local sales tax collections are designated for education and distributed using the same WFTEADA formula.

CITY FUNDING

The City of Germantown provides a \$3.1 million maintenance of effort (MOE) contribution to GMSD annually.

BUDGET HIGHLIGHTS

ENROLLMENT

The District's enrollment projections for FY 2027 are estimated using FY 2026 enrollment data and enrollment applications made during open enrollment for the FY 2027 school year. Projected enrollment for FY2027 is 5,800.

RESOURCE MANAGEMENT

During the budget development process, GMSD will allocate additional resources in alignment with strategic plan goals. Resources will be allocated to departmental functions for engaging, challenging, and innovative academics; student readiness and safety; to recruit, develop, and retain exemplary staff; to enhance community partnerships; and for other needs.

SCHOOL SAFETY

OVERVIEW:

Each year school districts across the state are awarded Safe Schools Grants. These monies are used to increase school safety awareness as well as to purchase equipment to help GMSD students, faculties, and stakeholders feel safe while on campus. In recent years, we have used a portion of the grant to upgrade and/or replace the security cameras on the exterior and interior of each campus. We have recognized that cell phone coverage is inconsistent on our campuses and realize that phone communications are an essential part of any emergency plan. Each year our School Resource Officer Supervisor attends a national conference where school systems across the nation listen to real life emergency preparedness events and participate in round table discussions to identify programs and procedures that we may be able to implement in GMSD.
