MCBOE

1. Call to Order

2. After-School Athletics

3. Virtual School

4. Technology Update

- * What are our capabilities for Distance Learning/Virtual School
- * Where are we with new computers and equipment for testing, etc.

5. ACT Prep

- * How many students are enrolled in ACT Prep this semester at each high school and what we anticipate for next semester
- * Consider making this a required course for all sophomores or first semester juniors

6. Personal Finance and Economics

- * When are students usually placed in these classes
- * What is the most appropriate year for students to take this class

7. Elementary Reading Program/Copies

The following questions were posed to a board member regarding the new reading program in the elementary schools and the amount of multiple copies teachers are having to make:

- *Why are teachers having to make copies
- *Could/Should we have bought materials
- *How much is this costing
- *Are teachers going to be given adequate paper, copies, etc., to handle this

8. Adjourn
