XV. Adjournment

20 February, 2023

Mr. Jerry S. Boyd
Director of schools
Washington County School District
405 West College Street
Jonesborough, Tennessee 37659

**Re: Washington County Schools
Project Status Update
Washington County School System
LGA# 22043 + 22052**

Athletic Masterplans Implementation

In general, LGA (along with help from Whitney Riddle) initiated the surveys at both high schools with McCoy Land Surveying. This prior relationship and process was advantageous in completing surveys in a very timely manner, especially with recent difficulties in obtaining surveys.

1. David Crockett High School.

- LGA + civil engineer provided survey parameters and subsequently received CAD survey on 01-30-2023.
- LGA has been working with Reece Rogers of *Southern Bleacher Company* (Graham, TX) to develop the required home grandstand drawings to be used in the Phase I bid package. As discussed previously, Southern Bleacher has provided a range of \$900K - \$1.2M for the grandstand component of the Project.
- Southern Bleacher estimates having a CAD file for LGA to work with as early as next week (week of February 27).
- LGA has initiated conversations with Baseline Sports Construction (Knoxville, TN) to help develop the cost estimates for the various parts of the athletic masterplan, from which LGA can develop a phasing strategy.
- LGA's intent is to have the cost information and phasing for presentation at the March 30, 2023 BoE workshop.

2. Daniel Boone High School.

- LGA + civil engineer provided survey parameters and have not yet received the CAD survey yet. As of 02-20-2023, McCoy Land Surveying reports that the Boone survey is nearly complete and will send the CAD file soon.
- Like David Crockett HS, LGA will work with *Southern Bleacher Company* to develop the required home grandstand drawings to be used in the Phase I bid package, and the CAD survey will be sent to Southern Bleacher upon receipt of the survey information. The same range of \$900K - \$1.2M for the home grandstand component of the Project applies to Boone.

- LGA has initiated conversations with Baseline Sports Construction (Knoxville, TN) to help develop the cost estimates for the various parts of the athletic masterplan, from which LGA can develop a phasing strategy.
- LGA's intent is to have the cost information and phasing for presentation at the March 30, 2023 BoE workshop.

Security Upgrades. LGA has conducted respective school personnel as follows:

Asbury Optional High School - 9 am Friday Feb 10.

Present:

Jamie Gray (Principal)

Jarrold Adams (COO, WCS)

Phillip Patrick (Maintenance Supervisor)

Grandview Elementary School - 10 am Friday Feb 10

Present:

Tara Churchwell (Principal)

Andres Cabrera (SRO)

Jarrold Adams (COO, WCS)

Phillip Patrick (Maintenance Supervisor)

Curtis Fullbright (Director of Technology, WCS)

West View Elementary School - 11 am Friday Feb 10

Present:

Robin Street (Principal)

Jared Taylor (SRO)

Jarrold Adams (COO, WCS)

Phillip Patrick (Maintenance Supervisor)

Gray Elementary School - 1 pm Thursday Feb 16

Present:

Amy Lawson (Principal)

Kevin Sanders (SRO)

Jarrold Adams (COO, WCS)

Daniel Boone High School - 1:30 pm Thursday Feb 16

Present:

Tim Campbell (Principal)

Jarrold Adams (COO, WCS)

South Central Elementary School - 2 pm Thursday Feb 16

Present:

John McKinney (Principal)

Jarrold Adams (COO, WCS)

The remainder of meetings for schools requiring security upgrades are being scheduled this week.

February 10, 2023

INVITATION TO BID

GYM FLOOR REPLACEMENT

Sealed bids are being secured toward purchase replacement of gym flooring by the Washington County Department of Education for Daniel Boone High School as further detailed below. Proposals will be accepted until 10:00 AM EST, Tuesday February 21, 2023, at which time bids will be publicly opened and read aloud at the above Central Office address. Bidders/Representatives are welcome to attend opening. Any bid received later will be returned to sending bidder unopened. Successful bidders must provide proof of insurance and licensing where necessary for the state of Tennessee. Successful bidder must maintain documentation of clear background checks for ALL employees on school premises.

The Washington County Board of Education reserves the right to reject any bids, all bids or parts thereof, award on what is determined as best dollar value for intended educational use which may not be that of low bid, and/or award by individual group as identified by item number. WCBE also reserves the right to terminate the contract on 30 days prior written notice due to breach of contract or unsatisfactory service. The decision reached and any action of the Board will remain final.

Price quoted must be full and complete to include items of bid, disposal fees, shipping, handling, and delivery to the Daniel Boone High School, 1440 Suncrest Drive, Gray, TN 37615. All complete bids on any item will receive consideration toward award. Give full detail of any exceptions to specifications on attached sheet.

Successful bidding firm(s), if any, will receive notification by our issue of a Washington County Board of Education purchase order following Board action of award. Payment will be made in full within fifteen days of delivery and receipt of invoice and acceptance of work completed. The Board of Education is tax exempt and form can be provided.

Should any questions arise regarding these specifications, you may contact Phillip Patrick at 423-753-1100. However, any changes in specifications will be made by addendum directed to all prospective bidders and posted on our website, www.wcde.org/bids.

SPECIFICATIONS

Removal & disposal of the existing damaged flooring. Install a new fixed, wood sleeper and subfloor system consisting generally of resilient pads, plywood sleepers, plywood subfloor and steel anchors installed over a 6-mil polyethylene moisture barrier. 25/32" x 2 1/4", FIRST grade northern hard maple will be nailed approximately 16" on center. Anchored Rezill-Sleeper System DIN as manufactured by Connor Sports Flooring Corp (or product of same or better quality).

Upon proper installation, the floor will be sanded smooth using coarse, medium and fine sandpaper, then rotary sanded or "screened" to remove all drum sander marks. The floor will then be sealed with TWO coats of Bona DTS, in preparation for the painting of game lines, lettering & logos as outlined below, using Bona SuperSport game line paint. Following the painting, THREE coats of WATER based gym floor finish will be applied to the entire court surface.

After the finishing of the floor, 4" x 3" black vent cove base will be installed at the perimeter of the gymnasium floor and aluminum thresholds will be installed at each gymnasium doorway. Custom wood thresholds, ADA ramps and other styles of transitions differing from the aluminum thresholds described above will be priced separately. Pricing must include the detachment, moving and reattachment of the existing bleacher systems to allow the installation of the new flooring system. Replacement of (6) volleyball lids is also required.

SCOPE OF WORK

1. *Removal & disposal of the existing 10,000 +/- square foot court*
2. *Installation of new 10,000 +/- square foot floor system with FIRST Grade Maple*
3. *Sand, seal & finish 10,000 +/- square feet*
4. *Paint (1) Main Basketball Game Lines*
5. *Paint (1) Main Volleyball Game Lines*
6. *Paint (2) "DANIEL BOONE" End Court Lettering*
7. *Stain "B" Center Logo & Center Circle*
8. *Stain Three Point Areas*
9. *Detachment, Moving & Reattachment of Bleacher Systems during replacement*
10. *Replacement of (6) Volleyball Lids*
11. *Installation of vented cove base & thresholds*

End of specifications

Continue to Bid Quotation Sheet, complete all blanks without alterations and return BID QUOTATION SHEET, and any pertinent items in a SEALED envelope by mail or bring to Dr. Jarrod Adams, Washington County Department of Education, 405 West College Street, Jonesborough, Tennessee, 37659, so to arrive no later than the date and time given of the scheduled public opening.

For Bid Identity, clearly mark 'DBHS Gym Floor Replacement' on outside of envelope.

INVITATION TO BID

GYM FLOOR REPLACEMENT

Sealed bids are being secured toward replacement of gym flooring by the Washington County Department of Education for Ridgeview Elementary School as further detailed below. Proposals will be accepted until 10:00 AM EST, Tuesday February 21, 2023, at which time bids will be publicly opened and read aloud at the above Central Office address. Bidders/Representatives are welcome to attend opening. Any bid received later will be returned to sending bidder unopened. Successful bidders must provide proof of insurance and licensing where necessary for the state of Tennessee. Successful bidder must maintain documentation of clear background checks for ALL employees that will be on school premises.

The Washington County Board of Education reserves the right to reject any bids, all bids or parts thereof, award on what is determined as best dollar value for intended educational use which may not be that of low bid, and/or award by individual group as identified by item number. WCBE also reserves the right to terminate the contract on 30 days prior written notice due to breach of contract or unsatisfactory service. The decision reached and any action of the Board will remain final.

Price quoted must be full and complete to include items of bid, disposal fees, shipping, handling, and delivery to Ridgeview Elementary School, 252 Sam Jenkins Rd., Gray, TN 37615. All complete bids on any item will receive consideration toward award. Detailed exceptions to specifications should be made on attached sheet.

Successful bidding firm(s), if any, will receive notification by issue of a Washington County Board of Education purchase order following Board action of award. Payment will be made in full within fifteen days of delivery and receipt of invoice and acceptance of work completed. The Board of Education is tax exempt and form can be provided.

Should any questions arise regarding these specifications, you may contact Phillip Patrick at 423-753-1100. However, any changes in specifications will be made by addendum directed to all prospective bidders and posted on our website, www.wcde.org/bids.

- **01/23/2023**-BUS #7-KNOCK SENSOR OUTLET-\$890.90-DISCONTINUED, MUST BE REBUILT
- **02/02/2023**-DEF-\$2.62 PER
- **02/07/2023**-BUS #57-TURBO ACTUATOR-\$1682.80

WAITING ON A WARRANTY EGR COOLER FOR BUS #58 SINCE DECEMBER OF 2022

PARTS PRICE COMPARISON

<u>PART</u>	<u>2019</u>	<u>2022</u>
EGR COOLER	\$740.00	\$1100.00
EGR VALVE	\$675.95	\$1122.28
EGR TEMP SENS	\$52.40	\$113.74
DEF FLUID PER GAL	\$1.99	\$2.62

February 14, 2023

Dr. Jarrod Adams, COO
Washington County Board of Education
405 West College Street
Jonesborough, TN 37659

Dear Dr. Adams:

Thank you for the opportunity to provide budget pricing for your upcoming bus purchase; we are excited to have the opportunity to earn your business. After sending the quotes I would like to follow up with some information I hope will be helpful in making your decision with particular attention to the various fuel options.

Blue Bird has the most extensive power train offerings in the industry including gasoline, diesel, propane, CNG and electric. We currently have all of these running in Tennessee with a growing interest in propane with over 200 in operation across the state. The reasons for this exponential growth in propane vehicles is a result of several challenges we see in the school bus and transportation industries.

The extensive emissions constraints that are being placed on all fuel types are increasingly difficult for diesel due to the nature of the fuel. By design, it burns cooler but is also dirtier requiring extensive aftertreatment components to reduce NOx emissions and greenhouse gases. Currently, the EPA is requiring the NOx emissions to be at .05 or below g/bhp hr and will demand that number drop to .02 by 2027. Our propane power train already meets the .02 requirement and does not require any of the aftertreatment exhaust components of its diesel counterpart. These components can be costly to replace and increase failure rates resulting in unavoidable downtime.

Further, propane is not only a domestic fuel, but it is also considerably less expensive than diesel. While the propane engines do not get the same fuel economy as the diesel, the math is proving that propane school buses are still far less expensive to operate per mile. This is not just a result of a cheaper fuel with greater pricing stability but also due to cheaper maintenance and less expensive components. Our latest propane platform is the Ford 7.3L V8 "Godzilla" engine, a factory-produced engine that most any technician is able to troubleshoot. Further, by leveraging our relationship with Ford and Roush, we are able to provide excellent after sales service to support this product.

Let me be clear, we are not against diesel as an option for a school bus power train. We continue to offer the Cummins diesel and have an excellent relationship with them in the market. That said, they are currently working on a gas/propane option of their own that should be released in the next 12-18 months. Our concern is not the reliability or quality of the Cummins diesel product but more what will be required to meet future emissions standards and at what cost. We understand that choosing a bus manufacturer and power train are very important decisions and will be happy to speak to you in detail about this if necessary. Thank you again for the opportunity, and please call me with any questions.

Regards,

Chuck Harvill

Chuck Harvill
General Manager, CSBS TN & KY Operations

School Bus Purchases_FY23

Recommendation

Purchase 5 Propane buses

Cost	\$	134,724
Cost for 5 buses	\$	673,620

Grant Funds \$21,000 per Propane Bus		
Less Total Grant Reimbursement Funds	\$	105,000

Total net cost with Grant Funds	\$	568,620
---------------------------------	----	---------

Total Funds Available/County Capital Education Plan	\$	460,000
---	----	---------

Additional Fund Needed for Purchase	\$	108,620
The BOE would need to pay the \$108,620 shortfall from fund balance		

Recommendation to stay with budgeted funds

Purchase 4 Propane buses

Cost	\$	134,724
Cost for 4 buses	\$	538,896

Grant Funds \$21,000 per Propane Bus		
Less Total Grant Reimbursement Funds	\$	84,000

Total net cost with Grant Funds	\$	454,896
---------------------------------	----	---------

Total Funds Available/County Capital Education Plan	\$	460,000
---	----	---------

Remaining Funds	\$	5,104
This is within budgeted fund		

Other Alternatives

Price of Diesel Bus	\$	126,924
Purchase of 3 Diesel Buses	\$	380,772
Total Funds Available/County Capital Education Plan	\$	460,000
Remaining Funds	\$	79,228

Purchase 1 Propane Bus and 3 Diesel Buses

Price of 1 Propane Bus	\$	134,724
Price of 3 Diesel Buses	\$	380,772
Less Propane Bus Grant Reimbursement	\$	(21,000)

Total Expense \$ 494,496

Total Funds Available/County Capital Education Plan \$ 460,000

Remaining Funds	\$	(34,496)
The BOE would need to pay the \$34,496 shortfall from fund balance		

Mathematics Textbook Adoption Cycle

The 2023 Mathematics Textbook Committee requests to proceed with securing a quote from the following publishers.

- Kindergarten – 8th grade *SAVVAS Publishing Co. – envision Math Editions*
- High School AGA (Algebra 1, Geometry, & Algebra 2) *Big Ideas Learning, LLC (NGL.Cengage)*

The committee recommends these materials to be adopted as the Washington County Mathematics Textbook for the upcoming cycle beginning 2023-2024.

The Mathematics Textbook Committee and all teachers have thoroughly reviewed the approved publishers for the 2023 Adoption Cycle. The committee made up of teachers reviewed the materials by means of:

- hands-on viewing of materials,
- virtual meetings with textbook team members,
- in-person meetings with team members,
- in-person/email feedback from teachers,
- discussions with the final four publishers at a textbook caravan, and
- two teacher surveys.

In addition, the textbook committee followed the TDOE rubric for scoring and guidance. The alignment with the Math IPG tool was also used during the decision making process.

Phase I - Selection of Textbook Adoption Committee (voting members) (Meetings included going over HQIM guidance/rubric/updates/discussions of materials and sample textbooks from approved publishers sent to schools for all to preview.

Phase II - Survey to all math teachers in Washington County to select their top three preferences - committee reviewed survey and used this information to select 4 publishers for the WCDE caravan.

Phase III - Committee and additional support members attended **caravan** with a debrief session at the end. **Publishers invited: Curriculum Associates - iReady, HMH - Intro Math, McGraw Hill - Reveal TN Math, and SAVVAS –envision. (Big Ideas was virtual the following week)**

Phase IV - Survey to all math teachers to select their top choice out of the 4 publishers

Phase V – Committee members cast their final votes

Phase V - Final Vote - Present to board for approval

Phase VI - Purchase teacher editions (spring)

Phase VII - Start training teachers (late spring & early summer)

ESSER 3.0 Public Plan for Remaining Funds Addendum Guidance

2023

Local educational agencies (LEAs) are required to update the ESSER 3.0 Public Plan every six months through Sept. 30, 2023. Each time, LEAs must seek public input on the plan and any revisions and must take such input into account.

Each LEA must complete the addendum and upload it to ePlan in the LEA Document Library (March 1 and Sept. 15). The LEA must also post the addendum to the LEA's website. Like the development of the plan, all revisions must be informed by community input and reviewed and approved by the governing body prior to posting on the LEA's publicly available website. The plan intends to provide transparency to stakeholders.

Please consider the following when completing the addendum:

- On the summary page, the amounts should total the carryover amount for FY23 for each relief fund: ESSER 2.0, and ESSER 3.0.
- The LEA must respond to all questions in the document.
- The stakeholder engagement responses should closely align with the stakeholder engagement in the Health and Safety Plan.
- The LEA should ensure it uses multiple models of engagement offered to stakeholders. Examples may include surveys, in-person or virtual committee meetings, town hall meetings, or other inclusive engagement opportunities.
- LEAs should engage all applicable groups noted in meaningful consultation during the crafting of the plan and when making any significant revisions or updates to the plan.
- The number of stakeholders engaged should represent the composition of students. For example, if students with disabilities make up 15 percent of students, then 10-20 percent of respondents should represent this subgroup.
- Ensure the stakeholder engagement happened prior to the development/revision of the plan.
- Plans require local board approval and public posting.
- LEAs must update the ESSER Public Plan at least every six months through Sept. 30, 2023, seek public input on the plan and any revisions, and take such input into account.
- The American Rescue Plan (ARP) Act requires LEAs to post plans online in a language that parents/caregivers can understand, or it is not practicable to provide written translations to an individual with limited English proficiency, be orally translated. The plan also must be provided in an alternative format accessible, upon request, by a parent who is an individual with a disability as defined by the Americans with Disabilities Act.

ESSER 3.0 Public Plan for Remaining Funds

The Elementary and Secondary School Emergency Relief 3.0 (ESSER 3.0) Fund under the American Rescue Plan (ARP) Act of 2021, Public Law 117-2, was enacted on March 11, 2021. Funding provided to states and local educational agencies (LEAs) helps safely reopen and sustain the safe operation of schools and address the impact of the coronavirus pandemic on the nation’s students.

In the fall of 2021, LEAs developed and made publicly available a *Public Plan - Federal Relief Spending*. All plans were developed with meaningful public consultation with stakeholder groups. Like the development of the plan, all revisions must be informed by community input and reviewed and approved by the governing body prior to posting on the LEA’s publicly available website.

The following information is intended to update stakeholders and address the requirement.

General Information

LEA Name: Washington County Schools

Director of Schools (Name): Jerry Boyd

ESSER Director (Name): Jerry Whitaker

Address: 405 West College Street, Jonesborough, TN 37659

Phone #: 423-753-1100 District Website: www.wcde.org

Addendum Date: 2/21/2023

Total Student Enrollment:	8,138
Grades Served:	PreK-12
Number of Schools:	16

Funding

ESSER 2.0 Remaining Funds:	\$1,589,377.80
ESSER 3.0 Remaining Funds:	\$9,970,640.17
Total Remaining Funds:	\$11,560,017.97

Budget Summary

		ESSER 2.0 Remaining Funds	ESSER 3.0 Remaining Funds

	Other	\$483,628.28	
	Sub-Total	\$604,777.85	\$4,440,060.36
 			
Total		\$1,589,377.80	\$9,970,640.17

Academics

1. Describe strategic allocations to accelerate **Academic Achievement**, including how allocations support the investments identified in the district's needs assessment.

Washington County Schools (WCS) strategically allocated funds to provide tutors. This allocation will satisfy the 20% requirement for TN ALL Corps. Utilizing ESSER funds, WCS will support a district-wide summer program.

2. Describe initiatives included in the "other" category.

ESSER 2.0 – Science Resources, TN History for Kids, extended day instructional materials and supplies, CASE benchmark, GradPoint curriculum software

ESSER 3.0 – HQ intervention materials, Upfront, Scholastic, books, Heinemann, Amplify, Benchmark, Gallopade, Kesler, Generation Genius, math textbooks, IXL, Achieve 3000, Lexia, SAVVAS Successmaker, CASE benchmark, PD such as Orton-Gillingham, Kagan, 95% Group, NIET and conferences focused on math and literacy.

Student Readiness

1. Describe strategic allocations to support **Student Readiness** and the School-Related Supports necessary to access high-quality instruction, including how allocations support the investments identified in the district's needs assessment.

WCS will allocate ESSER **2.0** funds to AP students by supplying funding in support of AP and CLEP testing and AP teachers through AP training for the students' honor program and AP Capstone. Mental health supports will be continued for students with the aid of behavioral health specialists.

Under Special Populations in **ESSER 2.0**, contracted services such as school psychologists for assessments and may also contract for OT, PT, and some speech services to students. The services will be provided based on compensatory needs and IEP requirements for students in comprehensive programs. Purchases of reading and math intervention materials for students with disabilities, such as Making Connections, SPIRE, Moving with Math, etc. to support SWD. Scanners will be provided to upload all documents in EasyIEP. For the ESL population, the ELlevation platform for LEP students will be purchased to supports student data analysis, reporting, collaboration, instruction, and monitoring. Professional development will also be funded for data implementation and training. ESL instructional materials and supplies will also be purchased.

In **ESSER 3.0**, Career Counselors will advise middle school and high school students to become concentrators in specific CTE programs. These programs provide opportunities to earn Early Post-Secondary Opportunities such as credit hours toward college, certificates, and/or badges. For the ESL population, the ELlevation platform for LEP students supports student data analysis, reporting, collaboration, instruction, and monitoring. It also includes data implementation and training. Summer learning supports for SWD will also be funded. Social workers, contracted behavior health specialists and a contracted counselor for University School will be funded for social emotional and mental health services. Calming areas/self regulation tools will also be put in the schools.

2. Describe initiatives included in the “other” category.

ESSER 2.0 - Provide mental health supports for faculty and staff. A team will attend the National Drop Out Prevention Conference in Atlanta.

ESSER 3.0 – Focused Fitness and Second Step.

Educators

1. Describe strategic allocations to **Recruit, Retain and Support Educators and School Personnel**, including how allocations support the investments identified in the district’s needs assessment.

With an increase in the ESL population across the district, **ESSER 3.0** funds will provide two additional ESL teachers.

2. Describe initiatives included in the “other” category.

N/A

Foundations

1. Describe strategic allocations to **Strengthen Structural Expectations**, including how allocations support the investments identified in the district’s needs assessment.

ESSER 2.0 Provide technologies to support ESL students and parents in translating and interpreting various languages. Continue to provide connectivity for students without access to the internet to perform blending learning. Also, provide interactive panels to teachers for blending teaching.

ESSER 3.0 Update high schools’ HVAC to improve air quality for students amid COVID. Continue to provide continual connectivity for students without access to the internet to perform blending learning. Provide interactive panels to teachers who serve the ESL populations.

2. Describe initiatives included in the “other” category.

ESSER 2.0- The door access card system limits who may enter the building and allow for better control of the ongoing concerns of COVID and the tracing of COVID when the need arises.

In response to COVID, quick and efficient communication is necessary due to health-related situations. Therefore, the State allows bus drivers to use two-way radios for emergency communication. 2021 TN Code Title 55 Chapter 8 Part 1 - 55-8-192.

Two-way radio communications or any device used similarly as two-way radio communications, made to and from a central dispatch, school transportation department, or its equivalent; or the use of a device capable of voice communication to report an emergency to the 911 system, a law enforcement agency, fire department, or emergency medical provider.

School buses are an arm of the school building where the student is in an enclosed environment for a certain length of time. Providing air quality superior to the current conditions is very similar in what we are doing for the High Schools’ HVAC systems. In response to COVID, the units will inactivate indoor pathogens with air purification units on school buses. (Bipolar Ionization creates plasma of electrical charges, which removes allergens and other pathogens from the breathing space.)

Monitoring, Auditing, and Reporting

1. Outline how the LEA is continuing to actively monitor allocations; conducting interim audits to ensure an appropriate application of funds; collecting and managing data elements required to be reported; and reporting this information to the community.

The Chief Financial Officer will be responsible for the fiscal grant administration with help from the Deputy Chief of Business and Finance. Chiefs and Department Directors will administer the program components of the grant. Additionally, they will work with the public communication liaison within the system.

2. Describe how the LEA is meeting the requirements to spend 20 percent of **the total ESSER 3.0 allocation** on direct services to students to address learning loss, or indicate participation in TN ALL Corps.

WCS is participating in the second year of TN All Corps. The direct services that support students are high-quality intervention and instructional materials such as Gallopade, Heinemann, Amplify and Benchmark. Software, such as IXL, Achieve 3000, and Lexia. Professional development and supplies such as Orton-Gillingham, Kagan Strategies, 95% Group, NIET and to attend and bring back best practices from conferences focused on math and literacy. Also, professional development for ESL teachers and general education teachers with the content to be focused around student language development, academic growth and learning loss for LEP students.

To meet the Best For All District requirements, WCS will also demonstrate using 50% of ESSER funds towards academic achievement.

Family and Community Engagement

1. Describe how the LEA has continued to engage in meaningful consultation with stakeholders in the development of the revised plan.

WCS will communicate with its families and communities through district and school websites, other platforms such as, Class Dojo, Bright Arrow, and Remind. WCS created a webpage for ESSER and a unique email address for communication concerning ESSER. ESSER updates will be discussed in advisory council meetings. In addition, all school board meetings are virtually accessible through the WCS YouTube channel.

2. Describe how the LEA engaged at minimum 10 percent of the total stakeholders engaged vs. responses received in the development of the revised plan.

WCS created a webpage for communication concerning ESSER. This website is open to all stakeholders and has a dedicated email. Versus the beginning of ESSER WCS has updated one of their communication process with Bright Arrow which recently a stakeholder survey has been sent out to receive responses. The number of responses as of February 21, 2023 is 1116, this is greater than our initial participating experience. ESSER updates will be discussed in advisory council meetings. As mentioned, all school board meetings are live streamed for public knowledge. All revisions will be Board approved.

3. Describe how the LEA engaged a representation of a diverse population of stakeholders.

District survey invites are sent out through mass texts and mass emails to the Washington County District population, which includes a diverse population, to communicate the plan. ESSER is represented on a specific webpage created by the district which contains a targeted email address for any questions and comments

regarding ESSER. The website also has a stakeholder survey. WCS have 1116 responses from the current survey. This chart represents the diversity of participation. *The stakeholder representing the interest of* include special services or unique needs, English language Learners, students with disabilities, student in foster care, migratory students, incarcerated youth, diversity, equity, and inclusion, and experiencing homelessness.

1,116 responses

ESSER updates will be discussed in advisory council meetings. Additionally, major purchases are reviewed and approved at the Board of Education (BOE) meetings. The BOE meetings are live streamed for public knowledge.

4. Describe how the LEA used multiple modes of engagement (such as surveys, scheduled in-person or virtual meetings, and town halls) to gain input from stakeholders in the development of the revised plan.

In the beginning, the district used surveys, town hall meetings, mass emails, ClassDoJo and BAND which was utilized in the development of the initial plan. Since that time, an ESSER specific webpage was created for the district which contains a targeted email address for any questions and comments regarding ESSER. The website also has a stakeholder survey. The district has updated to Bright Arrow, a mass communication system which was used to communicate the current stakeholder survey. ESSER updates will be discussed in advisory council meetings. Additionally, major purchases are reviewed and approved at the Board of Education (BOE) meetings. The BOE meetings are live streamed for public knowledge.

Safe Return to In-person Instruction and Continuity of Services Plan Addendum Guidance 2023

LEAs are required to update the Safe Return to In-Person Instruction and Continuity of Services Plan every six months through **Sept. 30, 2023**. Each time, local education agencies (LEAs) must seek public input on the plan and any revisions and must take such input into account. The purpose of the plan is to keep stakeholders informed.

Every LEA should complete the addendum and upload it to ePlan in the LEA document library and post it to the LEA's website (March 1 and Sept. 15). Like the development of the plan, all revisions must be informed by community input and reviewed and approved by the governing body prior to posting on the LEA's publicly available website.

Please consider the following when completing the addendum:

- Ensure the LEA used multiple models of engagement offered to stakeholders. Examples may include surveys, in-person or virtual committee meetings, town hall meetings, or other inclusive engagement opportunities.
- LEAs should engage all applicable groups noted in meaningful consultation during the crafting of the plan and when making any significant revisions or updates to the plan.
- The number of stakeholders engaged should represent the composition of students. For example, if students with disabilities make up 15 percent of students, then 10-20 percent of respondents should represent this subgroup.
- Ensure the stakeholder engagement happened prior to the development/revision of the plan.
- The LEA must engage the health department in the development and revision of the plan. This is different from providing the health department with COVID-19 numbers.
- Plans must explicitly address every bullet point in Question 3 regarding district policies and strategies.
- Plans require local board approval and public posting.
- LEAs must update the *Safe Return to In-Person Instruction and Continuity of Services Plan* at least every six months through Sept. 30, 2023, seek public input on the plan and any revisions, and take such input into account. All revisions must include an explanation and rationale of why the revisions were made.
- All revisions must include an explanation and rationale, with meaningful public consultation and in an understandable format. The American Rescue Plan (ARP) Act requires LEAs to post their Health and Safety Plans online in a language that parents/caregivers can understand, or, if it is not practicable to provide written translations to an individual with limited English proficiency, be orally translated. The plan also must be provided in an alternative format accessible, upon request, by a parent who is an individual with a disability as defined by the Americans with Disabilities Act.

Safe Return to In-Person Instruction and Continuity of Services Plan Addendum

The Elementary and Secondary School Emergency Relief 3.0 (ESSER 3.0) Fund under the American Rescue Plan (ARP) Act of 2021, Public Law 117-2, was enacted on March 11, 2021. Funding provided to states and local educational agencies (LEAs) helps safely reopen and sustain the safe operation of schools and address the impact of the coronavirus pandemic on the nation's students.

In the fall of 2021, LEAs developed and made publicly available a Safe Return to In-Person Instruction and Continuity of Services Plan. All plans were developed with meaningful public consultation with stakeholder groups. LEAs are required to update the plan every six months through Sept. 30, 2023, and must seek public input on the plan and any revisions and must take such input into account. LEAs also must review and update their plans and ensure they align with any significant changes to CDC recommendations for K-12 schools. Like the development of the plan, all revisions must be informed by community input and reviewed and approved by the governing body prior to posting on the LEA's publicly available website.

The following information is intended to update stakeholders and address the requirement.

LEA Name: Washington County Schools

Date: 02/21/2023

1. Describe how the LEA has continued to engage in meaningful consultation with stakeholders in the development of the revised plan.

Community forums are held to provide community members and other stakeholders an opportunity to ask questions, and give meaningful input.

2. Describe how the LEA engaged the health department in the development of the revised plan.

The district consults with the Washington County and Regional Health Departments on a regular basis concerning health and safety decisions regarding our students/faculty/staff. Washington County Schools participates in regular meetings with local stakeholders, as well as, the Washington County and Regional Health Departments regarding COVID-19 and its impact to the district.

3. Provide the extent to which the LEA has updated adopted policies and a description of any such policies on each of the following health and safety strategies.

<p><i>Appropriate accommodations for children with disabilities with respect to health and safety policies</i></p> <p><i>Chief Students Support Officer, IEP/504 case managers, school nurses, principals, teachers and counselors will work with families to develop student specific education plan for students with complex needs.</i></p>
<p><i>Physical distancing (e.g., use of cohorts/podding)</i></p> <p><i>Classroom configurations will promote learning and maximize distance where feasible. - Desks are encouraged to be arranged in a way that all students face one direction. - Students will be taken outside when feasible. - Building faculty meetings, full administrative meetings and professional development activities will occur in person, meeting coordinators will choose large space/rooms as meeting site to maximize distance where feasible. - Cohorts will be encouraged. - Encourage children not to share personal items.</i></p>
<p><i>Hand washing and respiratory etiquette</i></p> <p><i>General hand hygiene will be practiced throughout the day to minimize spread through the use of common items. - Elementary students will participate in hand washing classes. - Proper hand washing technique signs will be posted in bathrooms and near sinks. - Alcohol-based hand sanitizer and sanitizing wipes will be available. - Wash hands often with soap, warm water, and disposable paper towels. - Wear appropriate gloves and mask when it is reasonably anticipated that there may be hand contact with droplets and when handling or touching contaminated items or surfaces. - Wash hands immediately or as soon as feasible after removing gloves. - Cover mouth with tissue or elbow when coughing or sneezing. - Avoid touching your eyes, nose, and mouth. - Stay home when you are sick. All employees and students will self-screen prior to coming to school. Symptoms to look for: new cough, difficulty breathing, loss of taste/smell, fever > 100.4°F, chills, congestion/runny nose, nausea/vomiting, diarrhea, muscle pain and fatigue.</i></p>
<p><i>Cleaning and maintaining healthy facilities including improving ventilation</i></p> <p>All high-touch surfaces will be cleaned/disinfected by custodial staff on a regular daily schedule (door handles, light switches, etc.) following EPA/CDC manufacturer guidelines.</p> <ul style="list-style-type: none"> - Desks will be cleaned on a frequent basis. - Students and faculty/staff should sanitize hands on a frequent basis. Hand sanitizer will be made available in classrooms and common areas. - Physical education equipment will be cleaned on a regular basis. - Water bottle refill stations are in use. Hands-free allowing for decrease in opportunity to spread virus and/or bacteria. - Ventilate all classrooms and common areas when available/possible using windows. Doors and windows will be open to the extent feasible while maintaining perimeter security. If the air conditioner is running, doors and windows will remain closed. Exterior doors will remain locked. Systems will be set to provide frequent air exchange.
<p><i>Contact tracing in combination with isolation and quarantine</i></p> <p><i>Students and employees are encouraged to report symptoms and positive cases to their building nurse or the coordinated school health office, similar to reporting for other communicable diseases. - Per the newly enacted law, the Tennessee Commissioner of Health has the sole authority to determine quarantine guidelines. For Washington County, the Northeast Regional Health Department will be responsible for all contract tracing associated with COVID-19 cases, including any communication to any citizen of exposure to a positive COVID-19 case. Washington County Schools will continue to isolate positive cases per the Tennessee Department of Health</i></p>

guidelines. - Washington County Schools will continue to follow all allowable measures to prevent the spread of any communicable disease which may endanger the health of either an individual or others in the regular school setting. If/when an individual student or employee has a communicable disease that may endanger the health of either himself/herself or other individuals in a school setting, the individual will be excluded from the school until the individual is fever-free for 24 hours without the use of fever-reducing medication and symptom improvement. - Will consult with the Washington County and Regional Health Department on a regular basis regarding health and safety decisions regarding our students/faculty/staff. - District will participate in regular meetings with the Washington County and Regional Health Department regarding COVID-19 and impact to the district.

Diagnostic and screening testing

Educate all stakeholders (students, faculty, staff, parents/guardians, etc.) on the signs and symptoms of COVID-19 and encourage screening at home prior to coming to school and/or reporting to work. - The school nurse will evaluate any individual who presents with symptoms and provide guidance. - If appropriate, the school nurse will test students/faculty/staff for COVID-19 through telehealth partnership with the local health system or refer to the local health department medical facility.

Efforts to provide vaccinations to educators, other staff, and students, if eligible

Educate all stakeholders (students, faculty, staff, parents/guardians, etc.) on the signs and symptoms of COVID-19 and benefits of vaccination. Encourage vaccination/booster if age appropriate. - Provide students, families, faculty and staff with local resources regarding facilities offering vaccinations.

Universal and correct wearing of masks

With the signing of the Tennessee Senate Bill 9014 into law by Governor Bill Lee on Friday, November 12, 2021, Washington County Schools will no longer have a face covering (mask) requirement for any student, employee, or visitor in any school building or bus. Face coverings are optional. Individual employees and students may continue to wear and are encouraged to wear face coverings for personal protection.

4. Provide a current description as to how the LEA is ensuring continuity of services including but not limited to services that address students' academic needs and students' and staff's social, emotional, mental health, and other needs, which may include student health and food services.

Instruction for the 2022-2023 school year will begin on Monday, August 1, 2022 with a regular Monday through Friday schedule. The following options were made available to families: - In-person (face to face) instruction - Virtual Academy (6th-12th) Student's medical issues which require a temporary leave from school will be addresses on a case by case basis to determine appropriate instructional alternatives to continue the student's education in consideration of information provided by the student's healthcare provider, parents/guardians, principal, teacher and counselor, as well as, IEP, if applicable. To address the mental health concerns for our students/faculty and staff, the following measures will be in place for the 2022-2023 school year: - School counselors will provide mental health support for students and connect families with resources and services. - Second Step, SEL curriculum, will be implemented in all K-8 schools. - Behavioral Health Therapists and/or Student Assistant Counselors will be available in every school offering assistance, services and resources to students, families, faculty and staff. - Social workers will be available to provide all schools with assistance, services and needed resources for students/families in need. - School nurses are available in every school and will address health and wellness in a holistic manner providing needed support, resources and referrals. - Professional development options will continue to support mental health/stress reduction.

Calming corners and calming boxes will be available in each school to support mental health and stress reduction. - Virtual calming rooms will be available to all stakeholders via the district website. Washington County Schools (WCS) is working diligently to ensure a safe environment, while continually providing education to our students. Our top priority is protecting students, families, and staff. WCS will continue following guidelines from the Centers for Disease Control and Prevention (CDC) and the Tennessee Department of Health (TDOH).

Thank you for allowing TriMark the opportunity to provide pricing. Please be aware in this very unstable market; manufacturers are experiencing delays, pricing increases and additional freight surcharges and storage fees. **As such, quotes will remain in effect for 10 days.** TriMark reserves the right to make any corrections or adjustments due to cost increases, market fluctuations, supply chain disruptions, tariffs, third party supplier changes in cost, general contractor delays, or any other factors outside of TriMark's control at any time prior to delivery. We apologize for the inconvenience.

For all custom fabricated equipment, exhaust hoods, walk-in coolers/freezers, and all items requiring owner selections of colors or laminate finishes, these prices are current estimates. We will re-quote those items based on the manufacturers' prices in effect at the time when field measurements can be taken and/or color/laminate selections are made by the owner. This policy also applies to all items of standard manufacture that cannot be shipped immediately upon fabrication to an owner's or general contractor's facility.

Brad

After speaking with Mr. Boyd, I am requesting the issuance of an "Emergency" purchase order to cover the attached invoice amount of \$17,000 for Kingsport armature for the replacement pole at Daniel Boone High School's baseball field. Thank you.

Other Fees

Additional fee applied to each exam ordered between November 16, 2022, and March 15, 2023, 11:59 p.m. ET

(Note: This fee won't apply to exams for courses that start after the November 15 final ordering deadline—for example, second-semester or spring block courses—and exams for students who transfer to your school.)

Unused/canceled exam fee

\$40 per exam for:

- Exams canceled in AP Registration and Ordering after November 15 and by March 15 (11:59 p.m. ET)
- Exams that aren't taken and are indicated as unused in AP Registration and Ordering before the school's invoice is generated. (Invoices are generated after late testing ends.)

The original exam fee is removed from the invoice.

Late-testing fee

\$40 per exam (in addition to base exam fee) as applicable for alternate exams for late testing.

(Note: Most reasons for late testing don't incur an additional late-testing fee. Review the [late-testing policies \(/exam-administration-ordering-scores/ordering-fees/late-testing\)](#) for details.)

AP Exam Fee Reduction

- Visit [AP Exam Fee Reductions \(/exam-administration-ordering-scores/ordering-fees/exam-fees/reductions\)](#) for information about eligibility criteria and the procedure for indicating eligible students for the College Board fee reductions in AP Registration and Ordering.
- Some states also provide funding for AP Exams. Learn more at [Federal and State AP Exam Fee Assistance \(/exam-administration-ordering-scores/ordering-fees/exam-fees/federal-state-assistance\)](#).

Line Item Total:

"This year has been a challenge in accelerating students learning and readapting to an in-person environment. By creating a CTE Connection lab, students will practice soft skills which have been delayed due to COVID and encourage students to focus on their future and career choices bringing positive academic experiences within this life-changing pandemic. For CTE Connection Lab integration activities, students in grades 5-8 will experience high school Programs Of Study (POS): Entrepreneur, Mechanical, Electrical, and Plumbing (MEP), Health Science, Agriculture, and Welding.

All activities are connected to middle school Math, Literacy, and Science standards. In connection to MajorClarity exploration of careers, students will engage in CTE/STEM activities with an example but not limited to the following supplies and materials:

- plumber's activity
- electrical wiring kits
- electrical wiring wall panels
- career scenario cards
- plan mini education hydroponics systems
- Plant Producer educational Hydroponics system
- measurement math training kits
- medical math Training Kit
- food truck design kits

Notes:

Pricing does not include sales tax. Freight, if any, will be added at the time of invoice. A signature is needed to proceed with order.
 Payment terms: 50% Deposit Upon Order, Net 20 Upon Final Invoice

Terms:

Client agrees that the list of items contained herein has been reviewed and accurately sets forth the items to be purchased. The client acknowledges and agrees that the items to be purchased are made to order and may not be returned and that the purchase of the items is final. The client agrees to pay the purchase price according to net 20 days payment terms.
 Any unpaid balance shall accrue interest of 1 1/2% per month. Buyer agrees to pay the balance, as extended, together with all cost of collections including reasonable attorneys fees and court costs if collection by law or by an attorney at law is necessary.

PARKING LOT LEASE AGREEMENT

This Agreement is entered into this the ____ day of _____, 2023 by and between the Washington County Board of Education (hereinafter, “the School Board”) and the Board of Elders for Crossroads Christian Church (hereinafter, “the Church”) and sets forth the terms and conditions governing the School Board’s lease of the Church’s parking lot.

1. General Terms. For the initial sum of _____, paid by the School Board to the Church on or before June 30, 2023, and thereafter, on July 1 for each year of this lease, the annual sum of one dollar (\$1.00), the Church does hereby grant to the School Board a non-exclusive right to use the Church’s parking lot for the purpose of overflow parking from Daniel Boone High School. This lease shall run through June 30, 2048, and may be renewed by the agreement of School Board and the Church.

2. Conditions. The Church shall have the right to establish reasonable requirements on the use of the parking lot, such as designating specified areas to park, and the School Board shall cooperate in good faith with the Church to respect the Church’s ownership of the property.

3. Maintenance. The Church shall be exclusively responsible for any maintenance and upkeep of the parking lot, and the Church specifically waives any claim for contribution toward the maintenance and upkeep of the lot made necessary, in whole or in part, by the School Board’s use. It is understood and agreed that the initial sum set forth in Paragraph 1 above is intended to compensate the Church in advance for any wear and tear on the lot occasioned by the School Board’s use.

4. Insurance and indemnity. It is understood and agreed by and between the School Board and the Church that this parking lot is unsecured and that there is no way to monitor access to it. Accordingly, both parties understand and agree that it is their responsibility to carry appropriate insurance on their own property, and both parties disclaim any duty to indemnify the other except to the extent that Tennessee law may require otherwise.

□

IN WITNESS WHEREOF, we have set our hands:

Mike Masters,
Chairman of the Board
Washington County Board of Education

#####,
Chairman, Board of Elders
Crossroads Christian Church

First Reading

Washington County Board of Education			
Monitoring: Review: Annually	Descriptor Term: Grading System	Descriptor Code: 4.700	Issued Date: 06/30/22
		Rescinds: 4.700	Issued: 12/10/20

1 The Director of Schools shall develop an administrative procedure to establish a system of grading and
2 assessment for evaluating and recording student progress and to measure student performance in
3 conjunction with board-adopted content standards for grades K-8. The grading/assessment system shall
4 follow all applicable statutes and rules and regulations of the State Board of Education. The
5 grading/assessment system shall be uniform, district-wide, at comparable grade levels, except that the
6 Director of Schools shall have the authority to establish and operate ungraded and/or unstructured classes
7 in grades K-3 according to state rules and regulations.¹

8 The Director of Schools shall submit a copy of the grading and assessment systems to the Board before
9 the system is implemented.² These guidelines shall be communicated annually to students and
10 parent(s)/guardian(s).¹

11 Conduct grades are based on behavior and shall not be reflected in scholastic grades.

12 **GRADING SYSTEM: PRE-KINDERGARTEN THROUGH GRADE 8**

13 **Grading Procedure: Pre-Kindergarten & Kindergarten**

- 14 1. The student’s performance on adjustments to school for each reporting period will be
15 indicated by a check.
16 2. Skills will be recorded by S-Satisfactory or N-Needs Improvement.

17 **Grading Procedure: Grade 1**

18 **Grading Legend**

- 19 • A.....Excellent Progress
20 • B.....Good Progress
21 • C.....Average Progress
22 • D.....Below Average Progress
23 • F.....Unsatisfactory Progress

24 **Grading Procedure: Grades 2-8**

25 Subject area grades shall be expressed by the following letters with their corresponding
26 percentage range:

27

- 1 • A.....90-100 (Excellent)
- 2 • B.....80-89 (Above Average)
- 3 • C.....70-79 (Average)
- 4 • D.....60-69 (Low Average but Passing)
- 5 • F.....0-59 (Failure)

6 Grades in Art, Music, Physical Education and Conduct (grades 1-8) and specific
7 academic areas (science and social studies) in grades 1-2 shall be marked as follows:

- 8 • E.....Excellent
- 9 • S.....Satisfactory
- 10 • N.....Needs Improvement

11 Semester grades are not issued in Art, Music, Physical Education, and Conduct (grades
12 1-8). Conduct grades are based on behavior and shall not be deducted from scholastic
13 grades.

14 Semester grades in 5-8 will be determined by calculating the average of the two-nine-
15 week grading periods.

16 **GRADING SYSTEM: GRADES NINE - TWELVE (9-12)¹**

17 Schools teaching grades nine (9) through twelve (12) shall use the uniform grading system established
18 by the State Board of Education. Using the uniform grading system, students' grades shall be reported
19 for the purposes of application for post-secondary financial assistance administered by the Tennessee
20 Student Assistance Corporation.

21 Subject-area grades shall be expressed by the following letters with their corresponding percentage
22 range:

- 23 • A (90-100)
- 24 • B (80-89)
- 25 • C (70-79)
- 26 • D (60-69)
- 27 • F (0-59)

28 This grading system shall be uniform throughout the school district for each grade.

29 Advanced coursework grades shall be weighted with additional percentage points to calculate the
30 semester average. Depending on the course taken, the following percentage points shall be assigned:

- 31 • Honors Courses – three (3) percentage points;
- 32 • Local and Statewide Dual Credit, Capstone Industry Certification Aligned, and Dual Enrollment
33 Courses – four (4) percentage points; and
- 34 • Advanced Placement, Cambridge International, College Level Exam Program (CLEP), and
35 International Baccalaureate Courses – five (5) percentage points.

1 Quality points will be added to the numerical quality point value corresponding to the letter grade
2 received in the course.

- 3 • One (1) quality point (A=5, B=4, C=3, D=2, F=1) shall be added to the numerical quality point
4 value corresponding to the letter grade received in the following early postsecondary course(s):
5 Advanced Placement (AP), **Capstone Industry Credentials**, Statewide Dual Credit, or Dual
6 Enrollment. (***Capstone Industry Credential should indicate as either Valued or Preferred on**
7 **the Tennessee Promoted Student Industry Credential Tier List**)

8 **LOTTERY SCHOLARSHIPS³**

9 Each school counselor shall provide incoming freshman with information on college core courses
10 required for lottery scholarships as well as necessary criteria (grade point average, ACT and SAT score,
11 etc.) that must be met in order to receive a scholarship.

12 Seniors may apply for the Tennessee HOPE Scholarship by completing the Free Application for Federal
13 Student Aid (FAFSA). The FAFSA is available at the guidance office or online. Students shall be made
14 aware of all applicable FAFSA deadlines and encouraged to submit applications in a timely manner.

15 Elementary school counselors shall explain the HOPE Scholarship and its requirements to their students
16 and impress upon them the benefits of making good grades.

17 **LOTTERY SCHOLARSHIP DAY**

18 Each school year, prior to scheduling courses for the following school year, schools teaching students in
19 grades 8-11 shall conduct a lottery scholarship day for students and their parents.⁴
