1 GRADING PROCEDURES FOR GRADES K-5^{1,2}

2 The grading system for Lakeland School System schools in accordance with the Tennessee Uniform
3 Grading System establishes the grading system for grades Kindergarten through Fifth grade.

4 Two (2) report cards are used in grades K-5; (1) for Kindergarten; (1) for grades 1-5. Teachers should
5 refer to the appropriate card for an explanation of the grading system for each level.

6 **Kindergarten:**

7 The Kindergarten report cards show progress toward the state standards. The grade level standard is set
8 by the state and indicates what a student should know and be able to do. Students are evaluated based
9 on their progress toward meeting benchmarks for each standard. This is indicated by mastery or non-
10 mastery for each skill. Report cards are sent home at the end of each nine-week quarter.

11 **Grades 1-5:**

12 In all schools, students' conduct is graded as "E", "G", "S", "N", or "U" and is to be reported at each
13 grading period on the report card. Self-contained classes receive one homeroom conduct grade.
14 Individual subject classes each give a conduct grade.

15 The basic grading system for knowledge/subject area is expressed by the letters "A", "B", "C", "D",
16 and "F" with the following numerical values except for 1st grade science and social studies, which will
17 be expressed by the letter "S" or "N".

- 18
- 19 ● A (90-100)
- 20 ● B (80-89)
- 21 ● C (70-79)
- 22 ● D (60-69)
- 23 ● F (0-59)

24 GRADING PROCEDURES FOR GRADES Six-Eight (6-8)^{1,2}

25 Lakeland School System Board of Education policy, in accordance with the Tennessee Uniform
26 Grading System, establishes the grading system for grades 6-12.

27 Report cards are sent to parents at the end of each nine-week period. Parents must be notified within a
28 report card period when a student is not doing acceptable work.

1 Grades Six-Eight (6-8):

- 2 1. In all schools, students' conduct is graded as "E", "G", "S", "N", or "U" and is to be reported at
3 each grading period on the report card. Self-contained classes receive one homeroom conduct
4 grade. Individual subject classes each give a conduct grade.
- 5 2. The basic grading system for knowledge/subject area is expressed by the letters "A", "B", "C",
6 "D", and "F" with the following numerical values

- 7 ● A (90-100)
- 8 ● B (80-89)
- 9 ● C (70-79)
- 10 ● D (60-69)
- 11 ● F (0-59)

12 Grade Calculations for Grades Six-Eight (6-8)

13 Scores on state-mandated exams shall comprise a percentage of the students' final grade for the second
14 semester. (TCA 49-1-617)

15 No student should fail for the semester or year if the only failing grade is that of the end of course
16 state-mandated exam. Semester exams are not given to students in grades 6-8 with the exception of
17 high school level courses. High school level courses taken in middle school will be handled in the
18 same manner as all other high school courses taken in grades 9-11.

19 For courses which have no state-mandated exam required during a given semester, semester grades are
20 determined by counting the two quarter grades as 50%. For courses which have a state-mandated exam
21 required during the second semester, the second semester grades are determined by counting the two
22 quarter grades as 90% and the state-mandated exam as 10%. Should LSS not receive its students' state-
23 mandated exam scores at least five (5) instructional days before the end of the school year, second
24 semester grades shall be determined by averaging the two quarter grades.

25 GRADING SYSTEM: GRADES NINE - TWELVE (9-12)¹

26 The grading system for Lakeland School System schools in accordance with the Tennessee Uniform
27 Grading System establishes the grading system for grades nine (9) through twelve (12).

28 Grades will be reported on report cards and transcript records using the numerical values indicated
29 below:

7 students who do not sit for the culminating exam, grades will be deducted for all grading periods
8 within the current school year.

9 **GRADING**

10 **Semester Grades**

11 The first and second semester grades are determined by counting the two quarter grades as 80% and
12 the semester teacher-created examination as 20%. For second semester grades, state-mandated exams
13 may also be calculated into the student's second semester grade if received in time to be required by
14 law. All high school courses will have a teacher-made exam even if that course also has a state-
15 mandated exam.

16 **State-Mandated Exams**

17 For students in grades 9-12, scores on state-mandated exams shall comprise ~~15%~~ 10% of the students'
18 final grade for the second semester while the teacher-made exam will be worth ~~5%~~ 10% of the

20 time, the teacher-made exam will be worth 20% of the student's second semester grade.

21 **Semester Exams**

22 **All high school level courses will have a first semester exam that will be taken by all students in**
23 **ninth, tenth, and eleventh grades as well as middle school students who are taking high school**
24 **courses. Twelfth graders will have the option to be exempt if they meet exemption criteria;**
25 **however, for courses that are only one semester, students in grades 9-11 may also be exempt**

27 **second semester exam exemption.**

28 **Requirements for First Semester Exam Exemptions for Twelfth Graders**

- 29
- 30 ● Twelfth graders who have a 90 or higher average for the two quarters during the first semester
31 in a high school course will be exempted from the semester exam if the student desires. When a
32 student is exempted from the examination, the semester average will be the average of the two
33 quarter grades only plus the end of course state-mandated exam, if applicable.
 - 34 ● Additionally, to be eligible for exam exemption, a student must have zero unexcused absences
35 or partial unexcused absences for the semester in which the course exam is taken.
 - Students who receive a truancy notification letter will be disqualified from all exemptions.

36 **Requirements for Second Semester Exam Exemptions in High School Courses for All Students**

- 1 ● Students who have a 90 or higher average for the two quarters during the second semester in a
 2 high school course will be exempted from the semester exam if the student desires. When a

 4 quarter grades unless the course has a state-mandated exam and those scores are returned on
 5 time.
 6 ● Additionally, to be eligible for exam exemption, a student must have zero unexcused absences
 7 or partial unexcused absences for the semester in which the course exam is taken.

 17 for Federal Student Aid (FAFSA). The FAFSA is available at the guidance office or online. Students
 18 shall be made aware of all applicable FAFSA deadlines and encouraged to submit applications in a

 21 students and impress upon them the benefits of making good grades.

Club	Grades Involved	Description
Junior Beta Club	6th, 7th, 8th	National Beta Club is the largest independent, non-profit, educational youth organization in America. And for more than 80 years, it has prepared today's students to be tomorrow's leaders. The National Beta Club is an organization for 4th through 12th grade students in the United States. Its purpose is "to promote the ideals of academic achievement, character, leadership and service among elementary and secondary school students."

Students will be focusing on an artist and creating artwork that is inspired by that artist. Students involved in art classes should apply. Art Club will meet once a week for a 4-5 week period during the second semester. 7th-8th Grade Art Club will include (but is not limited to) creating banners, posters, etc. for school events. Drama Club - Soon to be Thespian Troupe	5th, 6th, 7th, 8th	Jr. Thespian and Thespian Troupe 10902 - Lakeland Preparatory School - Commitment to theatre is what the International Thespian Society is all about. The Society was established in 1929 by a group of college and high school teachers in Fairmont, West Virginia. They named their organization for Thespis, the Greek who, according to legend, was the first actor; their guiding principle was a dedication to excellence in theatre arts in secondary schools. In the years since, the Society has grown into an international organization with more than 2.2 million members, but its goals haven't changed; the International Thespian Society still strives to make education and arts programs places for good theatre and to honor those students who do theatre well. The Society is a service as well as an honorary organization. This school year we will hold Thespian meetings, elect officers, attend the TN Thespian Conference in January and have special events. We are excited for the future of Jr. Thespian and Thespian Troupe 10902.
Jazz Band	5th, 6th, 7th, 8th	The LPS Jazz Bands will serve as an introduction to the rich history of jazz music. Through ensemble rehearsal, individual practice, and a variety of performance opportunities, the student will gain an understanding and appreciation for this great art form. Emphasis will be placed on rudimentary improvisational skills, a sense of personal accountability, and musicianship as well as performance techniques. Members will study and perform different forms of music including jazz, funk, and blues. Each student is expected to show musical and technical growth through participation in this ensemble. Public and outside of school day performances are a requirement of the ensemble.
Gamers Unplugged	5th, 6th, 7th, 8th	Gamers Unplugged is a time for students to unplug from technology and have fun with their fellow classmates. 24-25 HIGH SCHOOL CLUBS

Club	Grades Involved	Description
Theatre - Soon to be Thespian Troupe	9-12	Jr. Thespian and Thespian Troupe 10902 - Lakeland Preparatory School - Commitment to theatre is what the International Thespian Society is all about. The Society was established in 1929 by a group of college and high school teachers in Fairmont, West Virginia. They named their organization for Thespis, the Greek who, according to legend, was the first actor; their guiding principle was a dedication to excellence in theatre arts in secondary schools. In the years since, the Society has grown into an international organization with more than 2.2 million members, but its goals haven't changed; the International Thespian Society still strives to make education and arts programs places for good theatre and to honor those students who do theatre well. The Society is a service as well as an honorary organization. This school year we will hold Thespian meetings, elect officers, attend the TN Thespian Conference in January and have special events. We are excited for the future of Jr. Thespian and Thespian Troupe 10902.

2024 Local Education Agency Compliance Report

Local education agencies (LEAs) are required to comply with all federal and state education laws and State Board of Education (SBE) rules. This annual compliance report is one mechanism the department uses to ensure education laws and rules are faithfully executed. The commissioner of education is charged with taking corrective action when an LEA is noncompliant with those laws and rules or is not following a department-approved compliance plan.

Each LEA must submit this report and, if applicable, the corresponding corrective action plan, to the department by **November 29, 2024**. During completion, an LEA should carefully check the status of its compliance with all federal and state education laws and SBE rules. The department monitors and verifies LEA compliance via multiple data sources (e.g., Education Information System, internal program managers) and will consider those sources in making a final determination of an LEA's compliance. Please be advised annual compliance report data may inform an LEA's approval classification.

I certify that the LEA is in compliance with all federal and state education laws and SBE rules.

I certify that, with the exception of areas indicated in the **attached corrective action plan**, the LEA is in compliance with all federal and state education laws and SBE rules.
