1 PURPOSE

2 To entitle employees to take reasonable leave for medical reasons, for the birth or adoption of a child, and for the
3 care of a child, spouse, or parent who has a serious health condition.

4 ELIGIBILITY

5 Anyone who has been employed for at least twelve (12) months by the school system and anyone who has at least
6 1,250 hours of service (hours used for leave, even FMLA leave, shall not be credited for service for purposes of
7 FMLA eligibility¹) during the previous twelve-month period.²

8 GENERAL PRINCIPLES

9 An eligible employee shall be granted, upon request, up to twelve (12) weeks unpaid leave during a fixed calendar
10 year for the following reasons:

- 11 1. the birth of a child;
- 12 2. the placement of a child with the employee for adoption or foster care;
- 13 3. a serious health condition of the employee that makes the employee unable to perform the essential
14 functions of his or her job position;
- 15 4. the care of a spouse, child, parent, or next of kin of the employee who has a serious health condition; and
- 16 5. any qualifying circumstances arising out of the fact that a spouse, child, or parent of the employee is on
17 covered active duty, or has been notified of an impending call or order to covered active duty, in the
18 Armed Forces.

19 Granting of leave under this policy shall be subject to, and in accordance with, the provisions of applicable federal
20 and state laws. An employee may substitute accrued paid leave for unpaid time. Use of accrued paid leave shall
21 run concurrently with and be counted toward the employee's total period of FMLA leave.

22 MATERNITY/PATERNITY LEAVE

23 1. *Relationship between FMLA leave and Tennessee Maternity Act leave*- FMLA leave shall run
24 concurrently with leave provided under the Tennessee Maternity Act, which affords eligible employees
25 leave for a period not to exceed four (4) months for the adoption, pregnancy, childbirth and nursing of a
26 newborn child.³

27 2. *Employees' Sick Leave* - In accordance with state law, any employee who goes on maternity or paternity
28 leave shall be allowed to use all or a portion of the employee's accumulated sick or annual leave for
29 maternity leave purposes. In order to be eligible to use sick leave, written request of the employee
30 accompanied by a statement from the employee's physician verifying pregnancy shall be submitted. Upon
31 verification by a written statement from an adoption agency or other entity handling an adoption, an
32 employee may also be allowed to use accumulated leave for adoption of a child. If both adoptive parents
33 are teachers employed by the district, however, only one (1) parent is entitled to use such leave.⁴

1 Spouses who are both eligible employees of the school district are limited to a combined total of twelve
2 (12) workweeks of FMLA leave in a single twelve (12) month period if the leave is taken for birth and
3 care of a newborn child, for placement of a child for adoption or foster care, or to care for a parent who
4 has a serious health condition. Under certain circumstances, spouses who share leave for the birth or
5 adoption of a child may be eligible for limited amounts of additional leave for other qualifying FMLA
6 reasons.⁵

7 LEAVE FOR A SERIOUS HEALTH CONDITION⁶

8 Eligible employees, upon request, shall be granted up to twelve (12) weeks of unpaid leave when he/she is unable
9 to work because of a serious health condition or to care for an immediate family member with a serious health
10 condition. Granting of such leave shall be subject to the provisions of applicable federal and state laws. Employees
11 shall contact Human Resources to determine if the reason for leave qualifies as Family and Medical Leave. If the
12 leave is foreseeable, the employee shall give thirty (30) days' notice. If the leave is not foreseeable, the employee
13 shall notify Human Resources as soon as practicable—generally, either the same or next business day.

14 LEAVE FOR MILITARY FAMILY MEMBERS

- 15 1. *Qualifying Exigency Leave*⁷ - Eligible employees are entitled to up to twelve (12) workweeks of leave
16 because of any “qualifying exigency” arising out of the fact that the spouse, son, daughter, or parent of
17 the employee, as defined under the FMLA, is on active duty, or has been notified of an impending call to
18 active duty, or has been notified of an impending call to active duty status, in the Armed Forces. Qualifying
19 exigencies may include:
 - 20 a. issues arising from the service member’s short notice deployment;
 - 21 b. military events and related activities (e.g. official ceremonies, support programs);
 - 22 c. making or updating financial and legal arrangements, attending counseling;
 - 23 d. taking up to fifteen (15) days leave to spend time with a covered service member who is on short-
24 term rest and recuperation leave during deployment; or
 - 25 e. attending post-deployment activities.
- 26 2. *Military Caregiver Leave*⁸ - An eligible employee who is the spouse, son, daughter, parent, or next of kin
27 of a covered service member or covered veteran with a serious injury or illness is entitled to up to twenty-
28 six (26) workweeks of leave in a “single twelve (12) month period.” A covered service member is a current
29 member of the Armed Forces, including a member of the National Guard or Reserves, who is undergoing
30 medical treatment, recuperation, or therapy, is otherwise in out-patient status, or is otherwise on the
31 temporary disability retired list, for a serious injury or illness.

32 A covered veteran is an individual who was a member of the Armed Forces at any time during the period
33 of five (5) years preceding the date of the medical treatment, recuperation, or therapy that has a serious
34 injury or illness who is currently receiving medical treatment, recuperation, or therapy.

35 The calculation of this 5-year period shall not include the interval of October 28, 2009 through March 8,
36 2013. The “single twelve (12) month period” for leave to military caregiver leave begins on the first day
37 the employee takes leave for this reason and ends twelve (12) months later. An eligible employee is limited
38 to a combined total of twenty-six (26) workweeks of leave to provide care for a covered service member.
39 The maximum of twenty-six (26) workweeks may include no more than twelve (12) workweeks of leave
40 that is taken for the birth and care of a newborn child, for placement of a child for adoption or foster care,
41 for care of a parent who has a serious health condition, or for the employee's own serious health condition.

1 INTERMITTENT LEAVE⁹

2 Eligible employees may take FMLA leave intermittently when medically necessary to care for a seriously ill
3 family member, or because of the employee's own serious health condition, or for the care for a newborn, a newly
4 adopted child, or a newly placed foster care child. When a licensed employee requests foreseeable leave for
5 planned medical treatment and the employee would be on leave for greater than 20% of the total number of
6 working days in the period during which the leave would extend, the school may require that such employee elect
7 either to take the leave for periods of a particular duration, not to exceed the duration of the planned medical
8 treatment or to transfer temporarily to an available alternative position offered by the school system for which the
9 employee is qualified, and that has equivalent pay and benefits and better accommodates recurring periods of
10 leave.

11 RESTRICTIONS

12 1. Notice Requirements

13 a. *Employee Notice*¹⁰- For foreseeable leave, the employee shall provide the director of schools with
14 at least thirty (30) days written notice before the beginning of the anticipated leave.

15 b. *District Notice*- Once it has been established that the leave requested qualifies for FMLA, the
16 director of schools/ designee shall notify the employee within three (3) business days (absent
17 extenuating circumstances) that any leave taken pursuant to state leave statutes (paid vacation
18 leave, personal leave, sick leave, or workers' compensation) shall run concurrently with FMLA
19 leave.¹¹ The notice may be given orally or in writing. If the notice is oral, it shall be confirmed in
20 writing, no later than the following pay day.¹²

21 2. Certification Requirement¹³

22 a. The director may require that a request for leave be supported by certification issued by a health
23 care provider with the following information:
24 i. the date on which the serious health condition commenced;
25 ii. the probable duration of the condition;
26 iii. the appropriate medical facts within the knowledge of the health care provider regarding
27 the condition; and
28 iv. a statement that the eligible employee is needed to care for the son, daughter, spouse, or
29 parent and an estimate of the amount of time that such employee is needed.

30 b. If there is any reason to doubt the validity of the certification provided, the director may require,
31 at the expense of the school system, an opinion of a second health care provider.

32 3. Period Near the End of an Academic Term (Professional Employees)¹⁴

33 a. If leave is taken more than five (5) weeks prior to the end of the term, the director of schools may
34 require the employee to continue taking leave until the end of the term if the leave is at least three
35 (3) weeks of duration and the return of employment would occur during the three (3) week period
36 before the end of the term.

37 b. If the leave is taken five (5) weeks prior to the end of the term, the director of schools may require
38 the employee to continue taking leave until the end of the term if the leave is greater than two (2)
39 weeks duration and the return to employment would occur during the two (2) week period before
40 the end of the term.

1 **REQUIREMENTS OF THE BOARD**¹⁵

- 2 1. The employee shall be restored to the same position of employment or an equivalent position with no loss
3 of benefits, pay, or other terms of employment.
- 4 2. The employee shall be kept under any group health plan for the duration of the leave.
- 5 3. The board may recover the premium paid under the following conditions:
6 a. the employee fails to return from leave after the period of leave has expired.
7 b. the employee fails to return to work for a reason other than the continuation, recurrence, or onset
8 of a serious health condition or other circumstances beyond the control of the employee.

1 **ELIGIBILITY**

2 Anyone who has been employed for at least twelve (12) months by the school district and anyone who
3 has at least 1,250 hours of service (hours used for leave, even FMLA leave, shall not be credited for
4 service for purposes of FMLA eligibility¹) during the previous twelve (12) month period shall be eligible
5 to use FMLA leave.²

6 **GENERAL PRINCIPLES**

7 An eligible employee shall be granted, upon request, up to twelve (12) weeks unpaid leave during a fixed
8 calendar year for the following reasons:

- 9 1. The birth of a child;
- 10
- 11 2. The placement of a child with the employee for adoption or foster care;
- 12
- 13 3. A serious health condition of the employee that makes the employee unable to perform the
14 essential functions of his/her job position;
- 15
- 16 4. The care of a spouse, child, or parent of the employee who has a serious health condition; and
17
- 18 5. Any qualifying circumstances arising out of the fact that a spouse, child, or parent of the
19 employee is on covered active duty or has been notified of an impending call or order to
20 covered active duty in the Armed Forces.

21 An employee may substitute accrued paid leave for unpaid time. Use of accrued paid leave shall run
22 concurrently with and be counted toward the employee's total period of FMLA leave.

23 **MATERNITY/PATERNITY LEAVE**

- 24 1. *Relationship between FMLA leave and Tennessee Maternity Leave Act* – FMLA leave shall run
25 concurrently with leave provided under the Tennessee Maternity Act, which affords eligible
26 employees leave for a period not to exceed four (4) months for the adoption, pregnancy,
27 childbirth, and nursing of a newborn child.³
28
- 29 2. *Teachers' Leave* – In accordance with state law, any teacher who goes on maternity or paternity
30 leave shall be allowed to use all or a portion of the teacher's accumulated sick or annual leave for
31 maternity leave purposes. In order to be eligible to use sick leave, written request of the teacher

1 accompanied by a statement from the teacher's physician verifying pregnancy shall be submitted.
2 Upon verification by a written statement from an adoption agency or other entity handling an
3 adoption, a teacher may also be allowed to use accumulated leave for adoption of a child. If both
4 adoptive parents are teachers employed by the district, however, only one (1) parent is entitled
5 to use such leave.⁴
6

- 7 3. Spouses who are both eligible employees of the school district are limited to a combined total of
8 twelve (12) workweeks of FMLA leave in a single twelve (12) month period if the leave is taken
9 for the birth and care of a newborn child, for the placement of a child for adoption or foster care,
10 or to care for a parent who has a serious health condition. Under certain circumstances, spouses
11 who share leave for the birth or adoption of a child may be eligible for limited amounts of
12 additional leave for other qualifying FMLA reasons.⁵
13

- 14 4. *Paid Parental Leave* – Under state law, an additional six (6) work weeks of paid leave is available
15 to eligible employees after a birth, stillbirth, or adoption of a newly placed minor child. An
16 eligible employee taking leave under this provision shall not be required to utilize any other type
17 of accrued leave during this period. Eligible employees include teachers, principals, supervisors,
18 or other individuals required by law to hold a valid license of qualification for employment who
19 have been employed with a school district full time for at least twelve (12) consecutive months.
20

21 Employees shall provide notice to the school district thirty (30) days prior to the intended use of
22 the leave. If the employee learns about the need for leave less than thirty (30) days in advance,
23 the employee shall give notice as soon as reasonably possible in order to be eligible for the paid
24 leave. This paid leave does not need to be taken consecutively; however, the paid leave shall be
25 used within twelve (12) months of the qualifying event. The leave shall run concurrently with
26 FMLA leave.⁶

27 LEAVE FOR A SERIOUS HEALTH CONDITION⁷

28 Eligible employees, upon request, shall be granted up to twelve (12) weeks of unpaid leave when he/she
29 is unable to work because of a serious health condition or to care for an immediate family member with
30 a serious health condition. Employees shall contact Human Resources to determine if the reason for
31 leave qualifies as FMLA leave. If the leave is foreseeable, the employee shall give thirty (30) days'
32 notice. If the leave is not foreseeable, the employee shall notify Human Resources as soon as practicable,
33 generally, either the same or next business day.

34 LEAVE FOR MILITARY FAMILY MEMBERS

- 35 1. *Qualifying Exigency Leave*⁸ - Eligible employees are entitled to up to twelve (12) workweeks
36 of leave because of any qualifying exigency arising out of the fact that the spouse, son,
37 daughter, or parent of the employee, as defined under the FMLA, is on active duty, or has been
38 notified of an impending call to active duty, or has been notified of an impended call to active
39 duty status in the Armed Forces. Qualifying exigencies may include:
40
41 a. Issues arising from the service member's short notice deployment;
42 b. Military events and related activities (e.g., official ceremonies, support programs);
43 c. Making or updating financial and legal arrangements;

- d. Attending counseling;
- e. Taking up to fifteen (15) days leave to spend time with a covered service member who is on short-term rest and recuperation leave during deployment; or
- f. Attending post-deployment activities.

2. *Military Caregiver Leave*⁹ - An eligible employee who is the spouse, son, daughter, parent, or next of kin of a covered service member or covered veteran with a serious injury or illness is entitled to up to twenty-six (26) workweeks of leave in a single twelve (12) month period. A covered service member is a current member of the Armed Forces, including a member of the National Guard or Reserves, who is undergoing medical treatment, recuperation, or therapy, is otherwise in out-patient status, or is otherwise on the temporary disability retired list for a serious injury or illness.

A covered veteran is an individual who was a member of the Armed Forces at any time during the period of five (5) years preceding the date of the medical treatment, recuperation, or therapy that has a serious injury or illness who is currently receiving medical treatment, recuperation, or therapy.

The single twelve (12) month period for military caregiver leave begins on the first day the employee takes leave for this reason and ends twelve (12) months later. An eligible employee is limited to a combined total of twenty-six (26) workweeks of leave to provide care for a covered service member. The maximum of twenty-six (26) workweeks may include no more than twelve (12) workweeks of leave that is taken for the birth and care of a newborn child, for the placement of a child for adoption or foster care, for care of a parent who has a serious health condition, or for the employee's own serious health condition.

INTERMITTENT LEAVE¹⁰

Eligible employees may take FMLA leave intermittently when medically necessary to care for a seriously ill family member, because of the employee's own serious health condition, or for the care for a newborn, a newly adopted child, or a newly placed foster care child. When an employee requests foreseeable leave for planned medical treatment and the employee would be on leave for greater than twenty percent (20%) of the total number of working days in the period during which the leave would extend, the school district may require that such employee elect either to take the leave for periods of a particular duration, not to exceed the duration of the planned medical treatment, or to transfer temporarily to an available alternative position offered by the school district for which the employee is qualified and that has equivalent pay and benefits and better accommodates recurring periods of leave.

11 **TRUANCY**

12 *General*

13 Annually, the Director of Schools/designee will provide written notice to parent(s)/guardian(s) that
14 attendance at school is required. Students shall be present at least fifty percent (50%) of the scheduled
15 school day in order to be counted present. Students may attend part-time days, alternating days, or for a
16 specific amount of time as indicated in their Individualized Education Plan or 504 Plan and shall be
17 considered present for school attendance purposes. If a student is required to participate in a remedial
18 instruction program outside of the regular school day where there is no cost to the parent(s)/guardian(s)
19 and the school system provides transportation, unexcused absences from these programs shall be
20 reported in the same manner.⁷

21 Truancy is defined as an absence for an entire school day, a major portion of the school day or the major
22 portion of any class study hall or activity during the school day for which the student is scheduled.

23 Tardiness is also considered a form of truancy. Every 3rd tardy will equal one (1) unexcused absence
24 from school and count towards the five (5) unexcused absences allowed per year. A student is considered
25 tardy when he/she is not present at the beginning of the school day, or misses any part of the school day.

26 Students who are absent five (5) days without adequate excuse shall be reported to the director of
27 schools/designee who will, in turn, provide written notice to the parent(s)/guardian(s) of the student's
28 absence. If a parent does not provide documentation within five school days to excuse those absences,
29 or request an attendance hearing, then the Director of Schools shall implement the progressive truancy
30 intervention plan described below prior to referral to juvenile court. The director of schools/designee
31 shall also comply with state law regarding the reporting of truant students to the proper authorities.

32 The director of schools/designee shall develop appropriate administrative procedures to implement this
33 policy.

1 Students participating in school - sponsored activities whether on - or off-campus shall not be counted
2 absent. In order to qualify as "school-sponsored", the activity must be school-planned, school-directed,
3 and teacher-supervised.

4 All missed class work or tests may be made up if the student makes the request immediately upon
5 returning to school and if class time is not taken from other students.

6 The following notes will be used to excuse student absences: (1) maximum of five (5) parent notes per
7 year; 2) doctor; and 3) funeral Home. A parent note is considered used when a student misses a partial
8 or full day and returns with a written note from parent/guardian excusing them from the absence.

9 *Progressive Truancy Intervention Plan*⁸

10 Tier I of the progressive truancy plan shall apply to all students within the district and include schoolwide
11 prevention-oriented supports to assist with satisfactory attendance.

12 Tier II of the progressive truancy plan shall be implemented after the student accumulates five (5)
13 unexcused absences, but referral juvenile court, and includes the following:

- 14 1. A conference with the student and the student's parent(s)/guardian(s).
15
- 16 2. An attendance contract, based on the conference, signed by the student, the parent(s)/guardian(s),
17 and the Attendance Supervisor/designee. The contract shall include:
18
 - 19 a. A specific description of the school's attendance expectations for the student;
 - 20 b. The period for which the contract is effective; and
 - 21 c. Penalties for additional absences and alleged school offenses, including additional
22 disciplinary action and potential referral to juvenile court.
- 23
- 24 3. Regularly scheduled follow-up meetings to discuss the student's progress; and
25
- 26 4. A school employee shall conduct an individualized assessment detailing the reasons a student
27 has been absent from school. The employee may refer the student to counseling, community-
28 based services, or other services to address the student's attendance problems.

29 **Tier III** shall be implemented if the truancy intervention under Tier II are unsuccessful. Tier III shall
30 consist of the following interventions:

- 31 1. Home Visit
32
- 33 2. Social Probation:
 - 34 a. After School Hours - the student will not be allowed to perform in or attend any after
35 school extra-curricular activities. This includes athletic events, band or music
36 performance of any kind, dances, Prom, club meetings or events. Student is not to be on
37 school property during after school hours unless enrolled in the after school tutoring
38 program, etc.
 - 39 b. During School Hours - The student will not be allowed to attend any type of reward
40 program, reward field trip, or pep rallies.

1 3. School Based Community Service - this will be required by both parent/guardian and student
2 outside of regular school hours.

3 4. Participation in a restorative justice program

4 5. Saturday courses

8 activities. The principal shall document the approval in writing and shall excuse no more than ten (10)
9 absences each school year. No later than seven (7) business days prior to the student's absence, the
10 student shall provide documentation to the school as proof of the student's participation along with a
11 written request for the excused absence from the student's parent/guardian. The request shall include
12 the following:

13 1. Student's name and personal identification number;

14
15 2. Student's grade;

16
17 3. The dates of the student's absence;

18
19 4. The reason for the student's absence; and

20
21 5. The signatures of the student and parent/guardian.

22 **RELEASED TIME COURSE¹⁰**

23 A principal/designee may excuse a student to attend a course in religious moral instruction for up to
24 one (1) class period per school day. Students shall not be excused during any class which requires an
25 examination for state or federal accountability purposes.

26 The student shall submit a written consent form signed by the student's parent/guardian prior to
27 participation in the released time course. The principal/designee shall document the approval in
28 writing. The student shall provide documentation to the principal/designee as proof of the student's
29 participation in the released time course.

30 The district shall not be responsible for transporting students to and from the place of instruction.

31 Upon submission of the student's transcript from the entity that provided the released time course, the
32 student may be awarded **one-half (1/2) unit** of elective credit.

33 The Director of Schools shall develop procedures with secular criteria for determining whether credit
34 shall be awarded.

1 STATE-MANDATED ASSESSMENT

2 Students who are absent the day of the scheduled End of Course exam will receive an incomplete in
3 the course until they have taken the appropriate make-up exam.

4 CREDIT/PROMOTION DENIAL

5 Credit/promotion denial determinations may include student attendance, however, student attendance
6 may not be the sole criterion.¹¹ If attendance is a factor, prior to credit/promotion denial, the following
7 shall occur:

8 1. The student and the parent/guardian shall be advised if student is in danger of credit/promotion
9 denial due to excessive absenteeism.

10 2. Procedures in due process are available to the student when credit or promotion is denied.

11 DRIVER'S LICENSE REVOCATION²

12 More than ten (10) consecutive or fifteen (15) reported unexcused absences by a student during any
13 semester renders a student ineligible to retain a driver's permit or license, or to obtain such if of age.

14 ATTENDANCE HEARING¹²

15 Students with excessive (more than 5) unexcused absences or those in danger of credit/promotion denial
16 shall have the opportunity to appeal to an attendance hearing committee appointed by the principal. If
17 the student chooses to appeal, the student or his/her parent(s)/guardian(s) shall be provided written or
18 actual notice of the appeal hearing and shall be given the opportunity to address the committee. The
19 committee will conduct a hearing to determine if any extenuating circumstances exist or to determine if
20 the student has met attendance requirements that will allow him/her to pass the course or be promoted.
21 Upon notification of the attendance committee decision, the principal shall send written notification to
22 the director of schools/ designee and the parent(s)/guardian(s) of the student of any action taken
23 regarding the excessive unexcused absences. The notification shall advise parents/guardian(s) of their
24 right to appeal such action within two (2) school days to the director of schools/designee.

25 The appeal shall be heard no later than ten (10) school days after the request for appeal is received.

26 Within five (5) school days of the director of schools/designee rendering a decision, the student's
27 parent(s)/guardian(s) may request a hearing by the board, and the board shall review the record.
28 Following the review, the board may affirm or overturn the decision of the director of schools/designee.
29 The action of the board shall be final.

25 employ a tutor having the same qualifications as required of parent-teacher.

1 If one or more of these requirements are not met, the Board authorizes the Director of Schools to take
2 formal action to bring the child into compliance with the compulsory attendance law (until the child has
3 reached age seventeen (17), either in the home school or in a public, private, or church-related school).

4 **FACILITIES USE**

5 School facilities shall be available for home school instruction only when all of the following conditions
6 exist:

- 7 1. Special needs courses are being taught which require services unavailable to the home school
8 student;
- 9 2. These services cannot be provided through any means other than the schools;
- 10 3. Requests for services are made known by the home school parent when notice is given to the
11 Director of Schools of the intent to conduct a home school;

 9 maintain a safe learning environment where orderly learning is possible and encouraged.² These
 10 misbehaviors apply to student conduct on school buses, on school property, and while students are on

IMPROVED FUNDING (TOSS Legislative Priority 1)

TOSS Priority: Analyze the TN Investment in Student Achievement Act (TISA) to ensure additional, adequate, and equitable funding with local flexibility.

1. Parental Leave for LEA Licensed Employees: SB1458/HB983 (Public Chapter 353)

Sponsored by Senator White and Representative Sexton

Public Chapter 353 requires local education agencies (LEAs) to provide licensed employees of the LEA 6 paid workweeks after a birth or stillbirth of the employee's child or the employee's adoption of a newly placed minor child.

This law provides that an eligible employee who is granted such leave must not be required to use the employee's sick, annual, or other leave for the leave taken. However, the leave granted for the birth, stillbirth, or adoption counts toward the employee's use of leave required to be given under the federal Family and Medical Leave Act.

The 6 work weeks do not need to be consecutively taken as long as the leave is used within 12 months of the birth, stillbirth, or adoption.

Each LEA shall establish policies for implementing this section.

Paid leave under this section must be paid at 100% of the employee's salary. *For the purposes of calculating employment anniversary dates, absence from work pursuant to this section is considered full-time employment.

The state shall reimburse an LEA that provides paid leave pursuant to this section in an amount equal to the leave paid by the LEA pursuant to this section.

- if such employee has been employed for at least 12 consecutive months with an LEA and provides 30- days prior notice.

**2. Full Teacher Salary if Missed Duties Due to Violent Criminal Act: SB906/HB1357
(Public Chapter 343)**

Sponsored by Senator Niceley and Representative Farmer

Under present law, whenever a teacher is absent from assigned duties as a result of personal injury caused by a physical assault or other violent criminal act committed against the teacher in the course of the teacher's employment activities, the teacher must receive benefits, comparable to a workers' compensation program, for up to one year after the injury, if the LEA has workers' compensation coverage. A leave of absence for personal injury resulting from an assault or other violent criminal act must not be charged to the teacher's sick leave, personal leave, or professional leave accumulated.

In the event a teacher is absent from assigned duties as a result of personal injury caused by a physical assault or other violent criminal act committed against the teacher in the course of the teacher's employment activities, the LEA must continue to pay the teacher's full benefits, excluding full salary, until the earlier of the date on which the teacher is released by the teacher's physician to return to work or the date on which the teacher is determined by the teacher's physician to be permanently disabled from returning to work.

Public Chapter 343 deletes these provisions and provides, instead, that if a teacher is absent from assigned duties as a result of personal injury caused by a physical assault or other violent criminal act committed against the teacher in the course of the teacher's employment activities, then the LEA must continue to pay the teacher's full salary and full benefits including, but not limited to, health insurance benefits, until the teacher is released by the teacher's physician to return to work or is determined by the teacher's physician to be permanently and totally disabled from returning to work, whichever occurs first.

PC 343 further requires that if, at the time of the personal injury, the teacher is eligible for workers' compensation or other similar type benefits, then the teacher must file a claim for those benefits. If a teacher receives benefits under a workers' compensation or similar type benefit during the time the teacher is on leave, then the LEA must pay the difference between the teacher's full salary and the workers' compensation or similar type benefits received. An LEA is not required to pay the teacher's full salary or full benefits, or the difference between the workers' compensation or similar type of benefits received, for more than one year.

PC 343 prohibits a teacher on leave from receiving more than their full salary and full benefits that the teacher is eligible to receive. A leave of absence for personal injury resulting from an assault or other violent criminal act must not be charged to the teacher's sick leave, personal leave, or professional leave.

3. State Salary Schedule for Teachers: SB281/HB329 (Public Chapter 437)

Sponsored by Senator Johnson and Representative Lamberth

Public Chapter 437 revises the law relative to teachers' wages.

Under present law, the commissioner, as approved by the state board of education, must annually formulate a table of training and experience factors and a state salary schedule to be effective for each school year, which must be applicable to all licensed personnel in every LEA, and which must include an established base salary per school year consisting of a term of 200 days for beginning licensed personnel with a bachelor's degree and zero years of experience. Licensed personnel having more training and experience must receive more than the established base per school year. Certified personnel having less training and experience must receive less than the established base per school year. The salary schedule must not be applicable to substitute personnel.

This new legislation requires that the state salary schedule for teachers formulated by the commissioner must establish a base salary that is no less than the following:

- \$42,000 for the 2023-2024 school year;
- \$44,500 for the 2024-2025 school year;
- \$47,000 for the 2025-2026 school year;
- \$50,000 for the 2026-2027 school year.

This law also prohibits an LEA from deducting dues from the wages of the LEA's employees for a professional employee's organization, including, but not limited to, a professional employee's organization that is affiliated with a labor organization under federal law. However, an employee of an LEA is not prohibited from personally and voluntarily remitting dues to a professional employees' organization.

TOSS Priority: Supports sustainable funding for K-2 summer school, while maintaining local flexibility.

**4. Learning Loss Remediation by Use of Summer Learning Camps: SB249/HB68
(Public Chapter 144)**

Sponsored by Senator Johnson and Representative Lamberth

Public Chapter 144 makes various changes to the Tennessee Learning Loss Remediation and Student Acceleration Act.

For purposes of summer learning camps, present law defines a priority student as any of the following:

- (1) A student who will be entering fourth or fifth grade in the upcoming school year and scored below proficient in math or English language arts on the student's most recent TCAP test;
- (2) A student who will be entering first, second, or third grade in the upcoming school year and attends a school in which fewer than 50% of the students in grades 3-5 scored proficient in math or ELA on the most recently administered TCAP test;
- (3) A student who will be entering first, second, third, fourth, or fifth grade in the upcoming school year and is eligible for temporary assistance for needy families (TANF); or
- (4) A student who will be entering first, second, third, or fourth grade in the upcoming school year and scored below proficient in math and ELA on the students most recent state-adopted benchmark assessment, TN Universal Math Screener, Tennessee Universal Reading Screener, Universal Reading Screener, or, for after-school learning mini-camps conducted in the 2021-2022 school year, response to instruction and intervention (RTI2) screener.

Public Chapter 144 alters the above definition by removing (1); adding to numbers (2) and (3) a student entering kindergarten in the upcoming school year; removing from (3) a student entering fourth or fifth grade in the upcoming school year; removing from (4) a student entering fourth grade in the upcoming school year; and adding an at-risk child who is four years of age on or before August 15, if included at the discretion of the LEA.

**5. Pre-K Task Force and Grant Funding for 5 LEAs: SB355/HB1150
(Public Chapter 340)**

Sponsored by Senator Haile and Representative White

Public Chapter 340 does the following:

(1) Requires the department of education to conduct a statewide needs analysis of preschool education in Tennessee to be reported on the department's website no later than March 31, 2024;

(2) Requires the analysis to at least include gaps between family demand for preschool service and the availability of high-quality preschool opportunities;

(3) Requires the department to establish the Tennessee preschool task force to assist in developing a strategic plan for preschool education in this state and to provide recommendations on high-quality programming. Membership on the task force must at least include a representative from the department of education; a representative from the department of human services; a member of the education administration committee of the house of representatives; a member of the education instruction committee of the house of representatives; a member of the education committee of the senate; a community member; and a parent;

(4) Requires the task force, in conjunction with the department of education, to develop a strategic plan for preschool education in this state with recommendations on how to expand opportunities. The task force must submit their plan and recommendations to the education committees of the senate and house of representatives;

(5) Requires, subject to available funding, the department to implement a pilot program to award grant funds to five LEAs to implement innovative and high-quality preschool programs in the 2023-2034 school year. The department is then required to assess the effects of the pilot program to inform the task force in their recommendations; and

(6) Authorizes the state board of education, in consultation with the department of education, to promulgate rules to effectuate this amendment.

TOSS Priority: Supports reinstating funding, outside of TISA, for School Resource Officers and safety/security personnel.

6. **Administration Safety Bill: SB274/HB322 (Public Chapter 367)**

Sponsored by Senator Johnson and Representative Lamberth

Public Chapter 367 revises various provisions to the elementary and secondary education and the Schools Against Violence in Education Act.

Comprehensive information about this bill is listed in Appendix A.

CURRICULUM & ACCOUNTABILTY (TOSS Legislative Priority 3)

7. High School Course Credit Without Course Enrollment: SB838/HB962 (Public Chapter 269)

Sponsored by Senator White and Representative Slater

Public Chapter 269 authorizes an LEA that serves students in any of the grades 9-12 to grant a high school student credit for a course offered by the student's high school in which the student is not enrolled, but for which the student attains a qualifying score, as set by the LEA, on the course's credit exam. That LEA must provide each high school student the opportunity to take a credit exam for a course each semester in which the LEA offers a course for which the LEA has developed a credit exam.

A student may only take a credit exam once per course.

High school credit earned pursuant to this bill will count toward the high school graduation requirements established by the state board of education. If a student receives a qualifying score on a credit exam, then the student's score must be included in the student's overall grade point average in the same manner as if the student enrolled in, and successfully completed, the course.

A student may earn a maximum of four graduation credits from credit exams.

This law specifies that a final exam administered for purposes of this bill will not affect the evaluation of a teacher, principal, school, or LEA.

A credit exam developed by an LEA must cover the entirety of the Tennessee course standards for the course for which the student may receive credit.

This law requires each LEA that operates one or more high schools to:

- (1) Adopt a policy on the implementation of this bill;
- (2) Provides that the policy established by an LEA for implementation of these provisions must include, at a minimum:
 - when and how credit exams are to be administered to students seeking course credit;
 - the qualifying score for each credit exam administered to students;
 - and the grade that will be included in a student's overall grade point average for the student's achieving the qualifying score on each credit exam administered to the student; and

(3) Report the following information to the department of education at the end of each school year:

(A) The number of final exams administered during the school year;

(B) The courses for which final exams were administered; and

(C) The number of students that received a qualifying score on each final exam administered for purposes of this bill.

PC 269 defines, “credit exam” to mean: “a comprehensive assessment designed by an LEA or public charter school that is aligned to the Tennessee academic standards for a course identified by the department of education, and approved by the state board of education, for which there is no end-of-course assessment.

This law requires the department of education to:

- recommend to the state board of education for approval a list of eligible courses for which an LEA or public charter school may develop a credit exam. The list of eligible courses must include courses in math, English language arts, science, and social studies. However, the department is authorized to recommend eligible courses in additional subject areas; and
- provides that, upon the request of the education committee of the senate, the education administration committee of the house of representatives, or the education instruction committee of the house of representatives, the department of education must submit a report regarding the implementation of this bill.

8. Remote Instruction to Students Who Have Been Expelled: SB225/HB588 (Public Chapter 111)

Sponsored by Senator Walley and Representative Gant

Public Chapter 111 specifies that an LEA that has established a virtual school may enter into an agreement with an LEA that has not established a virtual school for the LEA's virtual school to provide remote instruction to students enrolled in either LEA who have been suspended or expelled from the regular school program.

This act takes effect July 1, 2023, and applies to the 2023-2024 school year and each school year thereafter.

9. Elective Credit for Released Time Courses: SB987/HB680 (Public Chapter 130)

Sponsored by Senator Yager and Representative Powers

Public Chapter 130 provides that a local board of education may adopt a policy to award students credit for work completed in a released time course that is substantiated by a transcript from the entity that provided the released time course.

If a board adopts a policy, then a student may be awarded one (1) unit of elective credit for the completion of each released time course.

This act takes effect July 1, 2023, and applies to the 2023-2024 school year and each school year thereafter.

TOSS Priority: Supports modifying the TN Learning Loss-Student Acceleration Act to reduce the number of third grade students impacted by the retention provision.

**10. Amending the current TN Learning Loss-Student Acceleration Act: SB300/HB437
(Public Chapter 338)**

Sponsored by Senator Lundberg and Representative White

Public Chapter 338 modifies current law adding the following additional pathway for promotion:

- 1) **The student scores at or above the 50%tile on the most recent state-provided standards-based assessment, and**
- 2) **The student participates in year-long tutoring in 4th grade**

This law also allows parents to give permission for LEA to appeal on their behalf and enables the DOE to procure 3 on-line tutoring services.

TOSS Priority: Supports protecting local flexibility for curriculum and operational decisions. Districts must continue to have flexibility to adopt instructional and supplemental materials in partnership with teachers and families.

11. Standards Review Moved to Every 8 Years: SB421/HB896 (Public Chapter 192)

Sponsored by Senator Lundberg and Representative Hurt

Public Chapter 192 extends from **six years to eight years**, the minimum period of time from the last adoption within which the board is required to ensure that the standards review and development committees and advisory teams review the standards for English language arts, mathematics, science, and social studies; extends, from 73 months to 97 months, the maximum term of a contract made by the state textbook and instructional materials quality commission with a publisher.

Fiscal Summary:

- Decreases State Expenditures: \$101.700/FY23-24 and Subsequent Years
- Decreases Local Expenditures: \$16,250,000/FY23-24 and Subsequent Years

12. Financial Literacy Month: SB668/HB644 (Public Chapter 307)

Sponsored by Senator Reeves and Representative Baum

Public Chapter 307:

- Requires the TN Financial Literacy Commission to study the state's financial education and literacy programs to gauge efficacy of efforts such as publications, electronic media, grant awards and events as part of Financial Literacy Month.
- Requires the commission to study similar programs in other states.
- Directs all appropriate state departments to provide assistance to the commission in these efforts.
- Requires the commission to submit a comprehensive report on the study's findings and recommendations to the general assembly by December 31, 2023.
- Replaces Financial Literacy Week with Financial Literacy Month to be observed the entire month of April.

13. Revisions to Age-Appropriate Materials Act: SB966/HB663 (Public Chapter 472)

Sponsored by Senator Powers and Representative T. Hicks

Under present law, a local board of education must evaluate each material for which feedback is provided according to the procedure established to determine whether the material is appropriate for the age and maturity levels of the students who may access the materials, and to determine whether the material is suitable for, and consistent with, the educational mission of the school. If the local board of education determines that material contained in the school's library collection is not appropriate for the age and maturity levels of the students who may access the materials, or is not suitable for, or consistent with, the educational mission of the school, then the school must remove the material from the library collection.

Public Chapter 472 changes current law to require the LEA to receive and evaluate feedback, instead of the local board of education or governing body. Only in the event that a resolution cannot be reached by the LEA does it go to the local school board for determination.

Operational Decisions

14. Provisions of the Safe Stars Act: SB773/HB457 (Public Chapter 382)

Sponsored by Senator Lamar and Representative Hakeem

Makes changes such as the requirement that **annual training in physical conditioning and equipment use be completed and that an emergency action plan be established that facilitates, organizes and rehearses the actions of coaches and athletes in an emergency.**

Does not exempt providers of school youth athletic activities or community-based youth athletic activities from other youth sport-related safety provisions, including the Sudden Cardiac Arrest Prevention Act. Requires certain entities and nonprofits to adhere to these standards and recommends private schools also comply.

Provides that each LEA and public charter school must encourage such coaches to complete such training to the extent such training is readily available.

15. Revision of Current Law Relative to Corporal Punishment: SB972/HB995 (Public Chapter 275)

Sponsored by Senator Powers and Representative Stevens

Public Chapter 275 revises present law relative to corporal punishment.

Under present law, a teacher or school principal may use corporal punishment in a reasonable manner against a pupil for good cause in order to maintain discipline and order within the public schools. However, teachers, school principals, or other school personnel are prohibited from using corporal punishment against a student who has a disability, unless an LEA's discipline policy permits the use of corporal punishment and a parent of a child who has a disability permits, in writing, the use of corporal punishment against the parent's child.

PC 275 adds that, prior to the administration of corporal punishment against a student, the student's teacher or school principal must document in the student's educational record that they have:

- (1) Acted to address the student's behavior;
- (2) Provided consequences to the student to address the behavior;
- (3) Consulted with the student's parent or legal guardian about the student's behavior; and
- (4) Considered the need to conduct an initial evaluation to determine whether the student has a disability in accordance with the Individuals with

Disabilities Education Act, state law, and the state board of education's rules.

PC 275 also provides that if, as a result of the evaluation provided in (4), a student is found to have a disability, then corporal punishment may only be administered against the student if authorized in accordance with the present law described above.

16. Director of Schools Notification Regarding Criminal Conduct on School Property:

SB1155/HB892 (Public Chapter 153)

Sponsored by Senator Stevens and Representative Reedy

Public Chapter 153 adds the director of schools as a person to whom a principal must report the principal's direct knowledge of an offense of assault and battery or vandalism committed by a student on school property endangering the life, health, or safety of others; expands the educator's bill of rights to include the educator's right to report an offense of assault and battery or vandalism committed by a student on school property and the educator's right to receive benefits if the educator is a teacher who is absent from their assigned duties due to injuries caused by a criminal act committed against the teacher in the course the teacher's employment activities.

17. LEA Employee Not Required to Recognize Student by Preferred Pronoun: SB466/HB1269 (Public Chapter 448)

Sponsored by Senator Rose and Representative Cochran

A teacher or other employee of a public school or LEA is not required to refer to a student using the student's preferred pronoun if the pronoun is not consistent with the student's biological sex; insulates a teacher or other employee of a public school or LEA from civil liability and adverse employment action for referring to a student using the pronoun that is consistent with the student's biological sex.

Other Fiscal Impact - If found in violation of federal law, this legislation could jeopardize federal funding in FY23-24 and subsequent years.

18. Charging Tuition and Fees for Dual Enrollment Students: SB1408/HB957 (Public Chapter 227)

Sponsored by Senator Jackson and Representative Slater

Under present law, a high school student is eligible for a dual enrollment grant if the student meets certain criteria. A student may receive a dual enrollment grant for one or more courses per semester at eligible postsecondary institutions, which includes independent postsecondary institutions and public postsecondary institutions.

Present law prohibits an eligible postsecondary institution from charging certain students receiving a dual enrollment grant tuition or fees in excess of the student's dual enrollment grant award. However, an eligible postsecondary institution may charge a student receiving a dual enrollment grant costs actually incurred by the institution on the student's behalf, including book and material costs, digital book and material costs, special examination fees, industry certification fees, and board examination fees.

Public Chapter 227 changes the prohibition above to only apply to eligible public postsecondary institutions, not independent postsecondary institutions.

19. Access and Opportunity Act: SB443/HB1271 (Public Chapter 165)

Sponsored by Senator Lowe and Representative Cochran

Public Chapter 165 enacts the "Access and Opportunity Act" which requires each LEA and public school, including a public charter school, to provide home school students, and students who transfer into the LEA or school, in good academic standing with equal access to all academic, arts, or athletic programs; clubs; events; and opportunities offered by the LEA or school as provided to enrolled non-transfer students. This bill clarifies that such students are immediately eligible to participate in such programs, clubs, events, and opportunities but that an LEA or school is not required to guarantee such students a place or position on a team, club, or organization.

For the purposes of this law, the LEA for such a home school student is the LEA in which the student was most recently enrolled or the LEA in which the home school student resides.

This law applies the provisions to transfer students and home school students regardless of whether such students are in good academic standing who enroll or re-enroll in the LEA or public charter school.

ADDRESS TEACHER AND STAFF SHORTAGES (TOSS Legislative Priority 2)

TOSS Priority: Supports the work of the State Board of Education and the TN Department of Education to increase licensure flexibility for teachers, while maintaining high-quality standards for the teaching profession.

20. Educator Preparation Provider Licensure Requirements: SB1221/HB424 (Public Chapter 284)

Sponsored by Senator White and Representative Stevens

Public Chapter 284 allows a teacher with a temporary permit to satisfy the clinical experience required by the state board of education for licensure if the teacher receives guidance, evaluations, and instructions for an educator for an amount of time that is at least equal to the amount of time required for a candidate to meet the clinical experience requirements and meets the same evaluation requirements from an educator.

This law provides specific guidelines on the implementation of this law, including, but not limited to the following:

- The commissioner is prohibited from granting an individual a temporary permit to teach a physical education class required under present law provisions for elementary and secondary education, or a special education course;
- A temporary permit is valid only until June 30 following the date of the permit's issuance and is prohibited from being renewed.

21. CTE Instruction Provided by Person with Industry License or Credential: SB967/HB662 (Public Chapter 344)

Sponsored by Senator Powers and Representative T. Hicks

Public Chapter 344 does the following:

- (1) Revises a present law provision that requires a local board of education to keep on file and available in each school library added or amended operating policies and a notice of each deleted operating policy. This law rewrites that provision to provide, instead, that an LEA must maintain:

- (A) Added or amended policies on file and make the policies available in each school library operated by the LEA; and
- (B) Notice of deleted policies on file and make such notice available in each school library operated by the LEA or at the LEA's central office;

(2) Provides that, if a person holds an active industry license or credential relevant to a career and technical education course as determined by the department of education, then the person may provide instruction to students in the career and technical education course as long as the instruction provided by the person is supervised at all times in the classroom by a licensed teacher who serves as the teacher of record for the course.

22. PE Teacher Endorsement Exemption: SB1070/HB897 (Public Chapter 280)

Sponsored by Senator Hensley and Representative Hurt

Under present law, the physical education classes required by law for elementary and secondary education must be taught by a licensed teacher with an endorsement in physical education or by a specialist in physical education. However, upon the request of a director of schools or the director of a public charter school, present law authorizes the commissioner of education to issue an endorsement exemption to a teacher or a temporary permit to a person to teach any course or subject area, except for special education courses, for the 2021-2022 school year, and an endorsement exemption to a teacher to teach any course or subject area, except a physical education class required under law or a special education course, for the 2022-2023 and 2023-2024 school years.

Public Chapter 280 adds that, upon a request of a director of schools or the director of a public charter school, the commissioner of education may issue an endorsement exemption to a teacher, in accordance with state board rules, to teach a physical education class required by law to elementary school students. A director of schools or the director of a public charter school who applies for an endorsement exemption to teach must certify to the commissioner that the LEA or public charter school is unable to secure a qualified teacher for the physical education class. An endorsement exemption is valid only until June 30 following the date of the permit's issuance.

**23. Expand Occupational License to Honorably Discharged Veterans: SB724/HB786
(Public Chapter 311)**

Sponsored by Senator Hensley and Representative Fritts

Present law provides that after a director of schools or a director of a public charter school notifies the director's local board of education or the governing body of the director's public charter school that the LEA or public charter school is unable to secure a qualified occupational educator with a valid occupational teaching license for course of study in which a vacancy exists, the director of schools or the director of the public charter school may certify the same to the commissioner of education. Upon the commissioner's receipt of the certification, the commissioner may grant a temporary permit to teach in the unfilled position to a person recommended by the notifying director, who does not hold a bachelor's degree or an active industry license or credential for the area of endorsement, but who has a minimum of five years of relevant work experience, completed within the last 10 years, or three years of relevant work experience, completed within the last five years, in the area of endorsement or equivalent educational attainment.

Public Chapter 311 adds authorization for the commissioner to issue a temporary permit under similar circumstances to a person recommended by the director of schools or the director of the public charter school who is an honorably discharged veteran of the armed forces and has a minimum of five years relevant work experience, completed within the last 10 years, or three years of relevant work experience, completed within the last five years, in the area of endorsement or equivalent educational attainment. For purposes of this amendment, "work experience" includes, but is not limited to, military service, training, and experience.

The temporary permit is valid only until June 30 immediately following the date of the permit's issuance; the temporary permit is not renewable; and an individual may only be issued one temporary permit.

24. Tennessee Future Teacher Scholarships: SB1220/HB432 (Public Chapter 381)

Sponsored by Senator White and Representative White

Public Chapter 381 enacts the "Tennessee Future Teacher Scholarship Act of 2023," which, subject to available funding, requires the Tennessee Student Assistance Corporation (TSAC) to administer a five-year pilot program to award a Tennessee Future Teacher scholarship ("scholarship") to future educators. The pilot program is to begin with the 2023-2024 academic year and terminate on July 1, 2028.

TOSS Priority: Remove barriers for bus driver applicants to ensure an expedited process of receiving the credentials for becoming a state approved bus driver. Increase the number of third-party testing sites for examinations.

25. Retired Employee Provision: SB414/HB975 (Public Chapter 425)

Sponsored by Senator Yarbro and Representative Glynn

Public Chapter 425 revises certain requirements for a retired person to return to work as a teacher, substitute teacher, or school bus driver in a public school system in this state. It allows the person to work for more than 120 days each year while continuing to draw their retirement allowance through Tennessee Consolidated Retirement System (TCRS) or a local retirement fund.

PC 425 removes the requirement of certifying that there is not another qualified candidate and removes the prohibition that the re-employment may only last for one year. It does NOT change the current percentages of pay requirements that is currently in the law.

Public Chapter 425 amends the three following laws in TCA:

- 8-36-805
- 8-36-821
- 8-36-822.

Please refer to Public Chapter 425 for further guidance in comparison to these current laws. We highly encourage each LEA to confer with its HR Department and seek additional guidance from TCRS.

26. Transportation and Bus Safety Provisions Moved to LEAs & Dept. of Safety:
SB579/HB258 (Public Chapter 122)

Sponsored by Senator Pody and Representative Moody

Public Chapter 122 transfers responsibility for the following from the state board of education to LEAs:

- (1) Requiring annual physical and mental examinations of school bus drivers and the prescription of forms for reports; and
- (2) Revoking the certificate of a school bus driver who is unfit to operate a school bus or is convicted of DUI, vehicular assault, vehicular homicide, aggravated vehicular homicide, or a drug offense other than casual exchange or simple possession.

It transfers responsibility for developing the specifications for school buses from the state board of education to the department of education. This law adds a requirement that the department of education recommend the specifications for school buses to the department of safety for approval. This law also transfers responsibility for permitting the operation of certain classes of school buses from the state board to the department of safety.

PC 122 takes effect upon becoming a law for rulemaking purposes, and July 1, 2024, for all other purposes.

CHARTER SCHOOL BILLS

27. Various Revisions Relative to Charter Schools: SB980/HB1086 (Public Chapter 206)

Sponsored by Senator Gardenhire and Representative Baum

Public Chapter 206 revises various provisions relative to charter schools including the performance, grade bands, enrollment of students residing outside the geographic boundaries of the LEA, economically disadvantaged students, and revoking of a public charter school agreement.

Changes and additions to the present law concerning charter schools are detailed in Appendix B.

28. Adjusts Training for Charter School Governing Board: SB577/HB359 (Public Chapter 92)

Sponsored by Senator Pody and Representative Carringer

Public Chapter 92 removes the requirement that the annual training course for a charter school governing body be certified by the Tennessee Charter School Center; requires all training for the governing body of a public charter school to be approved by the State Board of Education.

ESAs and IEAs

29. Expansion of Education Savings Accounts: SB12/HB433 (Public Chapter 328)

Sponsored by Senator Gardenhire and Representative White

History: Public Chapter 506 of the 111th General Assembly was signed into law May 24, 2019, and created the ESA Pilot Program. ESA eligibility pursuant to Tenn. Code Ann. § 49-6-2602(3)(C) requires a student to be zoned to attend a school in a local education agency (LEA) that has at least 10 or more schools that were identified as priority schools in 2015 and 2018 and were among the bottom 10 percent of schools as identified by the Department of Education. DOE currently operates the ESA program in two geographic LEAs: Metro Nashville Public Schools (Davidson County) and Memphis-Shelby County Schools.

This new legislation amends 49-6-2602(3)(C) by deleting subdivision (i) and substituting instead the following:

(i) Is zoned to attend a school in an LEA, excluding the achievement school district (ASD), with five (5) or more schools:

- (a) Identified as priority schools in 2015,
- (b) Among the bottom ten percent (10%) of schools,
- (c) Identified as priority schools in 2018; and
- (d) Identified as priority schools in 2021

The ESA eligibility criteria adds Hamilton County as the third LEA whose students are eligible to participate in the program. The addition of Hamilton County will make an additional 44,500 students eligible for the ESA program if they meet other qualifying criteria in statute.

Beginning in the 2025-26 school year, this legislation would decrease the local revenue for impacted LEAs. In addition, the LEAs will not incur the cost of educating children who leave the LEAs. Under current law, these decreases would occur in Shelby and Davidson Counties; this legislation will shift some of that impact to Hamilton County.

Due to the statewide enrollment limits anticipated to be reached under current law, the total decreases in local revenue and local expenditures statewide beginning in FY25-26 will not significantly change with the addition of Hamilton County.

House Amendment 427 was not adopted this session. However, it is important to note that amendments with similar wording could appear in future sessions.

House Amendment 427 wording is as follows:

(i) Is zoned to attend a school in an LEA, excluding the achievement school district (ASD), that had three (3) or more schools identified as priority schools in 2015, as defined by the state's accountability system pursuant to § 49-1-602, and that had three (3) or more schools among the bottom ten percent (10%) of schools, as identified by the department in 2017 in accordance with § 49-1-602(b)(3).

**30. Expansion of Student Eligibility for an Education Savings Account: SB638/HB559
(Public Chapter 171)**

Sponsored by Senator Lundberg and Representative Todd

Public Chapter 171 expands student eligibility for an education savings account (ESA) to include students who were not enrolled, and who did not attend, a Tennessee public school for the one full school year immediately preceding the school year for which the student receives an ESA, but who were enrolled in, and who attended, a Tennessee public school in the 2019-2020, 2020-2021, or 2021-2022 school year, and to include students who are not eligible, for the first time, to enroll in a Tennessee school, but who were eligible, for the first time, to enroll in a Tennessee school in the 2019-2020, 2020-2021, or 2021-2022 school year.

**31. Notification to Parents Regarding Child’s Eligibility for an IEA: SB1208/HB1261
(Public Chapter 321)**

Sponsored by Senator White and Representative Moody

Public Chapter 321 requires the department of education, in administering the Individualized Education Account Program, to develop and implement a process for notifying all parents of their children's potential eligibility for an individualized education account, instead of only ensuring lower-income families are so notified. Requires the department to report whether the process increased student participation in the program to the education committee of the Senate and the House Education Administration Committee by January 31 of each year.

Additional Bills that Passed:

32. Meeting Agendas and Documents to be Made Available to Public 48 Hours Prior: SB27/HB23 (Public Chapter 213)

Sponsored by Senator Gardenhire and Representative Moon

Public Chapter 213 requires that a legislative body for a municipal, metropolitan, or county government make available to the public, at no charge and at least 48 hours prior to a meeting, the agenda for the upcoming meeting in a place accessible to the public. Publication on a legislative body's website is not required, but will satisfy this notice requirement. A local government legislative body may deliberate or act upon matters not listed on the agenda if the body follows its bylaws or rules and procedures and complies with all other applicable state laws. A local government legislative body is prohibited from circumventing the spirit or requirements of the notice requirement by withholding items from an agenda for the purpose of avoiding public disclosure of business to be considered by the legislative body.

33. Exemption from Immunization Requirements for Home School Students: SB644/HB252 (Public Chapter 296)

Sponsored by Senator Hensley and Representative Barrett

Public Chapter 296 removes the requirement that a parent-teacher of a home school student provide proof of the student's immunizations and receipt of health services or examinations required by law generally for children in this state to the local education agency. **Exempts home school students from the immunization requirements applicable to students attending a school, nursery school, kindergarten, preschool, or childcare facility.**

PC 296 also removes the requirement that proof must be submitted to the local director of schools that a home school student has been vaccinated or received any other health services or examinations required by law for children in the state unless the home school student participates in a local education (LEA)-sponsored interscholastic activity or event or an LEA-sponsored extracurricular activity.

34. Removal of the Educational Justification for Possessing Obscene Materials on School Property: SB1059/HB841 (Public Chapter 278)

Sponsored by Senator Hensley and Representative Lynn

Public Chapter 278 makes it a Class E felony for a book publisher, distributor, or seller to knowingly sell or distribute obscene matter to a public school serving any of the grades K-12.

In addition to the punishment authorized for a Class E felony (one to six years imprisonment and a fine of up to \$3,000), a person who violates this prohibition will additionally be fined at least \$10,000, but not more than \$100,000.

35. Expelled Students into a Virtual School: SB1069/HB826 (Public Chapter 279)

Sponsored by Senator Hensley and Representative Gillespie

Public Chapter 279 provides that a director of schools, or a director's designee, is not required to assign a student in grades 7-12 who has been suspended for more than 10 days or expelled from the regular school program for an offense of violence or threatened violence, or an offense that threatened the safety of persons attending or assigned to the student's school, to an alternative school or alternative program if the director of schools, or the director's designee, determines that assigning the student to the alternative school or alternative program may endanger the safety of the students or staff of the alternative school or alternative program.

36. Opportunity for Career Assessments: SB198/HB250 (Public Chapter 439)

Sponsored by Senator Lundberg and Representative Haston

Subject to available federal funds, present law requires LEAs and public charter schools to provide each student the opportunity to take nationally recognized assessments in the 2021-2022 and 2022-2023 school years as a strategy for assessing and certifying students' career readiness and providing students with more choices in identifying career pathways.

This bill changes the above provisions by making the provision applicable to any school year and requiring the assessments offered to meet certain criteria, in addition to being funded by the department.

OTHER BILLS OF INTEREST (Did Not Become Law)

37. **Maximum Class Sizes: SB197/HB809**

Sponsored by Senator Lowe and Representative Richey

As introduced, SB635/HB595 is a broadly captioned bill that pertains to the recall of local school board members. It allows registered voters of any county, instead of only Madison County, who reside within the geographic boundaries of an LEA to file a petition with the county election commission demanding the recall of a member of the LEA's local board of education.

39. **Open Enrollment: SB973/HB959**

Sponsored by Senator Powers and Representative Slater

As introduced, SB973/HB959 requires LEAs to allow nonresident students to enroll in a school in which spaces are available.

Present law contains provisions governing the identification of schools with spaces for additional students, a process for a student in an LEA to enroll in a school that the student is not zoned to attend, and open enrollment periods. This bill adds a requirement for LEAs

to allow nonresident students who apply pursuant to the present law procedures to enroll in a school within the LEA if space is available, with exceptions as discussed below.

This bill requires LEAs to adopt a policy to establish a process to participate in open enrollment for nonresident students and publish the policy on the LEA's website. This bill requires that the policy, among other things, **provide a lottery procedure to determine student assignment and establish an appeal process for hardship cases.**

This bill specifies that it does not requires an LEA to make alterations in the structure of a requested school or to make alterations to the arrangement or function of rooms within a requested school; establish and offer a particular program in a school if the program is not currently offered in the school; or alter or waive an established eligibility criteria for participation in a particular program, including age requirements, course prerequisites, and required levels of performance.

The bill allows an LEA to deny a nonresident student permission to enroll in a particular program or school within the LEA only for the following reasons:

- (1) There is a lack of space or teaching staff within a particular program or school requested;
- (2) The pupil does not meet the established eligibility criteria for participation in a particular program, including age requirements, course prerequisites, or required levels of performance;
- (3) A desegregation plan is in effect for the school district, and the denial is necessary to enable compliance with the desegregation plan; or
- (4) The student is expelled from the school.

This bill sets out the process for a student to request enrollment and a school to act upon the request. A student who requests to enroll in the school district in which the student does not reside and is denied enrollment may appeal the decision to the LEA in which the enrollment was denied for the student.

This bill authorizes the state board of education to promulgate rules to effectuate this bill.

40. Open Enrollment (Nondiscrimination on Address): SB1419/HB1130

Sponsored by Senator Roberts and Representative Gant

As introduced, SB1419/HB1130 requires an LEA to provide for the enrollment of students who are residents of this state, regardless of the student's residence, race, ethnicity, or language proficiency, the resources of the LEA or its schools, or other considerations regarding the appropriateness of a particular school for a particular student. It allows a student's parent or legal guardian to appeal an LEA's enrollment or assignment decision for the student to the commissioner of education.

Under present law, the board of education of each local school system, with respect to the schools under its jurisdiction, is authorized and required to provide for the enrollment in a public school of each student who is eligible for enrollment within the schools of the local school system. This bill revises this provision to require such from the board of education of the LEA with regard to students who are residents of this state. This bill clarifies that this provision does not require a student to enroll in an LEA within which the student does not reside.

Present law provides that, except as otherwise provided by law, the authority of each and every local school board in the matter of enrollment of pupils within its local school system must be full and complete and its decision as to the enrollment of any pupil in any such school is final. This bill deletes this provision and provides, instead, that except as otherwise by law, a student's parent or legal guardian may appeal a board of education's enrollment or assignment decision for the student to the commissioner of education. This bill requires the state board of education to promulgate rules to establish the appeal process. This bill deletes a provision that prohibits a pupil from being enrolled in, admitted to, or entitled or permitted to attend any public school in the local school system other than the public school to which the pupil is assigned.

Under present law, in determining the particular public school to which pupils must be assigned, the board of education may consider and base its decision on any one or more factors, including, amongst others, the following:

- (1) The choice and interests of the pupil;
- (2) The sex, morals, conduct, health, and personal standards of the pupil;
- (3) The request or consent of parents or guardians and the reasons assigned therefor; and
- (4) All other factors that the board may consider pertinent, relevant or material in their effect upon the welfare and best interests of the applicant, other

pupils of the school district as a whole and the inhabitants of the school district.

This bill revises (1) above to read, instead, the residential address, race, ethnicity, language proficiency, sex, morals, conduct, health, or personal standards of the student. This bill deleted (2) – (4).

It adds that in determining the public school to which students must be assigned, a board of education must consider and base its decision on the choice and interests of the student, and the requests or consent of the student’s parent.

Under present law, a person must not be refused admission into or be excluded from any public school in this state on the account of race, creed, color, sex or national origin. This bill adds residential address to the list of things for which no student can be refused admission into or be excluded from any public school in this state on account of.

Fiscal Impact: Other Fiscal Impact – Changing the factors that may be considered when determining student assignment to a public school may result in a shift in student enrollment across the state, an increase in local expenditures to expand current school facilities, and an increase in state expenditures to hear appeals. However, due to multiple unknown factors, the timing and extent of any such impacts cannot be reasonably determined.

- (2) Authorizes the sponsor seeking to establish a public charter school to provide a residential or boarding program for at-risk students in grades (6-12) to apply either to a local board of education (LEA) or directly to the Commission.
- (3) Requires the sponsor seeking to establish a hybrid public charter school to apply directly with the Commission.
- (4) Authorizes hybrid public charter schools and public charter schools providing residential or boarding programs to enroll students residing outside the geographic boundaries of the LEA regardless of the LEA's out-of-district enrollment policy.

SB1325/HB1202**

Sponsored by Senator Bailey and Representative Williams

SB1325/HB1202 authorizes a faculty or staff member of a school to carry a concealed handgun on school grounds subject to certain conditions.

The House Civil Justice Committee amendment permits a faculty or staff member employed by a LEA to possess and carry a concealed handgun on the school grounds with the following requirements that the faculty or staff member:

- (1) possesses a valid handgun carry permit,
- (2) not be prohibited from carrying a handgun under state or federal laws,
- (3) has the written authorization of the chief of the appropriate law enforcement agency to carry or possess a concealed handgun on school grounds, and
- (4) has successfully completed 40 hours in basic training in school policing when the authorization to carry a handgun on school grounds is issued and each year following.

Additionally, the amendment requires:

- (1) the director of school to notify the chief of the appropriate law enforcement agency of the authorization of a faculty or staff member to carry a concealed handgun.
- (2) specific identifying information and documents to remain confidential.
- (3) the faculty or staff member is prohibited from carrying the handgun openly or in stadiums, gymnasiums, auditoriums, in meetings regarding disciplinary or tenure issues, medical or health offices, or any location where a provision of state or federal law prohibits the carrying of a handgun.
