3. USS Engineering, LLC reports

4. CVHS Security Cameras

The attached quotes are from the state contract. Ms. Abernathy recommends making a decision on purchasing the cameras for CVHS, get them installed, and see how they perform before looking at updating the camera system at MCHS and Forrest. SRO Ostermann (MCHS) is leaving this position to practice law; Sheriff Dalton has two potential SROs lined up for MCHS. SRO Fender (LMS) is leaving this position to become a patrolman. Ms. Abernathy would like for the new SROs to be in place before replacing those systems.
