She noted that, while the Board of Education is a separate legal entity, the city maintains ownership of the properties and carries insurance coverage on the buildings. Ms. Bush further stated that the city has assigned the district the right to receive lease payments from Read to Succeed and that there have been no issues with that arrangement. He noted that the portable building has a separate access drive, allowing community members to utilize the facility independently of the school campus. Dr. Duke added that the district will also work to ensure that Mitchell-Neilson families are aware of and able to access the services provided. Board Vice Chair Butch Campbell asked whether the portable building contains two classrooms. Dr. Duke confirmed that it does and stated that Principal Bryson plans to allocate one classroom to United Way. The second classroom will be used by support personnel who serve the school on a temporary basis, including providers such as Centerstone counselors and STAR therapists.</p>	Dr. Trey Duke

<p>Prior to the discussion of Board Policy 1.400, School Board Meetings, Assistant City Attorney Lauren Bush informed the Board that seven policy revisions were included on the agenda. She noted that the Tennessee School Boards Association (TSBA) had not yet released updated model policies.</p> <p>Ms. Bush also provided a preview of two additional policy revisions that will be required as a result of recent legislative changes and are expected to be presented for Board consideration on June 23.</p> <p>Ms. Bush explained that one policy will require parental notification when a classroom evacuation occurs. This motion, made by Mr. Jimmy Richardson III and seconded by Mrs. Jeanette Price, passed. Yea: 7, Nay: 0 Assistant City Attorney Lauren Bush informed the Board that she has begun developing an Administrative Directive (AD) to accompany this policy and plans to provide it to the Board for review prior to the June 23 meeting. Dr. Duke added that the administration is hopeful the AD will be ready for Board review before June 23; however, if additional work is needed to ensure the directive is fully developed, the policy will be brought back for second reading on July 28. Dr. Duke further noted that he anticipates this topic will be discussed extensively at the upcoming Summer Law Conference in July.</p>	Ms. Lauren Bush
<p>T. Approval of Board Policy 5.302, <i>Sick and Bereavement Leave</i>, on First Reading Action Item Motion to approve Board Policy 5.302, Sick and Bereavement Leave, on First Reading. This motion, made by Mr. Jimmy Richardson III and seconded by Ms. Karen Dodd, passed. Yea: 7, Nay: 0 Assistant City Attorney Lauren Bush reviewed the proposed revisions to Board Policy 5.302, Personal and Professional Leave. She explained that recent state legislation increases personal leave for certified employees from two to four days and adjusts sick leave allotments to eight, nine, or ten days depending on the length of the employee's contract. Ms. Bush noted that staff is also recommending extending these same leave provisions to classified employees. Ms. Bush further explained that the policy contained a provision granting employees one religious leave day that was not reflected in the red-lined version of the policy. She recommended removing that provision and stated that any motion to approve the policy should include that amendment. She explained that sick leave for school district employees is governed by state law and State Board rules and cannot be used for purposes outside those parameters. She suggested that requests related to religious observances be handled through Human Resources on a case-by-case basis.</p>	Ms. Lauren Bush

<p>Board Member Jimmy Richardson made a motion to approve the policy as presented. The motion was seconded by Board Member Karen Dodd.</p> <p>Following additional discussion regarding the religious leave provision, Ms. Bush explained that the Board adopted the religious leave language in 2022, prior to her appointment as Assistant City Attorney. She stated that school boards are not legally authorized to provide such leave through policy.</p> <p>Mr. Richardson amended his motion to approve the policy with the removal of the religious leave provision. Board Member Barbara Long seconded the amended motion.</p> <p>Board Member David Settles commented that the change in state law converts some sick leave days to personal leave days, allowing employees greater flexibility in how those days may be used.</p> <p>Board Chair Amanda Moore expressed concern that the proposed removal of the religious leave provision had not been clearly communicated as part of the policy revisions.</p> <p>Board Member Jeanette Price stated that the proposed changes align with state law and suggested that, if desired, the Board could consider a separate policy regarding leave for religious observances at a future meeting.</p> <p>Mr. Settles made a motion to call the question. The motion failed for lack of a second.</p> <p>Chair Moore noted that several Muslim employees had expressed concerns to her regarding time off for religious observances. She emphasized the importance of communicating that employees will receive two additional personal leave days each year under the revised policy.</p> <p>Ms. Bush added that state law requires these changes only for certified employees; however, the district's recommendation is to extend the same benefits to all employees. She stated that this distinction should also be included in communications to staff.</p>	
<p>U. Approval of Board Policy 5.303, <i>Personal and Professional Leave</i>, on First Reading Action Item</p> <p>Motion to approve Board Policy 5.303, Personal and Professional Leave, on First Reading. This motion, made by Mr. Jimmy Richardson III and seconded by Mr. David Settles, passed. Yea: 7, Nay: 0</p> <p>Assistant City Attorney Lauren Bush reviewed the proposed revisions to the policy.</p> <p>Dr. Duke added that, during discussions regarding the policy, Board Chair Amanda Moore expressed concern that employees with 26 or more years of service might feel they were losing a leave day as a result of the changes. After reviewing the data, Dr. Duke found that more than 60 employees would be affected. As a result, the policy was written to allow certified employees with 26 or more years of service to retain up to five earned personal days during the 2026-2027 school year. Beginning with the 2027-2028 school year and thereafter, those employees will earn four personal days annually, with any unused personal days converting to sick leave at the end of the year.</p> <p>Dr. Duke thanked Chair Moore for bringing the issue to staff's attention.</p>	Ms. Lauren Bush
<p>V. Approval of Board Policy 6.3041, <i>Title IX and Sexual Harassment</i>, on First Reading Action Item</p> <p>Motion to approve Board Policy 6.3041, Title IX and Sexual Harassment, on First Reading. <p>VI. REPORTS AND INFORMATION Information Item</p>	<p>Chair Amanda Moore</p>
<p>A. Feedback Discussion of Strategic Plan and Strategy Explanation by Each Supervisor Information Item Dr. Duke provided the Board with an overview of the district’s Strategic Plan strategies. He explained that each supervisor would present the actions and initiatives that would be used to accomplish the work associated with each goal area. The following staff members presented information related to their respective goals:</p> <ul style="list-style-type: none"> • Goal 1 - Sheri Arnette • Goal 2 - Ken Rocha • Goal 3 - Maria Johnson <p>During the discussion of Goal 3, Board Member David Settles referenced a report indicating that Tennessee ranks among the lowest states in teacher retention. Dr. Duke stated that he had seen the report but had not yet had the opportunity to review it in detail. He said he would research the information further and provide the Board with specific data in his Friday update. Dr. Duke added that one factor contributing to Murfreesboro City Schools' teacher retention efforts is the district’s competitive salary structure. He also noted that he would share additional information provided to him by City Manager Darren Gore. The remaining goals were presented as follows:</p> <ul style="list-style-type: none"> • Goal 4 - Don Bartch • Goal 5 - Presented by Dr. Duke in the absence of Lisa Trail <p>The Board engaged in discussion regarding artificial intelligence (AI) programs and the types of AI tools that may or may not be utilized within the district. Dr. Duke explained that additional guidance would be addressed in the administrative procedures accompanying Board Policy 4.204, Digital Devices, and that the topic would be discussed in greater depth during the Board’s August retreat. Dr. Duke stated that the next step in the process would be to bring the Strategic Plan back to the Board for final approval. He encouraged Board members to provide any additional feedback prior to that time. Board Chair Amanda Moore expressed her appreciation for the work that had gone into developing the Strategic Plan. She commented that the plan appeared thoughtful, innovative, and reflective of a fresh approach rather than a revision of the district’s previous plan.</p>	<p>Dr. Trey Duke</p>
<p>B. 2026-2027 Tentative Employee Assignment List Information Item Dr. Maria Johnson presented the Tentative Employee Assignment List to the Board and invited questions from Board members. Board Member Barbara Long asked whether employees who are promoted within the district participate in an onboarding process that explains changes in salary, benefits, and risk management coverage associated with their new positions. Dr. Johnson responded that onboarding and training are provided for employees transitioning into new roles. She explained that newly appointed principals participate in a dedicated day of training, while employees promoted to other positions, such as academic coach, receive position-specific information from Human Resources. Dr. Johnson stated that Human Resources reviews salary, benefits, and other employment-related changes with each employee, and that this information is also outlined in the offer letter provided to and signed by the employee.</p>	<p>Ms. Maria Johnson</p>

<p>C. Annual Bullying Report Information Item</p> <p>Mr. Ken Rocha presented the 2025-2026 Bullying Report and provided an overview of the data for the Board's review.</p> <p>Following the presentation, Board member David Settles asked whether bullying data is tracked on a school-by-school basis. Mr. Rocha confirmed that his department monitors the information by individual school and reviews the data monthly; however, school-specific data is not included in the reports presented to the Board.</p>	<p>Mr. Ken Rocha</p>
<p>D. Director's Update Information Item</p> <p>Dr. Duke provided the Board with two updates.</p> <p>First, he informed the Board that a budget amendment presented at the May 26 meeting contained an error in the reported total amount. He clarified that all individual line items within the amendment were accurate; however, the total presented to the Board was overstated by approximately \$4,000. Dr. Duke noted that the same amendment had also been submitted to City Council for approval.</p> <p>Dr. Duke also reminded the Board that its next meeting would be held on June 23 and that the Board would not meet again until July 28. He explained that the roof replacement project at Scales Elementary School is currently out for bid, with bids scheduled to be opened on June 23. Because the bids will be received after the agenda is finalized, he requested permission to present the bid award to City Council for approval before bringing it to the Board at its July 28 meeting so that work on the roof could begin without delay. Dr. Duke noted that this would be an unusual circumstance. Board Chair Amanda Moore stated that she did not see any issue with City Council approving the project first under these circumstances.</p> <p>Dr. Duke then referenced information he had previously emailed to the Board regarding the possibility of selling advertising space on school buses, an item Board Member Karen Dodd had requested staff investigate. He explained that staff had only gathered preliminary information and had not conducted an in-depth review but could do so if the Board wished to pursue the matter further.</p> <p>Dr. Duke shared that Lebanon Special School District currently sells advertising space on its buses, utilizing two advertising spaces per bus. He explained that a third-party company would manage the advertising program and associated costs, while the Board would retain approval authority over advertisers through Board policy. Under the proposed arrangement, the district would receive 55 percent of advertising revenue through monthly payments. Advertisements would be limited to general education buses and would not appear on special education buses. Based on 31 buses operating for 10 months, the district could potentially generate approximately \$23,000 annually if all advertising spaces were sold.</p> <p>The Board discussed various considerations related to bus advertising, including concerns about political affiliations and the need to carefully define which organizations and businesses would be eligible to advertise.</p> <p>Assistant City Attorney Lauren Bush stated that the Tennessee School Boards Association (TSBA) has a model policy addressing advertising on school buses and offered to provide it to the Board for review.</p> <p>Board Member Barbara Long asked how any revenue generated would be used. Dr. Duke explained that Lisa Trail had suggested dedicating the funds to a specific purpose rather than allowing them to be absorbed into the district's general fund. Board Member Karen Dodd expressed support for that approach and noted that it could provide funding for initiatives that would not otherwise be included in the budget.</p> <p>Board Chair Amanda Moore asked whether districts that participate in advertising programs typically sell all available advertising space. Dr. Duke stated that he would research that question and provide additional information to the Board.</p> <p>Dr. Duke encouraged Board members to submit any questions they may have so that staff could gather answers and provide further information.</p>	<p>Dr. Trey Duke</p>

<p>Chair Moore asked whether the Board needed to provide any direction regarding the advertising proposal. Dr. Duke responded that he would welcome any guidance from the Board regarding how they wished staff to proceed.</p> <p>Board Member David Settles requested that Ms. Bush obtain the TSBA model policy for Board review, stating that reviewing the policy would help Board members better understand the implications of permitting advertising on school buses.</p> <p>Board Member Jimmy Richardson asked whether religious organizations would be permitted to advertise. Ms. Bush responded that the TSBA model policy prohibits advertising by religious organizations. She added that she would provide the model policy as an attachment to Dr. Duke's Friday Board Update.</p> <p>Chair Moore expressed hesitation about implementing a bus advertising program, stating that the issue appeared to involve several gray areas.</p> <p>Dr. Duke stated that he would also research how many school districts currently permit advertising on school buses. He noted that he was aware that Maury County, Manchester City, and Lebanon Special School Districts currently participate in such programs.</p> <p>Dr. Duke summarized the next steps, which included providing the TSBA model policy, determining typical advertising participation rates, and gathering information regarding nearby districts that allow bus advertising.</p> <p>Board Member Karen Dodd stated that, if the district were to move forward with a program, she would favor limiting advertisements to local businesses.</p> <p>Board Member Jimmy Richardson expressed concern that permitting advertisements on school buses could create additional issues for the district.</p>	
<p>VII. OTHER BUSINESS Information Item</p>	<p>Chair Amanda Moore</p>
<p>VIII. ADJOURNMENT Action Item Motion to adjourn. This motion, made by Mr. Jimmy Richardson III and seconded by Mr. David Settles, passed. Yea: 7, Nay: 0 The meeting adjourned at 8:01 p.m.</p>	<p>Chair Amanda Moore</p>

<p>Approval of 2026-2027 General Purpose Budget Revision Action Item Motion to approve 2026-2027 General Purpose Budget Revision. This motion, made by Ms. Barbara Long and seconded by Mr. Butch Campbell, passed. Yea: 7, Nay: 0 Dr. Duke informed the Board that there has been a \$1,012,073 decrease in the budget since the last presentation. The district is still waiting on final WFTEADA numbers from TDOE, and this move is proactive in the event there are changes to the WFTEADA percentage. He noted that the revised budget was included in the Board packet. He further explained that the district is budgeted to spend less in the upcoming year than in the current year. The Board expressed agreement with the recommended adjustments. Dr. Duke also stated that the planned use of Fund Balance remains at \$4.6 million, consistent with the previous presentation. Dr. Duke advised the Board that he will present the revised budget to the City Council on June 4. Board Member Barbara Long inquired whether, if the State later adjusts enrollment percentages, the district would be able to revert to the original budget. Dr. Duke responded that the budget presented for approval would be the official adopted budget, and any subsequent State adjustments would be addressed through future budget amendments brought back to the Board as needed. Dr. Duke stated that he believes this revised budget represents the most responsible and stable option for presentation and approval at this time. Board Member Jeanette Price thanked Dr. Duke for his work during what she described as an extremely challenging budget season. She commended him and his team for their ability to make necessary reductions while also providing salary increases and ensuring no employee job losses. Board Chair Amanda Moore concurred with the comments.</p>	Dr. Trey Duke

Connection to MCS's Five-Year Strategic Plan

- Known:** Every student will be *known* through whole-child programs and support.
- Safe:** Every student will be *safe* through equitable access to buildings, facilities, and infrastructure that meets their needs.
- Challenged:** Every student will be *challenged* by learning from highly effective educators and employees.
- Empowered:** Every student will be *empowered* through academic success.

CER Membership Agreement 2026-27 School Year

Comprehensive Educational Resources (CER) is an educational consortium that currently serves twenty-nine school districts in Northeast Tennessee and across the state. CER is a collaboration between these twenty-nine districts and The Niswonger Foundation that currently reaches approximately 147,000 students. CER began in May 2020.

Vision

Comprehensive Educational Resources aims to improve student outcomes as measured by the state assessment by giving students and teachers equal access to a variety of teacher created and reviewed materials that are aligned to Tennessee state standards, rigorous, and easily accessible. We are also committed to analyzing state assessment and benchmark data collaboratively with districts to guide instructional adjustments and improve student outcomes.

District Participation

By March 1, existing CER districts must complete a “membership agreement.” The membership agreement will include the number of students from the state report card as of March 1. Districts will be invoiced from the Niswonger Foundation at the cost of \$2/per student based on the state report card as a “membership fee”. For districts that join after March 1, they will complete the membership agreement based on the number of students on the state report card at the time of joining.

The membership agreement and membership fee will provide the district with access to the CER website and all materials, including the professional development courses. It will also give the district one representative on the Steering Committee and a regular progress report to Superintendents. Finally, it will also give the district yearly reports using the state assessment data.

CER offers districts vast and dynamic offerings to support their changing needs. Districts have the option to participate in several data sharing sessions throughout the year. CER data sharing sessions have been correlated with improved district performance. CER also offers support for principals through the new principal cohort, regular study council meetings, and two in-person conferences each year. CER has a large instructional coach collaborative that offers both general and content specific coaching support. Both the Leadership Academy and the Job Embedded Course offer districts an opportunity to support niche educators, which they may not be able to do outside of a collaborative. Teacher participation in the CER teams (curriculum, EARN, instructional focus documents, common formative assessments, and pacing guides) provides professional learning opportunities for teachers and builds their capacity

through collaboration. Short-term working groups, such as the Science Textbook Collaborative and the Algebra Readiness Working Group, provide districts with support and a platform to problem-solve in a collaborative way. CER membership also offers a variety of vendor partnerships. These vendor partners provide a discount on their products and services to CER member districts. Often, these discounts help to defray the CER membership cost.

District Costs

In addition to the membership fee, there are optional costs associated with CER. If districts contribute a teacher to a curriculum team, districts will be responsible for compensating each teacher. This compensation could include three (3) days of flex time to compensate for creating materials. Districts can decide how this flex time will be provided to each teacher. In addition, each teacher on a curriculum team may need to be provided with three (3) days of a substitute and travel to review materials. CER will pay the district \$75 per day to help defray the substitute cost. By May 1, the Steering Committee will finalize the curriculum team compensation.

If districts participate in the benchmark, there will be an annual contract with the company that meets the needs of the district.

District: Murfreesboro City Schools
Number of students on the state report card: 8929

By signing and returning the membership agreement, your district will participate in CER for the 2026-27 school year.

11. **Economy of Preparation.** ITB response should be prepared simply and economically, providing a straightforward, concise description of bidder’s capabilities to satisfy the requirements of the ITB. Emphasis should be on completeness and clarity of content.

Pricing shall be effective for one year from date of bid award. If, in the bidder's opinion, additional equipment or services are necessary, this shall be included with explanation in the bid. It is requested that bidders raise any such questions in advance of submitting a bid to MCS. To submit a bid implies consent to the terms set forth in this ITB. Additional years of the contract shall be subject to the following conditions:
 - a. **Approval Required.** No award or acquisition can be made until approved by the Board of Education. MCS will not be obligated to bidders for services until the completion of a signed contract approved by authorized officials of MCS. This solicitation in no manner obligates MCS to the eventual rental, lease, or purchase of any equipment or services described, implied, or which may be proposed, until confirmed by a written contract. Progress towards this end is solely at the discretion of MCS and may be terminated at any time prior to the signing of a contract.
 - b. **Terms and Conditions.** MCS reserves the right to reject any and all bids, to waive any irregularities in a bid, to make awards to more than one bidder, to accept any part or all of a bid, or to accept the bid (or bids) which, in the judgment of the governing body, is in the best interest of MCS. MCS also reserves the right to make revisions to

any quantity shown on the bid form dependent upon bid prices and available funding. Prices bid on each item shall be firm regardless of the actual quantity of item(s) purchased or services rendered.

- c. **Non-Appropriation of Funds.** In the event sufficient funds are not appropriated or otherwise made available to support continuation of the contract in any fiscal year, MCS may terminate the contract without penalty upon written notice to the contractor. MCS's obligation to make payments under the contract is contingent upon the availability of lawfully appropriated funds.
18. **Withdrawal of Bid.** No bidder may withdraw its bid for a period of ninety (90) calendar days after the date and time set for the opening of the responses. In the event MCS awards a contract to a bidder and during such ninety (90) day period determines that such bidder will be unable to properly perform the contract, MCS reserves the right to terminate the contract and award the contract to the next best offer without being required to re-advertise the project.
 19. **Cost of Response.** MCS will not be liable for any costs incurred by the bidders in preparing a response to this solicitation. Bidders will submit responses at their own risk and expense. MCS makes no guarantee that any equipment or services will be purchased as a result of the solicitation and reserves the right to reject any and all responses. All responses and their accompanying documentation will become the record of MCS.
 20. **Contract.** The successful bidder's responses to this ITB shall be included as an addendum to the contract. Should any conflict or discrepancy arise between the ITB and the contract, the contract shall control. All bidders who are awarded contracts pursuant to this ITB agree to be bound by the terms and conditions set forth in the attached sample MCS Contract. If the bidder objects to any contract terms or proposes any additional terms such objections and terms must be set forth in the bid. Rejection of any proposed MCS Contract terms may be a basis for rejection of the bid.
 21. **Contract Termination.** MCS reserves the right to cancel the contract for the work without cost or penalty to MCS if, in the opinion of MCS, there is a failure at any time by the contractor to adequately perform the contract, or if there is any attempt to willfully impose upon MCS a material or product or workmanship which is, in the opinion of MCS, of an unacceptable quality. Cancellation of the contract shall not impair any rights or claim of MCS to damages for the breach of any covenants of the contract by the contractor. The contract awarded may be terminated upon any of, but not limited to, the following occurrences:
 - a. Bankruptcy or insolvency of the bidder or one or more of the bidder's principal owners;
 - b. Failure of the bidder to provide satisfactory services or failure to comply with the specifications;
 - c. Unauthorized substitution of products other than those identified in the specifications or specifically approved by the MCS as a substitute prior to award of the contract;
 - d. Unsatisfactory performance of products supplied by the bidder or services provided by the bidder;
 - e. Fraud; or
 - f. Any other breach of the terms of the ITB specifications or contract.

22. **Contract Modification.** The contract may be modified only by written amendment executed by all parties and their signatories hereto.
23. **Independent Contractor.** The successful bidder shall perform all services as an independent contractor and not as an employee, agent, or representative of MCS. Nothing contained in this ITB or resulting contract shall be construed to create a partnership, joint venture, or employer-employee relationship between the parties.
24. **Replacement or Repair.** No waiver of any provision of the contract shall affect the right of any party thereafter to enforce such provision or to exercise any right or remedy available to it in the event of any other default. MCS, at its option and in lieu of immediate termination, may request the awarded bidder replace or repair any defective goods or correct performance by written notice to the contractor. In that event, the contractor shall take correct action within the amount of time specified by MCS in the written notice. Exercise of this option shall not relieve the contractor of any liability to MCS for damages for the breach of any covenants of the contract by the contractor.
25. **Expense of Legal Action.** Awarded bidder agrees that, in the event either party deems it necessary to take legal action to enforce any provision of the contract, and in the event the MCS prevails, awarded bidder shall pay all expenses of such action including MCS's attorney fees and costs at all stages of the legal action.
26. **Governing Laws.** The validity, construction, and effect of the contract, and any and all extensions and/or modifications thereof shall be governed by the laws of the State of Tennessee.
27. **Severability.** Should any provision of the contract be declared to be invalid by any court of competent jurisdiction, such provision shall be severed and shall not affect the validity of the remaining provisions of the contract. Any action between the parties arising from this agreement shall be maintained in the courts of Rutherford County, Tennessee.
28. **Indemnification and Hold Harmless.** The successful bidder shall indemnify, defend, and hold harmless Murfreesboro City Schools ("MCS"), its officers, agents, and employees from and against any and all claims, demands, suits, actions, damages, losses, liabilities, penalties, costs, and expenses, including reasonable attorney's fees, arising out of or resulting from the negligent acts, errors, omissions, recklessness, or willful misconduct of the bidder, its employees, agents, contractors, subcontractors, or representatives in connection with the performance of the resulting contract. This obligation includes, but is not limited to, claims arising from bodily injury, sickness, disease, death, property damage, or violations of applicable federal, state, or local laws, regulations, ordinances, or employment requirements, including labor and wage laws. Pursuant to Tennessee Attorney General Opinion 93-01 and applicable Tennessee law, MCS shall not indemnify, defend, or hold harmless the successful bidder or any other party under any circumstances, notwithstanding any provision contained in the bidder's response, quotation, proposal, contract form, invoice, or other submitted document.

29. **Statutory Disqualification.** By submitting a response to this solicitation, the bidder represents and warrants that neither the bidder nor any of its officers, directors, shareholders, members, partners, employees, or agents has been convicted of, pleaded guilty to, or entered a plea of nolo contendere to any violation of the Sherman Anti-Trust Act, mail fraud, or any other state or federal criminal offense arising out of or related to a contract with Murfreesboro City Schools or any political subdivision of the State of Tennessee.

The bidder also represents and warrants that it is not in violation of, and will not violate, any applicable laws concerning the employment, accommodation, or treatment of individuals with disabilities.
31. **Non-Discrimination and Equal Employment Compliance.** The successful bidder shall comply with all applicable federal, state, and local laws, regulations, and executive orders relating to equal employment opportunity and nondiscrimination. The bidder represents and warrants that it does not and shall not discriminate against any employee, applicant, subcontractor, student, or member of the public on the basis of race, color, religion, creed, sex, national origin, age, disability, veteran status, or any other classification protected by applicable law in the administration of its employment practices, programs, services, or activities. The bidder further certifies that it maintains employment policies and practices that comply with all applicable laws concerning equal employment opportunity, accommodations for individuals with disabilities, and nondiscrimination in hiring, promotion, demotion, discipline, termination, compensation, layoff, and other terms and conditions of employment. Upon request, the bidder shall provide documentation reasonably demonstrating compliance with this provision.
32. **Conflict of Interest.** By submitting a response, it is represented that no officer, committee member, or director of MCS or other persons whose duty is to vote for, let out, overlook, or in any manner supervise any work on any contract for MCS has a "direct interest", as defined by T.C.A. §12-4-101, in the bidder or in the work which is subject to this ITB.
33. **Ethical Standards.** Bidder understands that it shall be a breach of ethical standards for any person to offer, give or agree to give any employee or former employee, or for any employee or former employee to solicit, demand, accept or agree to accept from another person, a gratuity of an offer of employment in connection with any decision, approval, disapproval, recommendation, preparation of any part of a program requirement or a purchase request, influencing the content of any specification or procurement standard, rendering of advice, investigation, auditing or in any other advisory capacity in any proceeding or application, request for ruling, determination, claim or controversy or other particular matter, pertaining to any program requirement of a contract or subcontract or to any solicitation or bid therefore. - 8 **REGULAR MEETINGS**
- 9 Regular meetings of the Board shall be held on the second and fourth Tuesdays of each month at 6:00
10 p.m.
- 11 In instances when any regular meeting date falls on a legal holiday, the meeting shall be rescheduled by
12 the Chair.
- 13 **SPECIAL MEETING**
- 14 The Board shall hold such special meetings as necessary to transact the business of the Board. Such
15 meetings shall be called by the Chair whenever, in the Chair's judgment, the interests of the schools

- 17 Only business related to the call of the meeting, and details related to agenda items shall be discussed or
18 transacted by the Board at a special meeting.
- 19 **ELECTRONIC ATTENDANCE⁵**
- 20 Absent Board members may attend a regular or special meeting by electronic means if the member is

22 service. If a board member is absent due to military service, the Board member may participate
23 electronically as often as board member is able to do so. However, a Board member may not participate
24 electronically more than two (2) times per year for absences due to work and/or family emergencies.
- 25 *General Requirements*
- 26 The following requirements apply to all electronic attendance, regardless of the reason for the

1 2. Any Board member wishing to participate electronically must do so using technology which
2 allows the Chair to visually identify the member.

3 3. The responsibility for the connection lies with the Board member wishing to participate
4 electronically. No more than three (3) attempts to connect shall be made, unless the Board
5 Chair chooses to make additional attempts.

6 4. If a Board member is participating via electronic means, there must be a roll call vote.

8 The following requirements apply to electronic attendance due to a work-related absence:

9 1. The Board member must be absent from the county due to work.

25 grandparents.

26 **ELECTRONIC PARTICIPATION DURING WEATHER OR DISASTER**

Summary

Board Policy 4.204, *Instructional Use of Digital Devices*, is a new policy drafted to comply with Public Chapter 808 of the Tennessee Public Acts of 2026. PC 808 requires all school districts serving students in grades kindergarten through five to develop a policy establishing requirements for age-appropriate instructional use of digital devices. This policy prioritizes teacher-led instruction and non-electronic materials, limits device use to educational purposes, restricts student access to social media during the instructional day, and includes exceptions required by state law. The policy also authorizes the Director of Schools to develop administrative directives, procedures, forms, notices, and other guidance necessary to implement this policy and to ensure compliance with applicable state and federal law.

Summary

Revisions to Board Policy 5.302, *Sick and Bereavement Leave*, are made to align with Public Chapter 1022. These legislative changes affect the administration of sick leave and personal/professional leave for certified employees. Effective July 1, 2026, certified employees will receive four (4) personal leave days per year. The additional personal/professional leave days are offset by corresponding adjustments to the annual sick leave allotments reflected in Policy 5.302. As revised, certified employees will earn eight (8), nine (9), or ten (10) sick leave days per year depending on whether they are employed on a ten-month, eleven-month, or twelve-month contract. After significant review and discussion, staff also recommend increasing classified employees to four (4) personal leave days per year for purposes of equity and consistency across employee groups. To correspond with that change, the proposed revisions also adjust classified employee sick leave allotments to eight (8), nine (9), or ten (10) days per year depending on whether the employee works a ten-month, eleven-month, or twelve-month schedule.

Staff Recommendation

Approve changes to Board Policy 5.302, *Sick and Bereavement Leave*, on first reading

Fiscal Impact

The proposed revisions may result in fiscal impact related to increased leave usage and substitute coverage. The additional certified personal/professional leave days are offset from sick leave pursuant to state law. The recommendation to provide classified employees with four (4) personal leave days per year may result in additional operational or staffing costs depending on leave usage and coverage needs. Any fiscal impact will be addressed through existing personnel, substitute, and departmental budgets.

Summary

Revisions to Board Policy 5.303, *Personal and Professional Leave*, are made to align with Public Chapter 1022. These legislative changes affect the administration of sick leave and personal/professional leave for certified employees. Effective July 1, 2026, certified employees will receive four (4) personal leave days per year, which will be offset from sick leave adjustments reflected in changes to parallel changes to Board Policy 5.302. After significant review and discussion, staff also recommend increasing classified employees to four (4) personal leave days per year. Although the statutory changes apply directly to certified employees, staff believe providing the same number of personal leave days to classified employees promotes equity and consistency across employee groups. The proposed revisions also clarify that unused personal/professional leave does not roll over as personal leave. Instead, unused personal/professional leave will be credited to sick leave at the end of the year, consistent with State law.

3. Sexually suggestive pictures;
4. Sexually suggestive gesturing;
5. Harassing or sexually suggestive or offensive messages that are written or electronic;
6. Subtle or direct propositions for sexual favors; and
7. Touching of a sexual nature.

Sexual harassment may be directed against a particular person or persons, or a group, whether of the opposite sex or the same sex.

“Supportive measures” are non-disciplinary, non-punitive, individualized services and shall be offered to the complainant and the respondent, as appropriate. These measures may include, but are not limited to, the following:

1. Counseling;
2. Course modifications;
3. Schedule changes; and
4. Increased monitoring or supervision.

The measures offered to the complainant and the respondent shall remain confidential to the extent that maintaining such confidentiality would not impair the ability of the school district to provide the supportive measures.

GRIEVANCE PROCESS

Upon learning of an instance of alleged sexual harassment, even if no formal complaint is filed, the Title IX Coordinator shall:

1. Promptly contact the complainant to discuss the availability of supportive measures;
2. Consider the complainant’s wishes with respect to supportive measures;
3. Inform the complainant of the availability of supportive measures; and
4. Explain the process for filing a formal complaint.¹⁰

1 While the ~~school district~~District will respect the confidentiality of the complainant and the respondent
2 as much as possible, some information may need to be disclosed to appropriate individuals. All
3 disclosures shall be consistent with the ~~school district~~District's legal obligations and the necessity to
4 investigate allegations of harassment and take disciplinary action.

5 The respondent shall be presumed not responsible for the alleged conduct unless and until a
6 determination regarding responsibility is made at the conclusion of the grievance process. Disciplinary
7 consequences or sanctions shall not be initiated against the respondent until the grievance process has
8 been completed. Unless there is an immediate threat to the physical health or safety of any student
9 arising from the allegation of sexual harassment that justifies removal, the respondent's placement
10 shall not be changed.¹¹ If the respondent is an employee, they may be placed on administrative leave
11 during the pendency of the grievance process.¹² The Title IX Coordinator shall keep the Director of
12 Schools informed of any employee respondents so that they can make any necessary reports to the
13 State Board of Education in compliance with state law.¹³

14 **Complaints**

15 Any individual who has knowledge of behaviors that may constitute a violation of this policy shall
16 immediately report such information to the Title IX Coordinator, however, nothing in this policy requires
17 a complainant to either report or file a formal complaint within a certain timeframe. If the complaint
18 involves the Title IX Coordinator, the complaint shall be filed with the Director of Schools.

19 If a complaint involves allegations of child abuse, including child abuse on school grounds, appropriate
20 notification shall be made ~~per pursuant to the board policy on reporting child abuse~~Board Policy 6.409.

21 Upon receipt of a formal complaint, the Title IX Coordinator shall promptly:¹⁴

- 22 1. Provide written notice of the allegations, and the grievance process to all known parties to give
- 23 the respondent time to prepare a response before an initial interview;
- 24 2. Inform the parties of the prohibition against making false statement or knowingly submitting
- 25 false information;
- 26 3. Inform the parties that they may have an advisor present during any subsequent meetings; and
- 27 4. Offer supportive measures in an equitable manner to both parties.

28 ~~If the Title IX Coordinator dismisses a complaint, written notice, including the reasons for dismissal,~~
29 ~~shall be provided to both parties simultaneously.~~¹⁵

30 **Initial Assessment and Dismissal of Formal Complaints**

31 Upon receipt of a formal complaint, the Title IX Coordinator shall conduct an initial assessment to
32 determine whether the alleged conduct, if true, would constitute sexual harassment as defined by this
33 policy and applicable law.¹⁵

34 The Title IX Coordinator may consolidate formal complaints involving allegations of sexual harassment
35 arising out of the same facts or circumstances, including complaints involving more than one
36 complainant, more than one respondent, or allegations by one party against another party, when
37 consolidation is appropriate and consistent with applicable law.¹⁶

38 The Title IX Coordinator may dismiss a formal complaint or allegations therein if:¹⁷

- 4 3. The alleged conduct did not occur within the District’s education program or activity;
- 5 4. The complainant voluntarily withdraws the complaint or allegations, and the remaining alleged

8 Prior to dismissal under this section, the Title IX Coordinator may communicate with the complainant
9 and make reasonable efforts to clarify the allegations. A dismissal under this section does not prevent
10 the District from addressing the alleged conduct under Board policies or procedures. Following
11 dismissal, the Title IX Coordinator shall determine whether supportive measures or other appropriate
12 actions are necessary to prevent recurrence and ensure continued access to the District’s education
13 programs and activities.

14 If the Title IX Coordinator dismisses a complaint, written notice, including the reasons for dismissal,

25 **Investigations¹⁸⁶**

Formatted: Suppress line numbers

26 The Title IX Coordinator shall oversee all complaints and reports alleging conduct that may constitute
27 sexual harassment under this policy. The Title IX Coordinator may conduct the investigation or designate
28 a trained investigator to conduct the investigation on behalf of the district.

29 School administrators and supervisors receiving reports or complaints alleging conduct that may
30 constitute sexual harassment shall promptly refer the matter to the Title IX Coordinator.
31 For complaints of student on student harassment, the principal shall serve as the investigator and be
32 responsible for investigating complaints in an equitable manner that involves an objective evaluation of
33 all relevant evidence. For complaints of employee on student or employee on employee harassment, the
34 Human Resources Department or Title IX Coordinator will investigate. The burden for obtaining
35 evidence sufficient to reach a determination regarding responsibility rests on the school district and not
36 the complainant or respondent.

38 Once a complaint is received, the Investigator shall initiate an investigation within forty-eight (48) hours
39 of receipt of the complaint. If an investigation is not initiated within forty-eight (48) hours, the
40 investigator shall provide the Title IX Coordinator with appropriate documentation detailing the reasons
41 why the investigation was not initiated within the required timeframe. If the Title IX Coordinator is
42 serving as the investigator, the documentation shall be provided to the Director of Schools.

1 All investigations shall be completed within twenty (20) calendar days from the receipt of the initial
 2 complaint. If the investigation is not complete within twenty (20) calendar days, the investigator shall
 3 provide the Title IX Coordinator with appropriate documentation detailing the reasons why the
 4 investigation was not initiated or completed within the required timeframe. If the Title IX Coordinator
 5 is serving as the investigator, the documentation shall be provided to the Director of Schools.

6 The Title IX Coordinator or investigator shall communicate with the parties regarding delays, extensions,
 7 or the need for additional time due to witness availability, school breaks, law enforcement activity,
 8 complexity of allegations, or other good cause. When a temporary delay or limited extension is
 9 necessary, the district shall provide written notice to the complainant and respondent of the delay or
 10 extension and the reason(s) for the action.

11 All investigations shall:

- 12 1. Provide an equal opportunity for the parties to present witnesses and evidence;
- 13 2. Not restrict the ability of either party to discuss the allegations under investigation or gather and
 14 present relevant evidence;
- 15 3. Refrain from requiring, allowing, relying upon, or otherwise using questions or evidence that
 16 seek disclosure of information protected under a legally recognized privilege unless such
 17 privilege has been waived;¹⁹⁷
- 18 4. Provide the parties with the same opportunities to have others present during any grievance
 19 proceeding;
- 20 5. Provide to parties whose participation is requested written notice of the date, time, location,
 21 participants, and purpose of all investigative interviews, or other meetings, with sufficient time
 22 for the party to prepare to participate;
- 23 6. Provide both parties an equal opportunity to inspect and review any evidence directly related to
 24 the allegations in the formal complaint; and
- 25 7. Result in the creation of an investigative report that fairly summarizes relevant evidence.▲
 26 a. Prior to the completion of the investigative report, the investigator shall send to each
 27 party the evidence subject to inspection and review.▲
 28 b. All parties shall have at least ten (10) days to submit a written response to the evidence
 29 provided, which shall be taken into consideration in creating the final investigative
 30 report.▲

31 Within the parameters of the Family Educational Rights and Privacy Act,¹²⁰⁸ the Title IX Coordinator
 32 shall keep the complainant and the respondent informed of the status of the investigation process. At
 33 the close of the investigation, a written final report on the investigation will be delivered to the
 34 parent(s)/guardian(s) of the complainant, parent(s)/guardian(s) of the respondent, and to the Director of
 35 Schools.

36 **Determination of Responsibility¹⁹ Responsibility²¹**

37 The respondent is presumed not responsible for the alleged conduct until a determination regarding
 38 responsibility is made at the conclusion of the grievance process.²⁰⁻²² The preponderance of the evidence
 39 shall be used in making this determination.²³⁴

1 The Director of Schools, or their trained and impartial designee, shall act as the decision-maker. In no
 2 circumstances shall the investigator also serve as the decision-maker. They shall receive the final report
 3 of the investigation and allow each party the opportunity to submit written questions that they want asked
 4 of any party or witness prior to the determining responsibility.

5 The decision-maker shall make a determination regarding responsibility and provide the written
 6 determination to the parties simultaneously along with information about how to file an appeal.

7 A substantiated charge against a student may result in corrective or disciplinary action up to and
 8 including expulsion. A substantiated charge against an employee shall result in disciplinary action up to
 9 and including termination.

10 After a determination of responsibility is made, the Title IX Coordinator shall work with the complainant
 11 to determine if further supportive measures are necessary. The Title IX Coordinator shall also determine
 12 whether any other actions are necessary to prevent reoccurrence of the harassment.

13 APPEALS²² APPEALS²⁴

14 Either party may appeal from a determination of responsibility based on a procedural irregularity that
 15 affected the outcome, new evidence that was not reasonably available at the time of the determination
 16 that could affect the outcome, or an alleged conflict of interest on the part of the Title IX Coordinator or
 17 any personnel chosen to facilitate the grievance process. Dissatisfaction or disagreement with the
 18 outcome, sanction, disciplinary consequence, or factual findings alone shall not constitute a sufficient
 19 basis for appeal. Appeals shall be submitted to the Title IX Coordinator within ten (10) days of a
 20 determination of responsibility.

21 Upon receipt of an appeal, the Title IX Coordinator shall:

- 22 1. Assign an impartial hearing officer within five (5) days of receipt of the appeal; and
- 23 2. Notify the parties in writing.

24 During the appeal process, the parties shall have a reasonable, equal opportunity to submit written
 25 statements. Within ten (10) calendar days, the hearing officer shall issue a written decision describing
 26 the result of the appeal and the rationale for the result. The written decision shall be provided
 27 simultaneously to both parties.

28 RETALIATION²³ RETALIATION²⁵

29 Retaliation against any person who makes a report or complaint or assists, participates, or refuses to
 30 participate in any investigation of an act alleged in this policy is prohibited.

32 RECORDKEEPING²⁶

33 The District shall maintain records relating to reports, formal complaints, investigations, supportive
 34 measures, informal resolutions, appeals, training materials, and responses required under this policy in
 35 accordance with applicable law and District records retention practices.

36 Records shall be maintained for the period required by state and federal law.
