If the employee is not satisfied with the decision, the employee may appeal the decision to the Board by making a written request to the complaint manager. The complaint manager shall be responsible for promptly forwarding all materials relative to the complaint and appeal to the Board. Thereafter, the Board shall render within thirty (30) days from the date the appeal was received, review the report and affirm, overrule or modify the decision and render a written finding which shall be provided to the complainant. This grievance procedure shall not be construed to create an independent right to a Board hearing.

APPOINTING COMPLAINT MANAGERS

The director of schools shall appoint at least two complaint managers, one of each gender. The Federal Rights Coordinator may be appointed as a complaint manager. The director of schools shall insert into this policy the names, addresses and telephone numbers of current complaint managers. (*see note*)

(Note: Title IX regulations require districts to identify the name, address and telephone number of the person who is responsible for coordinating the district's compliance efforts. A policy should not be adopted with a person's name in it; rather, the identifying information can be added and amended as necessary.

2 Professional personnel shall earn one (1) day of sick leave for each month employed during the school
3 year, and these days shall accumulate for an unlimited number of days.¹

8 A signed statement listing the cause of absence shall be provided by the employee on forms furnished
9 by the Director of Schools and shall promptly be given to the immediate supervisor in support of all
10 claims for sick leave pay. A falsified statement shall be grounds for dismissal.

11 Documentation from a physician may be required in support of any claim for sick leave pay.

12 The principal shall notify the Director of Schools' office at once if an employee is sick beyond the limit
13 of his/her sick leave accumulation.

14 Permanent, cumulative sick leave records for each active professional employee shall be kept in the
15 Director of Schools' office.

Monitoring: Review: Annually, in February	Descriptor Term: Long-Term Leaves of Absence for Professional Personnel	Descriptor Code: 5.304	Issued Date:
		Rescinds: GBRI	Issued:

Any person holding a position requiring a license to teach shall be granted leave for military service, legislative service, maternity, adoption, recuperation of health, educational improvements or other sufficient reason without loss of accumulated leave credits, tenure status, or other fringe benefits. All leaves shall be requested in writing at least thirty (30) days in advance on forms provided by the director of schools. The 30-day notice may be waived or reduced by the director of schools upon submission of a certified statement by a physician. The application for leave forms shall require:

1. A description of the type of leave requested;
2. The requested dates for beginning and ending the leave; and
3. A statement of intent to return to the position from which leave is granted.

Each request for leave must be acted upon by the director of schools within fifteen (15) days. Each applicant shall be notified in writing of the action of the director and the beginning and ending dates of the leave which is granted. All leaves, except military leave, shall be from a specific date to a specific date. However, any leave may be extended by the director of schools upon written request from the teacher. Military leave shall be granted for whatever period may be required. The procedure and condition for extending a leave are the same as those used when originally requesting and granting the leave.

Positions vacated for less than twelve (12) months by teachers on leave shall be filled with an interim teacher while the teacher is on leave. If the teacher returns from leave within 12 months, the interim teacher shall relinquish the position. If the leave exceeds twelve (12) months, the teacher shall be placed in the same or a comparable position upon return.

Part-time leaves may be granted by the director of schools upon written request for the same conditions as for full-time leave.

Any teacher on leave shall notify the director of schools at least thirty (30) days prior to the date of return if the teacher does not intend to return to the position from which he/she is on leave. Failure to give such notice shall be considered breach of contract.¹

3 leave in the case of maternity and recuperative leaves. Employees shall have the opportunity to continue
4 participation, at their own expense, in group insurance plans subject to restrictions of the insuring carrier.

5 Employees who take leave under the provisions of the Family Medical Leave Act (FMLA) shall have

7 leave is limited to twelve (12) weeks and subject to the restrictions and conditions of the Family and
8 Medical Leave Act.

Monitoring: Review: Annually, in February	Descriptor Term: Family and Medical Leave	Descriptor Code: 5.305	Issued Date: 02/11/16
		Rescinds: 5.305	Issued: 08/13/13

1 PURPOSE

2 To entitle employees to take reasonable leave for medical reasons, for the birth or adoption of a child,
3 and for the care of a child, spouse or parent who has a serious health condition.

4 ELIGIBILITY

5 Anyone who has been employed for at least twelve (12) months by the school system and anyone
6 who has at least 1,250 hours of service (hours used for leave, even FMLA leave, shall not be credited
7 for service for purposes of FMLA eligibility¹) during the previous twelve-month period.²

8 GENERAL PRINCIPLES

- 9 1. Any employee shall be granted, upon request, up to twelve (12) weeks unpaid leave for the birth
10 or adoption of a child, the care of a child, spouse, or parent who has a serious health condition
11 or for qualifying exigencies arising out of the fact that the employee's spouse, child, or parent
12 is on active duty, or has been notified of an impending call or order to active duty, in support
13 of a contingency operation. (Any employee requesting leave due to pregnancy, childbirth, or
14 adoption shall be granted up to four (4) months leave.)³
- 15 2. Any employee on maternity leave shall be permitted to use accumulated sick leave during
16 the period of actual physical disability only. Otherwise, the maternity leave shall be unpaid
17 leave. A teacher may use up to thirty (30) days of accumulated sick leave for the adoption of
18 a child. If both adoptive parents are teachers, only one parent may request leave. Written
19 verification from the adoption agency or other entity handling the adoption shall be required
20 before the leave is granted.⁴
- 21 3. A physician's statement may be required by the director of schools when determining the period
22 of actual physical disability.⁵
- 23 4. Request for leaves and extension of leaves shall conform to state law governing all leaves
24 of absence.

25 QUALIFYING EXIGENCIES

26 Qualifying exigencies include:

- 27 • Issues arising from a covered service member's short notice deployment (i.e., less days of notice)
28 for a period of seven days from the date of notification;
- 29 • Military events and related activities, such as official ceremonies, programs, or events sponsored
30 by the military or family support or assistance programs and informational briefings sponsored

1 or promoted by the military, military service organizations, or the American Red Cross that are
2 related to the active duty or call to active duty status of a covered service member;

- 3 • Making or updating financial and legal arrangements to address a covered service member's
4 absence;
- 5 • Attending counseling provided by someone other than a health care provider for oneself, the
6 covered service member, or the child of the covered service member, the need for which arises
7 from the active duty or call to active duty status of the covered service member;
- 8 • Taking up to 15 days of leave to spend time with a covered service member who is on short-term
9 temporary, rest and recuperation leave during deployment;
- 10 • Attending to certain post-deployment activities, including attending arrival ceremonies,
11 reintegration briefings and events, and other official ceremonies or programs sponsored by the
12 military for a period of 90 days following the termination of the covered service member's active
13 duty status, and addressing issues arising from the death of a covered service member;
- 14 • Any other event that the employee and employer agree is a qualifying exigency.

15 **MILITARY CAREGIVER LEAVE⁸**

16 An eligible employee who is a spouse, child, parent, or next of kin of a covered service member
17 or covered veteran with a serious injury or illness shall be granted up to a total of 26 workweeks of
18 unpaid leave during a “single 12-month period” to care for the covered service member or covered
19 veteran. A covered service member is a current member of the Armed Forces, including a member
20 of the National Guard or Reserves, who is undergoing medical treatment, recuperation, or therapy, is
21 otherwise in out-patient status, or is otherwise on the temporary disability retired list, for a serious
22 injury or illness. A covered veteran is an individual who was a member of the Armed Forces at any
23 time during the period of 5 years preceding the date of the medical treatment, recuperation, or therapy
24 that has a serious injury or illness who is currently receiving medical treatment, recuperation, or
25 therapy. The calculation of this 5-year period shall not include the interval of October 28, 2009
26 through March 8, 2013.

27 For covered service members, a serious injury or illness is one that was incurred by a service member
28 in the line of duty on active duty that may render the service member medically unfit to perform the
29 duties of his or her office, grade, rank, or rating. For covered veterans, a serious injury or illness is
30 defined as:

- 31 (i) a continuation of a serious injury or illness that was incurred or aggravated in the line of
32 duty while on active duty that rendered the veteran unable to perform the duties of the
33 veteran's office, grade, rank, or rating;
- 34 (ii) a physical or mental condition for which the veteran has received a U.S. Department of
35 Veterans Affairs Service Related Disability Rating (VASRD) of 50 percent or higher, and
36 such VASRD rating is based, in whole or in part, on the condition precipitating the need for
37 military caregiver leave;

- (iii) a physical or mental condition that substantially impairs the veteran's ability to secure or follow a substantially gainful occupation by reason of a disability or disabilities related to military service, or would do so absent treatment or
- (iv) an injury, including a psychological injury, on the basis of which the veteran has been enrolled in the Department of Veterans Affairs Program of Comprehensive Assistance for Family Caregivers.

The “single 12-month period” for leave to care for a covered service member or covered veteran with a serious injury or illness begins on the first day the employee takes leave for this reason and ends 12 months later, regardless of the 12-month period established by the employer for other types of FMLA leave. An eligible employee is limited to a combined total of 26 workweeks of leave to provide care for a covered service member. ⁹The maximum of 24 workweeks may include no more than 12 workweeks of leave that is taken for the birth and care of a newborn child, for placement of a child for adoption or foster care, for care of a parent who has a serious health condition, or for the employee’s own serious health condition.⁹

RESTRICTIONS

1. For foreseeable leave, the employee shall provide the director of schools with at least thirty (30) days written notice before the beginning of the anticipated leave.
2. The director may require that a request for leave be supported by certification issued by a health care provider with the following information:
 - a. The date on which the serious health condition commenced;
 - b. The probable duration of the condition;
 - c. The appropriate medical facts within the knowledge of the health care provider regarding the condition, and
 - d. A statement that the eligible employee is needed to care for the son, daughter, spouse or parent and an estimate of the amount of time that such employee is needed.
3. If there is any reason to doubt the validity of the certification provided, the director may require, at the expense of the school system, an opinion of a second health care provider.
4. Once it has been established that the leave requested qualifies for FMLA, the director of schools/designee shall notify the employee within two (2) business days (absent extenuating circumstances) that —

Any leave taken pursuant to state leave statutes (paid vacation leave, personal leave, sick leave or worker's compensation) shall run concurrently with FMLA leave.⁶

The notice may be given orally or in writing. If the notice is oral, it shall be confirmed in

1 writing, no later than the following pay day.⁷

- 2 5. Intermittent Leave - When a licensed employee requests foreseeable leave for planned medical
3 treatment and the employee would be on leave for greater than 20% of the total number of
4 working days in the period during which the leave would extend, the school may require that
5 such employee elect either to take the leave for periods of a particular duration, not to exceed the
6 duration of the planned medical treatment or to transfer temporarily to an available alternative
7 position offered by the school system for which the employee is qualified, and that has equivalent
8 pay and benefits and better accommodates recurring periods of leave.

- 9 6. Period Near the End of an Academic Term (Professional employees) - If leave is taken more than
10 five (5) weeks prior to the end of the term, the director of schools may require the employee to
11 continue taking leave until the end of the term if the leave is at least three (3) weeks of duration
12 and the return of employment would occur during the three (3) week period before the end of the
13 term.

14 If the leave is taken five (5) weeks prior to the end of the term, the director of schools may require
15 the employee to continue taking leave until the end of the term if the leave is greater than two (2)
16 weeks duration and the return to employment would occur during the two (2) week period before
17 the end of the term.

- 18 7. Any employee eligible under state law who requests leave due to pregnancy, childbirth, or
19 adoption shall be granted up to four (4) months leave.³ FMLA leave for birth and care of a
20 newborn child or for placement of a child for adoption or foster care, shall run concurrently with
21 the state leave.³

- 22 8. Spouses who are both eligible employees for the school district are limited to a combined total
23 of 12 workweeks of FMLA leave in a single 12 month period if the leave is taken for birth and
24 care of a newborn child, for placement of a child for adoption or foster care, or to care for a parent
25 who has a serious health condition.⁸ Under certain circumstances, spouses who share such leave
26 may be eligible for limited amounts of additional leave for other qualifying FMLA reasons.^{8 9}

27 **REQUIREMENTS OF THE BOARD**

- 28 1. The employee shall be restored to the same position of employment or an equivalent position
29 with no loss of benefits, pay or other terms of employment.
- 30 2. The employee shall be kept under any group health plan for the duration of the leave.
- 31 3. The Board may recover the premium paid under the following conditions:
- 32 a. The employee fails to return from leave after the period of leave has expired.
- 33 b. The employee fails to return to work for a reason other than the continuation, recurrence,
34 or onset of a serious health condition or other circumstances beyond the control of the
35 employee.

SUSPENSION PENDING AN INVESTIGATION¹

The director of schools/designee may suspend a teacher at any time that may seem necessary, pending investigation or final deposition of a case before the board or an appeal. If the matter under investigation is not the subject of an ongoing criminal investigation or a department of children's services investigation, and if no charges for dismissal have been made, a suspension pending investigation shall not exceed ninety (90) days in duration. Under no circumstances shall the director of schools suspend a teacher with pay. If vindicated or reinstated, the teacher shall be paid full salary for the period of suspension.

SUSPENSION OF THREE DAYS OR LESS^{2,3,4}

A director of schools/designee may suspend a teacher for incompetence, inefficiency, neglect of duty, unprofessional conduct and insubordination. Before an employee is suspended he/she shall be: (1) provided with written notice, including the reasons for the suspension along with an explanation of the evidence; (2) given an opportunity to respond to the director at a conference, if requested within five (5) days; and (3) given a written decision of the suspension within ten (10) days. Both parties may be represented by counsel at the conference, which shall be recorded.

Under no circumstances shall a director of schools suspend a tenured teacher with pay. If reinstated, the tenured teacher shall be paid full salary for the period of suspension, unless suspension without pay is deemed to be an appropriate penalty.

DISMISSAL OR SUSPENSIONS GREATER THAN THREE DAYS⁵

The Board shall maintain a list of qualified individuals who have indicated a willingness to act as impartial hearing officers, as defined under Tennessee law.

When charges are made against a tenured teacher, charging the teacher with offenses which may justify dismissal or a suspension greater than three days, the charges shall be made in writing, specifically stating the offenses which are charged and shall be signed by the party or parties making the charges.

If, in the opinion of the Board, the charges are of such a nature as to warrant the release of a suspension greater than three days of the teacher, the director of schools shall give the teacher a written notice of this decision, a copy of the charges against the teacher, and a copy of a form provided by the Commissioner of Education advising the teacher of his/her legal duties, rights and recourse.

A tenured teacher who has been given notice of charges against him/her may within thirty (30) days after receipt of notice give written notice to the director of schools of his/her request for a hearing.

The director of schools shall, within five (5) days after receipt of request, assign a hearing officer from the list maintained by the Board.

The hearing officer shall notify the parties, or the attorney, of the officer's assignment and direct the parties or the attorneys for the parties, or both, to appear before the hearing officer for simplification of issues and the scheduling of the hearing. In the discretion of the hearing officer, all or part of any prehearing conference may be conducted by telephone if each participant has an opportunity to participate, be heard, and to address proof and evidentiary concerns. The hearing officer is empowered to issue appropriate orders and to regulate the conduct of the proceedings.

Either party may appeal to the Board of Education an adverse ruling by giving written notice of appeal within ten (10) working days of the hearing officer's delivery of the hearing officer's written findings and conclusions. The director of schools shall prepare a copy of the proceedings, including all transcripts and evidence, documentary or otherwise, and transmit the same to the Board within twenty (20) days of the receipt of the notice of appeal.

The Board shall hear the appeal on the record, and no new evidence may be submitted by either party. The appealing party may appear before the Board to argue why the adverse ruling should be overturned. In no event should such argument last more than fifteen (15) minutes, unless the Board should vote to extend additional time. At the conclusion of the hearing, any member of the Board may vote to sustain the decision of the Hearing officer, send the record back for additional evidence, revise the penalty or reverse the decision. The Board shall render its decision within ten (10) working days after the conclusion of the hearing. In the event that the decision of the Board is appealed to the Chancery court, the Board shall transmit the entire record prepared by the director and reviewed by the Board to the Chancery court for its review.

RESIGNATION

A teacher shall give the director of schools notice of resignation at least thirty (30) days before the effective date of the resignation. A teacher, who fails to give such notice, in the absence of justifiable extenuating circumstances, shall forfeit all tenure status. The Board may waive the thirty (30) days notice requirement and permit a teacher to resign in good standing.

The condition under which it is permissible to break a contract with the Board are as follows:

1. The incapacity on the part of the teacher to perform the contract as evidenced by the certified statement of a physician approved by the Board; and
2. The release by the Board of the teacher from the contract which the teacher has entered into with the Board.⁶

Any teacher on leave shall notify the director of schools in writing at least thirty (30) days prior to the date of return if the teacher does not intend to return to the position from which he/she has taken leave. Failure to render such notice may be considered a breach of contract.⁷

Upon a breach of contract, the Board, upon a motion recorded in its minutes, may file a complaint with the Commissioner and request the suspension of a teacher's certificate. After the Commissioner has provided the teacher an opportunity for defense during a hearing, the Commissioner may suspend the certificate for no less than thirty (30) and no more than three hundred sixty-five (365) days.⁸

RETIREMENT
