# GENERAL FUND REVENUE

The three major sources of revenue for Collierville Schools are the State of Tennessee, Shelby County Government, and the Town of Collierville.

State of Tennessee funds consist primarily of Basic Education Program (BEP) funds. The Tennessee Department of Education provides three estimates (April, May, and June) and then the final amount is distributed in July. BEP funding is based on average daily membership (ADM) of students weighted for the 2<sup>nd</sup>, 3<sup>rd</sup>, 6<sup>th</sup>, and 7<sup>th</sup> attendance periods.

Shelby County Government funds come from two primary sources: property tax and sales tax. Educational revenues are shared between the Shelby County school system and municipal school districts based on the Weighted Full Time Equivalent Average Daily Attendance (WFTEADA) formula developed by the Tennessee Department of Education. The WFTEADA percentage varies each year for each of the school districts. Collierville Schools' WFTEADA for the 2022-23 school year will be determined later in the fiscal year.

The Town of Collierville provides 15 cents equivalent payment to the school district each year. The amount projected for 2022-2023 is \$2,582,675, which is level with the amount paid in the 2021-2022 school year.
