**TNStrong Youth Summit
Chattanooga, TN
July 19-21, 2026**

Students at HCfHS are invited to attend the 2026 Youth Summit in Chattanooga TN. Approximately 21.6% of Tennessee high school students vape, more than double the national rate of roughly 10%. TNStrong works to discourage the use of vapes and tobacco usage by encouraging their peers to live healthy, clean lives. The Youth Summit helps students build the knowledge, skills, and confidence to lead the fight.

Over the course of this three-day conference, students will have the opportunity to hear from leading tobacco prevention experts as well as network with like-minded peers from across the state. The goal is that students will depart feeling fueled and equipped to reach peers and adults in the continuing effort to protect people from the harmful effects of tobacco use.

Students will stay at a hotel close to the Chattanooga convention center. All accommodations, transportation, and meals are provided by TNStrong. 1 male and at least 1 female HC employee will chaperone the event. Given time and availability, students may also be allowed to visit Chattanooga historical sites and attractions.

Cutaway starting system trainer

ConsuLink GM 1.4L Engine trainer, AC & Stop-Start

The first ConsuLab engine bench to ever have 2 pedals, brake and accelerator. You can now do stall tests and load the engine; you can perform a basic "road test" within your classroom going up to 20mph which allows Stop-Start to function ! Combine this with the new ConsuLink™ student learning platform to enhance student engagement and use this bench to teach advanced driveability, engine performance and HVAC (air conditioning).

WHAT IS CONSULINK™?

ConsuLink™ changes the way that you and your students interact with our products. Instead of relying on switches and dials to turn on and off and adjust faults or different scenarios with the engine bench, they are now accessible through a touchscreen on the front of the trainer.

Student benefits

Through ConsuLink™ students gain access to safety warnings, component locator, wiring schematics, basic operating instructions, **Case Studies** and more. The students can autonomously activate each case study which will automatically adjust the engine bench to the preset parameters, give them the customer complaints and instructions on what to do, thus liberating instructor time. Students can proceed through these case studies on their own and bring the results to you their instructor. They bring their scan tool, service info, multimeter/oscilloscope, and their desire to learn, and ConsuLink™ will help with the rest!

Teacher benefits

ConsuLink™ holds all the information necessary to make teaching with the engine bench easy, once you enter your teacher pin or unlock it with the provided access key, you gain access to the answer keys to all the student case studies, you also gain access to numerous lessons with pre-selected fault values instructions, basic lesson plan, types of demonstrations that can be done, all **vetted out and proven by our team to save you time**. You gain access to faulted schematics, the ability to create your own case studies (through manual fault insertion), along with all the other information available through the student menus.

EDUCATIONAL ADVANTAGES

- Perform a basic "road test" in your classroom and demonstrate the **Stop-Start** and engine auto-stop features. By attaining all the **enabled criteria** you can force the engine to **auto-stop** at a "red light/stop sign". You can then demonstrate all the different disable criteria that turns the system off.
- Equipped with **OEM HVAC system** and dash controls.
- Tablet-based ConsuLink™ Student Learning Platform designed to enhance student engagement.
- Trainer touchscreen can be mirrored to a TV or projector via HDMI out port.
- Stall test can be performed by depressing both accelerator and brake pedals simultaneously, this can be used to demonstrate loading the engine and for **misfire detection**.
- OEM Instrument panel with all indicator lights
- **ECM Break Out Box** matching OEM circuit pin identification with 2mm test receptacles
- Engine systems respond to inserted faults with real world symptoms, OEM DTC's, scan tool data-stream PID changes and check engine light operation
- A **DLC** (datalink connector) **Break Out Box** specifically designed for use in educational environments with robust 2mm test pins and LED activity indicators for all 16 pins of a standard OBDII DLC

1 **ALTERNATIVE WORK ASSIGNMENT**

2 During an investigation of any accusations that may lead to further disciplinary action, the Director of
3 Schools or his/her designee, may choose to reassign the impacted employee to a different work
4 location and/or duties. This alternative work assignment would last until the investigation is complete
5 and any findings are used to determine what, if any, further action is necessary. Alternative work
6 assignments may be designated in lieu of suspending an employee without pay, as deemed appropriate
7 by the Director of Schools or his/her designee.

8 **SUSPENSION PENDING AN INVESTIGATION ¹**

9 The director of schools may suspend a teacher at any time that may seem necessary, pending
10 investigation or final disposition of a case before the board or an appeal. If the matter under investigation
11 is not the subject of an ongoing criminal investigation or a department of children's services
12 investigation, and if no charges for dismissal have been made, a suspension pending investigation shall
13 not exceed ninety (90) days in duration. Under no circumstances shall the director of schools suspend a
14 teacher with pay. If vindicated or reinstated, the teacher shall be paid full salary for the period of
15 suspension.

16 **SUSPENSION OF THREE DAYS OR LESS ^{2,3}**

17 A director of schools/designee may suspend a teacher for incompetence, inefficiency, neglect of duty,
18 unprofessional conduct and insubordination. Before an employee is suspended he/she shall be: (1)
19 provided with written notice, including the reasons for the suspension along with an explanation of the
20 evidence; (2) given an opportunity to respond to the director at a conference, if requested within five
21 (5) days; and (3) given a written decision of the suspension within ten (10) days. Both parties may be
22 represented by counsel at the conference, which shall be recorded.

23 Under no circumstances shall a director of schools suspend a tenured teacher with pay. If reinstated, the
24 tenured teacher shall be paid full salary for the period of suspension, unless suspension without pay is
25 deemed to be an appropriate penalty.

26 **DISMISSAL OR SUSPENSIONS GREATER THAN THREE DAYS⁴**

27 The Board shall maintain a list of qualified individuals who have indicated a willingness to act as
28 impartial hearing officers, as defined under Tennessee law.

29 When charges are made against a tenured teacher, charging the teacher with offenses which may justify
30 dismissal or a suspension greater than three days, the charges shall be made in writing, specifically stating
31 the offenses which are charged and shall be signed by the party or parties making the charges.

If, in the opinion of the Board, the charges are of such nature as to warrant the release or a suspension greater than three days of the teacher, the director of schools shall give the teacher a written notice of this decision, a copy of the charges against the teacher, and a copy of a form provided by the Commissioner of Education advising the teacher of his/her legal duties, rights and recourse.

A tenured teacher who has been given notice of charges against him/her may within thirty (30) days after receipt of notice give written notice to the director of schools of his/her request for a hearing.

The director of schools shall, within five (5) days after receipt of request, assign a hearing officer from the list maintained by the Board.

The hearing officer shall notify the parties, or their attorney, of the officer's assignment and direct the parties or the attorneys for the parties, or both, to appear before the hearing officer for simplification of issues and the scheduling of the hearing. That hearing shall be set no later than thirty (30) days following receipt of the initial request for a hearing. In the discretion of the hearing officer, all or part of any prehearing conference may be conducted by telephone if each participant has an opportunity to participate, be heard, and to address proof and evidentiary concerns. The hearing officer is empowered to issue appropriate orders and to regulate the conduct of the proceedings.

Either party may appeal to the Board of Education an adverse ruling by giving written notice of appeal within ten (10) working days of the hearing officer's delivery of the hearing officer's written findings and conclusions. The director of schools shall prepare a copy of the proceedings, including all transcripts and evidence, documentary or otherwise, and transmit the same to the Board within twenty (20) days of the receipt of the notice of appeal.

The Board shall hear the appeal on the record, and no new evidence may be submitted by either party. The appealing party may appear before the Board to argue why the adverse ruling should be over-turned. In no event should such argument last more than fifteen (15) minutes, unless the Board should vote to extend additional time. At the conclusion of the hearing, any member of the Board may vote to sustain the decision of the Hearing officer, send the record back for additional evidence, revise the penalty or reverse the decision. The Board shall render its decision within ten (10) working days after the conclusion of the hearing. In the event that the decision of the Board is appealed to the Chancery court, the Board shall transmit the entire record prepared by the director and reviewed by the Board to the Chancery court for its review.

RESIGNATION

A teacher shall give the director of schools notice of resignation at least thirty (30) days before the effective date of the resignation. A teacher who fails to give such notice, in the absence of justifiable extenuating circumstances, shall forfeit all tenure status. The Board may waive the thirty (30) days' notice requirement and permit a teacher to resign in good standing.⁵

The conditions under which it is permissible to break a contract with the Board are as follows:⁶

1. The incapacity on the part of the teacher to perform the contract as evidenced by the certified statement of a physician approved by the Board;

2. The release by the Board of the teacher from the contract which the teacher has entered into with the Board.

Any teacher on leave shall notify the director of schools in writing at least thirty (30) days prior to the date of return if the teacher does not intend to return to the position from which he/she has taken leave. Failure to render such notice may be considered a breach of contract.⁷

Upon a breach of contract, the Board, upon a motion recorded in its minutes, may file a complaint with the State Board of Education and request the suspension of a teacher's certificate. After the State Board of Education has provided the teacher an opportunity for defense during a hearing, the State Board of Education may suspend the certificate for no less than thirty (30) and no more than three hundred sixty-five (365) days.⁸

RETIREMENT

Retirement shall mean a termination of services under conditions which will allow the employee to draw benefits from retirement plans and/or social security benefits. Employees eligible for retirement benefits may elect to retire at any age according to the provisions of the retirement system.

Central office personnel shall assist employees in securing retirement benefits; however, it shall be the responsibility of the retiring employee to provide verification of eligibility in writing from TCRS to the central office. The employee may appeal the decision to the Board within ten (10) working days of the hearing officer rendering the written decision to the employee. Written notice of appeal to the Board shall be given to the director of schools. Within twenty (20) days' of receipt of notice, the director shall prepare a copy of the proceedings, transcript, documentary and other evidence presented and provide the Board a copy of the same.

3. revise the penalty or reverse the decision.

Before any decision to dismiss is made, a majority of the membership of the Board shall concur in sustaining the charges. The Board shall render a decision on the appeal within ten (10) working days after the conclusion of the hearing.

NONRENEWAL

Non-tenured teachers are subject to the same rules and regulations and are entitled to the privileges of employment enjoyed by tenured teachers except that they have no claim upon continuing employment or tenure protections.

The principal is responsible for discussing deficiencies as part of the evaluation process with the non-tenured teacher and providing assistance for overcoming these deficiencies.

The director of schools is under no obligation to re-employ non-tenured teachers at the end of their contract period. If the director of schools determines not to renew the contract of a non-tenured teacher, the following action shall be taken:

1. The Board shall be notified at the next regular board meeting; and
2. Written notice of non-renewal shall be sent to the teacher by certified mail or overnight carrier, or by email within five (5) business days following the last instructional day for the school

Hickman County Board of Education			
	Descriptor Term: Sick Leave	Descriptor Code: 5.302	Issued Date: 02/03/25
		Rescinds: 5.302	Issued: 12/05/22

LICENSED PERSONNEL

The time allowed for sick leave for professional personnel shall be one (1) day for each month employed during the school year and shall accumulate for an unlimited number of days.¹

Sick leave shall be defined as: illness of a teacher from natural causes or accident, quarantine, or illness or death of a member of the immediate family of a teacher, including the teacher's wife or husband, parents, grandparents, children, grandchildren, brothers, sisters, mother-in-law, father-in-law, daughter-in-law, son-in-law, brother-in-law, and sister-in-law.²

A signed statement listing the cause of absence shall be provided by the employee on forms furnished by the director of schools and shall promptly be given to the immediate supervisor in support of all claims for sick leave pay. A falsified statement shall be grounds for dismissal. An employee absent for five (5) consecutive working days shall submit a doctor's statement verifying illness or injury of the employee or immediate family member.

Frequent use and/or suspected misuse of sick leave by an employee are sufficient grounds for requiring a physician's certificate stating the reason for absence.

A certificate from the physician on forms furnished by the Board may be required in support of any claim for sick leave pay.

In case of doubt, the Board of Education shall have final authority as to who is entitled to leave under this section and the time for which the leave may be allowed.

A teacher in need of sick leave shall be allowed to use unearned sick leave up to the amount of days which such teacher may accumulate during the remainder of the school year in which he is employed. Such advance use of sick leave shall be charged to sick leave accumulated in the same school year.

Upon termination of the employment of such teacher-before-such-days are earned or at the end of the school year, there shall be deducted from the final salary of each teacher an amount based on his daily rate of pay sufficient to cover the excess sick leave days used by him and if such final salary is insufficient for this purpose the teacher shall be liable for reimbursement of any amount in excess of his final salary.

The principal shall notify the director of schools' office at once if an employee is sick beyond the limit of his/her sick leave accumulation. The substitute teacher, beyond this point, must have a certificate or permit and must be paid according to the state salary scale.

Permanent, cumulative sick leave records for each active professional employee shall be kept in the director of schools' office.

A teacher, upon employment, may transfer his/her accumulated sick leave from another Tennessee school system, provided that the director of schools of the system in which the accumulated leave was held provides notarized verification.³

SUPPORT PERSONNEL

Sick leave shall be the same for support personnel as for certified employees.

REASONABLE SUSPICION DRUG TESTING

~~Trained supervisors have the responsibility to observe and document the cause for reasonable suspicion and when appropriate, refer the matter to the director of schools/designee. It is not the supervisor's responsibility to attempt diagnosis. All information, facts and circumstances leading to and supporting this suspicion should be included in a written report detailing the basis for the suspicion. After the report is filed, the employee should be notified.~~

If a supervisor observes or receives a report of conduct suggesting a potential violation of Policy 1.804, Alcohol & Drugs in the Workplace, the supervisor shall promptly inform the Director/designee. Upon reasonable suspicion that an employee's job performance or behavior may be impaired by illegal drugs, including improper use of prescribed drugs, or alcohol, the Director/designee may require the employee to undergo drug or alcohol testing.

An employee who is required to submit to drug or alcohol testing based upon reasonable suspicion and refuses shall be charged with insubordination, and necessary procedures will be taken to terminate the employee in accordance with board policy, and state law, where applicable.

An employee who tests positive on a reasonable suspicion test will be in violation of this policy and subject to termination.

The Director or his/her authorized designee are the only individuals in the district authorized to make the determination that reasonable suspicion or cause exists to order a drug screen and are the only individuals who may order an employee to submit to a drug screen.

Two types of cases for which reasonable suspicion procedures may be invoked are:

1. Chronic Case: Deteriorating job performance or changes in personal traits characteristics where the use of alcohol or drugs may be reasonably suspected as the cause.

Acute Case: Appearing in a specific incident or observation to then be under the present influence of alcohol or drugs, or investigation of an accident where the use of alcohol or drugs is reasonably suspected to be a contributing cause

Any employee may be required to submit to substance screening if the following conditions exist: (list is not inclusive)

1. Observed use, possession or sale of illegal drugs and/or use, possession, sale, or abuse of

alcohol and/or prescription drugs.

2. Apparent physical state of impairment of motor functions.
3. Marked changes in personal behavior not attributed to other factors.
4. Employee involvement in or contribution to an accident where the use of alcohol or drugs is reasonably suspected or employee involvement in a pattern of repetitive accidents whether or not they involve actual or potential injury.
5. Violation of criminal statutes involving the use of illegal drugs, alcohol or prescription drugs and/or violations of drug statutes.

Working hours include all breaks. Off-duty use of drugs and alcohol is prohibited to the extent that it affects driver's attendance or performance and his/her ability to pass required DOT alcohol and controlled substance tests. Any violation of this policy is grounds for termination as employee of the Board and possible legal prosecution.

The use of any prescription drug that could affect the central nervous system or one that would impair reaction time shall be reported to the director of schools/director of transportation. Notice shall be given of non-prescription (over-the-counter) drugs being taken on a regular basis. The notice shall include the duration of ingestion and the possible side effects.

Procedures

The execution and enforcement of this policy will follow set procedures to screen bodily fluids, conduct breath testing, and/or search all employee/applicants for alcohol and drug use, and those employees suspected of violating this policy who are involved in a reportable accident or who are periodically or randomly selected. The procedures are designed not only to detect violations of this policy, but also to ensure fairness to each employee. Disciplinary action will be taken as necessary.

Implementation

The director of schools/director of transportation is authorized to implement this policy and procedures for the drug testing program, including a periodic review of the program to address any problems, changes and/or revisions of it, maintenance of all records required by the federal regulations, and

determination upon Board approval of how the program will be accomplished, whether in-house, contracted or by consortium.

The schools shall avoid exploiting students, whether by advertising or otherwise promoting products or services, soliciting funds or information, or securing participation in non-school related activities and functions. At the same time, schools shall inform and assist students in learning about programs, activities or information which may be of help or service to them. To attempt a fair balance, the following general guidelines will apply:¹

2. Fundraising companies and other salespersons shall obtain permission in writing from the director of schools' office to visit the schools.
3. Any commission payable by companies will be paid in the form of reduced prices to the students, or paid into the activity fund of the school for use by the school. No school employee shall personally benefit from any fundraising activity.
4. The principal must obtain written approval from the director of schools or designee for all fundraising activities that involve the participation of the general student population in the marketing process of the fundraising effort. All other fundraising activities must have written approval from the principal and comply with all administrative procedures issued by the director of schools. The authorization request shall contain the following information:²

5. The director of schools shall determine whether or not the activity will benefit the school, contribute to the welfare of the student body and supplement, not replace, funds necessary to fulfill the board's required contributions.
6. The director of schools will inform the Board of any approved fundraising activity. Authorization requests and the director's letter of approval shall be provided to the Board before the fundraising activity is implemented.

7. Students will not be excused from a regular class to participate in a fundraising activity. No grade in a subject or course will be affected by a student's participation in a fundraising activity.
8. No quotas will be imposed on students involved and their efforts will be voluntary. Students who do not participate in fundraising activities will not be punished or discriminated against in any way.
9. Principals shall submit an annual report on fundraising activity to the director of schools and to the Board which will indicate the gross amount of funds raised and the net profit realized.

This policy shall not be construed as preventing a teacher from using instructional or informational materials even though the materials might include reference to a brand, product or a service.

LOTTERIES

No fundraising activity shall be conducted which distributes prizes or makes awards to winners from among purchasers of chances by means of tickets or otherwise through a random drawing or other random selection process.³

ONLINE FUNDRAISING

Individual schools may establish school-wide online fundraising accounts. The accounts must meet all fundraising requirements established by the board and the *Internal School Uniform Accounting Policy Manual*. The principal/designee of each school shall have access to the established fundraising account to ensure all funds are properly accounted for, and the information is recorded in the school's accounting records by the designated personnel. Online fundraising shall not be used on behalf and for the benefit of an outside party.

Employees shall not engage in online fundraising in their official capacity as district employees nor make any reference to non-school sponsored fundraisers, online or otherwise, that would lead another to believe such activity is an approved school fundraiser.

FUNDRAISING FOR NONEDUCATIONAL PURPOSES⁴

On approval of the principal, an employee may be authorized to raise and use funds for the following noneducational purposes:

1. Bereavement support;
2. Award recognition;

- 1 These funds shall be derived from vending machine revenue, donations, or charitable organizations.
- 2 The Director of Schools shall develop administrative procedures regarding the receipt, disbursement,
- 3 accounting, and auditing of these noneducational funds. The Director of Schools shall ensure that the
- 4 procedures are consistent with board policy and state law and disseminate them to all employees.
- 5 **RECORDKEEPING¹**
- 6 The Director of Schools/designee shall ensure that the appropriate records are maintained for each
- 7 fundraising activity and shall be responsible for collecting and maintaining the appropriate documents
- 8 that show the approving, tracking, and monitoring of each fundraising activity from beginning to end.
